Country Music Awards Streamed Live

On Saturday, June 11 at 7pm this year's West Australian Country Music Awards night was streamed live from the Boyup Brook Town Hall.

Organised by the Country Music Club and presented by LiveLighter, the virtual awards offered a chance to celebrate excellence amongst the states country music artists.

The Awards have been traditionally incorporated into the Boyup Brook Country Music Festival, but as it was cancelled again in 2022, the Club worked hard to plan the awards night under a different process.

President Daly Winter said, "We would like to recognise and honour the extraordinary achievements of our West Australian country music artists, who in these especially difficult and trying times have shown incredible spirit, dedication and commitment to the country music industry here in WA."

Finalists and winners of 10 categories were recognised for their outstanding achievements with the presentation of the new Golden Guitar Belt Buckle award certificates handed out to the winners on the night.

Music Director Donna Forsyth, who was also the night's emcee said, "I am so proud to be a part of this event. The calibre of talent from Western Australia is outstanding. Over the years I have seen many people take the leap with their music to a new professional level and gain the recognition they deserve."

One artist in particular stood out on the night, taking away four awards, Eaton's Codee-Lee, pictured bottom left, received Single of the Year, EP of the Year, Songwriter of the Year and the prestigious People's Choice Award.

Kate Hindle from Collie, pictured bottom right, went home with two awards: Emerging Artist of the Year and Female Artist of the Year and Charlee Jones from Bunbury won the Junior Vocalist of the Year.

Mike Goodwin from Margaret River was joined by his wife Angela to receive the Video Clip of the Year Award with the animated video clip called 'Sugarcane' live streamed after the award was accepted.

Male Artist of the Year was won by the troubadour himself, Chris Matthews who spends most of his time performing around the Kimberley's. The Album of the Year and Best Group of the Year was awarded to The Little Lord Street Band from Eden Hill.

The night included performances by Ray Jones who was also a nominee for Album of the Year, Codee-Lee sang her award winning song 'Who I am' and Kate Hindle and Chris Matthews also performed acoustic songs for the event.

After the livestream concluded, the night finished on a fantastic note for those who attended the awards ceremony at the town hall, with a big jam session incorporating some finalists and winners.

The Country Music Club of Boyup Brook would like to thank Healthway, promoting the LiveLighter message, APRA AMCOS, the Shire of Boyup Brook, Lomax Media and Totally Sound for assisting in bringing this special night together.

This project was also made possible by the Australian Government's Regional Arts Fund, which supports the arts in regional and remote Australia.

If you would like to watch the West Australian Country Music Awards the link is available on the Facebook page: www.facebook.com/boyup.cmc

My Inbox....

Kaya, wandjoo to the July Gazette.

I hope you are all keeping warm and well this winter, and that COVID and the flu are not impacting you too severely. COVID is still in our community, so please ensure you do your part to keep yourself and those around you safe.

The Australian Bureau of Statistics 2021 Census data has been released and I always find it interesting to see the changes from one Census to another. There has been an increase in the population of the Boyup Brook Shire by 133 people to 1,834 from the 2016 data, with the average age being 47 (49 in 2016). Population growth is exciting, but at the same time it is sad to see a number of older members of our community relocating due to health, lifestyle or other reasons.

July brings school holidays, so if you are travelling, please drive carefully and enjoy the break.

Until next month, stay well, stay connected
Jodi

DFES - Home Fire Safety

A fire in your home can be devastating, even fatal. It can take just seconds for a fire to take hold and can engulf a whole house within five minutes. Common causes of home fires include: Unattended cooking, unattended candles and oil burners, electrical faults, overloaded and faulty power boards, chimney flues that haven't been cleaned, curious children using lighters and matches.

West Australians are urged to not leave e-Rideables (scooters, bikes) and other household items containing lithium-ion batteries charging overnight or when they are not at home due to their potential to overheat and cause devastating home fires. A growing cause of home fires are devices left to charge on beds, couches and other fabrics.

Batteries can overheat when left on charge or when they are faulty. Once the battery explodes, it can end up metres from where it was charging and a small fire can spread quickly engulfing an entire home in just minutes.

Fire investigators are seeing a rise in the number of fires caused by lithium-ion batteries where the home has either been significantly damaged or completely destroyed.

Here are a few things you can do to protect you and your home from a house fire:

- Check electrical items and cords for signs of wear and tear before using them. Don't use damaged or dented equipment.
- Never leave batteries charging when no one is home, or in unsupervised areas such as garages.

- Make sure when charging batteries they are placed on a hard surface, and are not left charging on bedding, couches, carpets or clothing.
- Don't leave batteries charging once they have reached 100% as they can overheat.
- Take care when purchasing batteries or devices online or second-hand. Replacement batteries and electrical cords should only be purchased from reputable companies.
- Batteries are classed as hazardous waste and should never be placed in your kerbside bins. You can find your nearest battery recycling bin by contacting your local government or visiting recycleright.wa.gov.au.

If a fire does start in your home and you can't put it out safely:

- Evacuate immediately
- Crawl low under smoke
- Put your escape plan into action
- Go to your identified safe meeting place
- Phone 000 (triple zero)
- Do not enter a burning house for any reason and wait for firefighters to arrive

So, don't leave batteries charging when you're not home and create and practise your home fire escape plan this winter. Plenty of information about the above points is available on the DFES website, including what to think about when creating your home fire escape plan.

Launch of Rylington Park partnership with ECU: Boyup Brook to play key role in solving real-world agricultural problems through innovative research

On Wednesday 1st June a new partnership was launched at Rylington Park between the Shire of Boyup Brook and Edith Cowan University (ECU) following the signing of a Memorandum of Understanding between the Shire and ECU last October.

More than 75 people attended the launch, including David and Brian Farleigh, grandsons of the late Eric Farleigh who's vision for Rylington Park to play an important and long lasting role in agricultural training and research saw him donate the family's Rylington Park farm to the Boyup Brook Shire in 1985.

Above: Left to right: Chief Executive Officer - Dale Putland (Shire of Boyup Brook), Cr Richard Walker - Shire President (Shire of Boyup Brook) ECU Professor Kerry Brown, Vice-President Cobie Rudd and ECU Director Anthony Marceddo.

Also gathered were key State and Federal Government representatives Jane Kelsbie MLA, Member for Warren Blackwood, Dr Steve Thomas MLC, Member for South West Region, Hon Nola Marino MP, Member for Forrest.

Boyup Brook local Rhonda Parker MC'd the launch, and an acknowledgement of Country delivered by former Boyup Brook resident Noel Smith.

Jane Kelsbie MLA, spoke on behalf of WA Agriculture Minister Alannah MacTiernan who was unable to attend, and highlighted the future benefits this partnership could yield for the wider agricultural community, particularly in relation to research into sustainable agricultural practices

Shire of Boyup Brook Shire President Richard Walker spoke about the many opportunities the partnership presents for the agricultural sector, and also the benefits that will flow on to the wider Boyup Brook Community.

Shire of Boyup Brook CEO Dr Dale Putland highlighted how the 20-year agreement between ECU and the Shire creates a historic partnership that fulfils the vision by Eric Farleigh for Rylington Park.

ECU Deputy Vice-Chancellor (Regional Futures) Professor Cobie Rudd explained to the crowd how the partnership will hopefully deliver research and trials into the use of smart farm technology and further advancements in farm automation. Professor Rudd also spoke about the potential for the partnership to facilitate career opportunities through non-university study pathways for secondary school students.

Attendees admired a display of local produce including wine from Beulah Wines, gourmet food products from Dinninup Grove and Grindon Graziers, and Ginan Kavalam Estate Turmeric Powder.

POLICE NEWS

BOYUP BROOK POLICE

Hello Boyup Brook residents,

With the school holidays upon us, if you're planning a trip, it's a timely reminder to make sure you secure your vehicles and property before you leave. Ask your friendly neighbours to keep an eye out for you and to report any suspicious behaviour. You might also want to look into some basic CCTV for peace of mind, it might be cheaper than you think!

There have been ongoing issues recently regarding the Emergency Access track between Kaufmann Close and Banks Road. This track is shire land and designated by the Planning Commission as emergency access only.

It is not classified as a road. It is secured by double farm gates at each end and as the name suggests, is only accessible in emergency situations.

- Use of this track outside of these parameters constitutes a Trespass offence.
- Cutting the locks or wire keeping the gates shut constitutes a Criminal Damage offence.
- Taking the locks, chains or gates themselves constitutes a Stealing offence.

All of these offences will be investigated by police and they are arrestable! You may receive a fine of \$500 or a court notice to see the local Magistrate and a criminal record.

As always, stay alert and safe on the roads and pay special attention during this holiday period.

Upper Blackwood Show Committee News

The Show Committee are busy preparing for this year's Show.

Now that our new ablution block is nearly completed, our focus has turned to other things on the grounds that need attention. The grounds committee have compiled a rather long list of maintenance that would be ideal to have completed prior to the Show.

We are seeking volunteers who would like to join our team and help with general handyman work around the grounds which will help to make the grounds and facilities more enjoyable for everyone. If you think you can assist, even if it is for an hour or two let us know, any assistance would be greatly appreciated.

One of the aims for having a new ablution block built was to have more usages of the grounds over the year and to attract more people to our district.

In September, the ADAMA crop touring group are coming to our area and will be staying at the show grounds from September 13-15. The committee will be catering for the anticipated 65 people coming on the tour. This is a great opportunity to raise funds for the Show and the grounds, but will be a big job.

If you would like to be a part of the catering team which will include everything from cooking sausages, preparation of food, helping serve/clean up on any of these days, even if for just a few hours, that would be a great help. Please contact Lyn or Georgia, details below.

We are still looking to fill the following position:

Stewards for Horse Ring Events: We require three people to be Stewards. We already have one person who has kindly put their hand up to help but we need three more for the events to run. For further information on this role, please contact Lyn.

Speed Shears - The committee is anticipating the return of the Speed Shears to the Show. We are looking for someone to coordinate this event, if you would like to give it a go let us know.

The UBAS Committee wish to acknowledge and thank Cecile and Grace Maddams, Jo Ritson and Lorraine Park for their many years of contributions to the Show as Horse Ring Stewards. Thanks also to Lee Hendry who took on the role as Craft Steward for several years and Lyn Jennings who was the Preserves Steward last year. We thank you all for your hard work in helping to make the Dinninup Show a success!

Battery Drive

UBAS are collecting old car, truck or tractor batteries as a fundraiser. Please contact or drop off to David Corker, Les Elliott or Harris Thompson (they are happy to call in and pick them up from you). Any donation is greatly appreciated.

Membership

Membership forms have been sent to each household. Please consider joining as a member and you will go into the draw for some fabulous prizes.

First prize is one night's accommodation at the Quality Apartments Banksia Gardens in Albany for two people including breakfast and second prize is a Colemans 38L Wheeled Cooler kindly donated by the Boyup Brook Co-op. Your membership helps support the show and will be very welcome.

Any queries regarding the show or to volunteer for any of the above roles or just to help out for a few hours, please contact either:

GRIP Leadership Conference

On June 2, our student councillors attended a leadership conference in Bunbury, alongside other participating schools. The student councillors were engaged in presentations, activities, discussions and leadership games.

The conference has a focus on public speaking, fundraising, teamwork, and leading with integrity. It was a great opportunity for our student council to develop the skills and knowledge to guide them in their role this year, and in the future.

Student Extra-Curricular Achievements

Jacob Dupe participated in the trials for the School Sport WA State Schoolboys Australian Football Team on Friday, June 3. Jacob was one of 50 to be selected to go to the Point Peron Camp School for some intense training and game play. Unfortunately, Jacob didn't make it through to the next round but showed great skill and sportsmanship. Well done Jacob!

Congratulations to **Saxon Halsey** who was selected to try out for the Willetton Senior High School Specialised Basketball Program. This is a high-performance environment with a focus on fundamental skills that supports educating students in sports nutrition, mental skills and strategies, mindfulness, sporting injuries, goal setting, game analysis and coaching qualifications.

Saxon performed extremely well in all the fundamental skills and while not making the final selection, his feedback was very positive, and he was highly praised for his talent as a basketball player. Well done Saxon!

Outdoor Ed Excursion

On Monday, May 30 the Year 8-10 Outdoor Education students went to Forest Adventures South West in the Ludlow Tuart Forest. Students enjoyed participating in team building activities and the High Ropes Tree Top Adventure Course.

All students displayed resilience and endeavoured to complete the challenges of the course. The challenging activities were thrilling and fun, building each students confidence, sense of achievement and problem-solving skills. A great day was had by all. Thank you Mr Ridley and Mrs Morgan for a great day out!

Sharing Memories on Lost Boyup

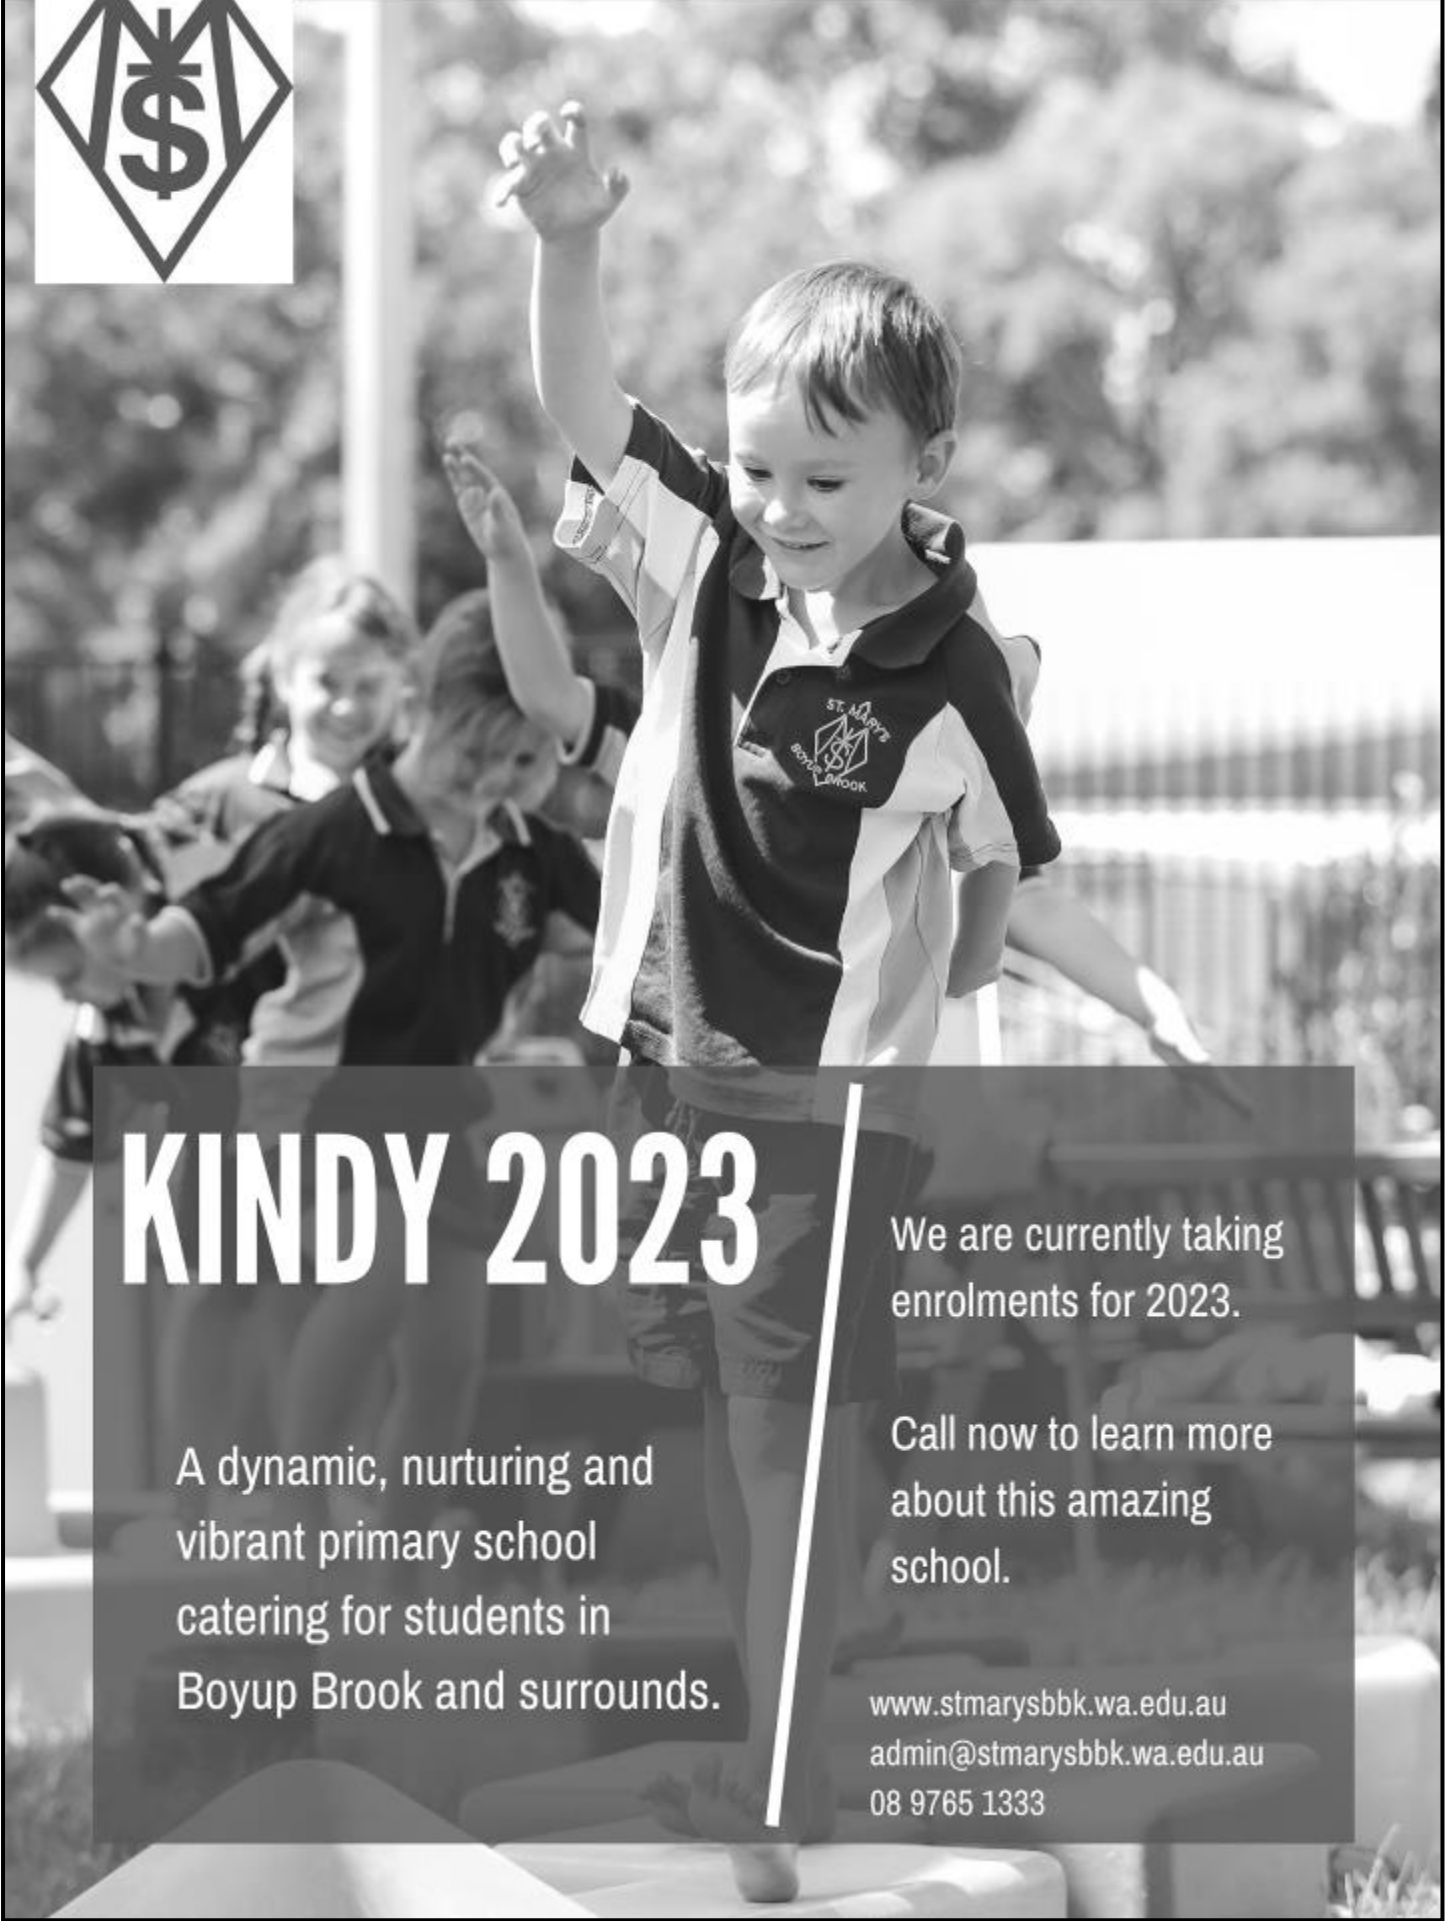

LOST Boyup Brook is a Facebook page engaging current and former residents by sharing memories of days gone by and we welcome your contributions of photos, newspaper articles, or stories.

Email them to boyupbrook@crc.net.au or post to the BBCRC, 86 Abel St, Boyup Brook WA 6244.

ST MARY'S CATHOLIC SCHOOL

KINDY 2023

A dynamic, nurturing and vibrant primary school catering for students in Boyup Brook and surrounds.

We are currently taking enrolments for 2023.

Call now to learn more about this amazing school.

admin@stmarysbbk.wa.edu.au
08 9765 1333

St Mary's Primary School

St Mary's Catholic School

We are at the end of what has been a very memorable term. We are all very proud of how each student has approached school with an open mind, an energetic attitude and with joy in their heart. We pride ourselves here at St Mary's as being a connected community. Over the term we have connected with meaningful work, connected with nature, connected with other people and connected with our own sense of happiness.

PP Bush School - Connected to nature

The Pre-Primary class are loving their 'Bush School' experiences. On Friday mornings the Pre-Primary's have been learning in nature. Mrs Wheeler and Mr Priest begin the lesson with a bush walk. As they walk through the bush observing nature, Mrs Wheeler teaches the students about different plants and animals they see, pictured bottom right.

Each week there is a different focus, and all students are able to explore, lead and learn more about their surrounds. It is great to see them develop an awareness of nature and an appreciation of the natural beauty here in Boyup Brook.

Year 1 and Year 2 Authors - Connected to meaningful work

We may just have the next J.K. Rowling in our Year 1 and Year 2 class. The students have been learning about the writing process. Following on from a concept and a draft the students have published their work on Book Creator and the results are amazing.

All the students illustrated their books to a very high standard and the stories were filled with suspense; Mrs Evans was so proud of their efforts. Mr Priest was invited to hear a couple of students present their books but was so engaged he stayed to hear all of them. Students pictured bottom left.

Year 3 and Year 4 Celebration – Connected with family

Marking special occasions is something we pride ourselves on here in St Mary's. On Sunday, June 19 students in Year 4 made their First Eucharist. Congratulations to Fifi, Emma and Kayden, pictured top right. As a school we were so pleased to be able to share this day with you.

In class, all of the Year 3 and 4 students have been busy learning about how important it is for everyone to be kind, caring, compassionate and courageous, a key theme of growing in faith.

Year 5 and Year 6 Leadership – Connected to each other

On Friday, June 3 the Year 6 students travelled to Bunbury to participate in a leadership day. Mrs Neild and Miss Deb were so pleased to witness the students excited and engaged in the day. The day aims to motivate and inspire the students to use their own strengths to make their school a better place.

It is just as important to put the learning from the leadership day into real action at school. It is so pleasing to see our Year 5 and Year 6 students helping our younger students in the playground. Seeing the four square courts full is a highlight for all the teachers and it is a chance for the Year 5 and Year 6 students to show empathy and compassion to our younger students.

Enrolments open at St Mary's

One of Mr Priest's favourite things to do at St Mary's is to show new families around the school and share with them how amazing our school is. Our Kindy numbers for 2023 are growing and we are so excited to be able to be a part of the children's school journey.

If any families in Boyup Brook or the surrounds would like to learn more about St Mary's, please call the office and book a meeting and tour with Mr Priest.

Plastic Free July Events

To raise awareness about Plastic Free July to different demographics in Boyup Brook, the Community Resource Centre has organised multiple events throughout the month.

Starting off in the school holidays, local artist Ally Kerr will be back at the CRC hosting a craft activity that will transform discarded plastic rubbish and other items into incredible art.

Children of all ages are invited to attend the session taking place on Thursday, July 7 from 10am-12pm. The cost is \$5 per child or \$3 for CRC Members (Family category). For children under the age of five, it is requested a parent/guardian comes along.

The next stop, will be a Plastic Free Morning Tea that will take place on Wednesday, July 13 from 10:30-11:30am with interested guests also invited to stay behind to watch an episode of the War on Waste afterwards.

This event will differ from last years Plastic Free Morning Tea, where PFJ founder Rebecca Prince-Ruiz treated more than 50 locals to a presentation about the issues we are facing due to single-use plastic pollution and a morning tea catered by the resource centre.

Instead, this year attendees are invited to whip up a favourite morning tea recipe of their own to share, created and brought to the CRC without the use of any single-use plastics. During the morning tea there will be discussions about the plastic problem and solutions people have found to avoid it.

A competition for the craziest mug will also take place on the day, with a winner chosen by most popular vote to receive a plastic-free prize.

Similar to last year, guests will also be invited to share a plastic-free pledge for an item they will choose to avoid this July (and beyond!). See the image on the bottom left of the page for inspiration on how you can be involved.

This event is free thanks to the support of the Forest Products Commissions community grants program.

The final activity will see CRC staff members, Sharon and Anna, head to the local high school to present a fun session to year 8-10 students to learn about the importance of reducing single-use plastic consumption.

Students will be invited to come up with solutions for how they can implement positive changes at school and at home.

Plastic Free July is a global movement that has inspired more than 100 million people from 190 countries to make pledges to cut out their use of single-use plastic for the month of July. For more information about Plastic Free July, head to the website: www.plasticfreejuly.org/

Spaces are limited for the School Holiday Activity and the Plastic Free Morning Tea, to register please call 9765 1169 or email crc@boyupbrook.org.

Boyup Brook CoMHAT News

Boyup Brook CoMHAT is very excited to welcome Fiona Hazlewood to the team as our new Youth Zone Coordinator. Fiona is a mother of three and a passionate advocate for our Youth.

Fiona has worked across many fields including Red Cross, Cancer Research Pathology and has volunteered in both an education capacity and to support art and craft classes at a Community Resource Centre. She has also spent time travelling around Australia with her family and has now made Boyup Brook her home.

Youth Zone happens every Tuesday in the Lesser Hall (at the moment – soon to be Youth Zone Donga near the Boyup Brook Swimming Pool).

WHAT: Boyup Brook Youth Zone

WHO: Anyone aged 11 and up

WHEN: Every Tuesday, 3.30-5pm

WHERE: Boyup Brook Lesser Hall (opposite the skate park)

DETAILS: Great free food every week; fun games and activities; a place to hang out with your mates; On offer soon - learn basic mechanics/mountain bike adventures.

We also have on offer FREE Youth Zumba Classes every Monday for eight weeks thanks to a COVID Youth Recovery Grant from the WA Govt, Dept. of Communities.

WHAT: FREE Youth Zumba Classes

WHO: Youth aged 10-18

WHEN: Mondays starting 20th June for 8 weeks (Holidays not included), 3:30pm-4:30pm

WHERE: Boyup Brook High School Hall

DETAILS: Youth Zumba classes with Anna

Bring a bottle of water and some comfortable shoes e.g. Sneakers. No experience necessary

Action Team Updates

We recently held our bi-monthly action team meeting to discuss important actions within the Boyup Brook Community Wellbeing Plan. It was great to see a good turnout of supporters including representatives from the Boyup Brook Shire and Shire Council, Sgt Phil Huggins, SJOG Suicide and Prevention, St Mary's Primary School, Boyup Brook Visitors Centre, St Saviours Church, WA Alcohol and Drug Foundation (ADF) and Boyup Brook DHS.

There was some key discussions around:

- The development and support of youth volunteering.
- Sharing and promotion of the recently developed Community Directory including sporting and community groups available to join locally (implemented by the Boyup Brook Community Resource Centre). The directory is available here: www.boyupbrook.crc.net.au/service-and-support-directory.html
- Key issues for consideration in the new Community Wellbeing Plan across associations.

- Development of a Welcome Pack to be shared with new community members to town.
- Upcoming Mental Health First Aid training opportunities for groups.

If you would like to attend our next meeting in August please get in contact via secretary@comhat.com.au to be kept up to date with meeting dates and important information and free resources to access for your association.

Communication Focus

Our promotional campaign for July is *Learn Ways to Look After You*.

In challenging times, it is easy to get caught up in trying to solve the problems that we face and gradually stop doing the things that make us happy. Taking some time to recharge by doing simple, silly, fun or relaxing activities each day can help you boost your mood and cope better with daily challenges.

We Need You!

CoMHAT works to support the mental health of all community members across Boyup Brook beyond just youth. We have a Board Committee that meets once a month to discuss important issues around mental health, alcohol and other drugs and a sense of belonging and connection.

If you would like to be part of making a difference to the mental health of our community and can spare one hour a month please get in contact with CoMHAT via secretary@comhat.com.au or phone Renee on 0416 156 404.

Tonebridge News

Our once a month casserole tea drew a large gathering and a great selection of casserole dishes and sweets. Our visitors from Baldvis were so impressed they said they will come down next month! Plus, there is always a warm fire.

Winners for the chocolate lucky numbers were for the men - Glen M. and ladies - Diane L.

Thank you to the shire road workers for the much improved and smoother drive to Tonebridge.

Even though June can be cold, Saturday the 11th was quite a pleasant evening. Enquires to Vikki 9769 1190.

Electrical Waste Dismantling

From Saturday, May 21 – Sunday, June 19 a total of 140 items were diverted from landfill, compared to 191 items for May.

On May 30, a total of 920kg of steel was taken to J + P Metals in Picton for recycling. On June 13, a total of mixed metals and components was taken to Connop Metals in Bunbury for recycling.

That is a total of 1,083kg of recyclables that have been diverted from landfill. Well done Boyup Brook. "Keep the ELECTRICAL Coming."

A change of day for July's monthly meeting. It's an AGM, and it will be on Thursday, July 7 at 10am at the Treehouse Coffee Lounge. *Mary-Anne, Spokesperson for Precious Waste Boyup Brook*

Craft Hut

The Craft Hut in Boyup Brook is located on the corner of Cailles Road and Barron Street. New members are welcome to come along and enjoy a cuppa, good company and delicious morning tea.

On Tuesday afternoons, a small group gathers with their sewing machines from around 12-3pm. On Thursday mornings is a larger group where there is much laughter and fun.

Everyone brings in things they are working on from crochet blankets, colouring, embroidery, knitting, painting, colouring, mending and more. Seeing what people create is amazing and very inspiring for myself, who is some-what a novice. So don't be discouraged, you do not have to be clever at craft.

If you enjoy the group, as I do very much, and wish to become a member the president has membership information available.

The Thursday group commences at 9.30am. Cuppa at 10am. The Shire owned building is available for use, further enquiries please call Jenny Mackie on 0428 631 060.

Garden Club

When our Garden Club members first met in February we discussed options for garden visits for the year and one of our members, Liz Blechynden suggested that June being a cold wintry month might be a good time to meet indoors and suggested we might like to discuss how we created our gardens.

Although Tuesday, June 7 was a sunny day, it was quite chilly so it was nice to feel comfortable in the media room situated behind the new library at the Community Resource Centre where we were made to feel very welcome.

15 members attended and we welcomed a new member Anne Pearce. The afternoon involved a garden and plant themed quiz, where lots of laughs followed and the winner Liz Blechynden, was rewarded the prize of a pair of gardening gloves.

We also held a raffle for a lovely encyclopaedia about roses (donated by Liz) and won by Marg Giles. Helen Rice shared information about our no-dig gardening experiment using a slide show of before and after photos to demonstrate the progression of this type of gardening and how successful it can be.

Liz B also talked about her garden and how important it was from the beginning of her marriage that she was guaranteed a place to grow a garden on her farm.

Glenda Bock conducted a very informative demonstration on how to propagate plants - soft and hard wood stems which were then offered to members to take home.

Colleen Railton prepared bags containing Liliium bulbs with printed out instructions on how to care for them. The afternoon was enjoyed by all and I am sure we all left with greater knowledge about gardening and as if that wasn't enough, we shared afternoon tea with good conversation wrapping up another garden club gathering.

The next Garden Club visit on Tuesday, July 12 at 1pm will be to Lorrene Sambell-Sayer's property, 594 Boyup Brook/ Kojonup Road, 6km from the bridge over the Blackwood River, right hand side. Property sign is 'Twin Jarrahs'.

If you have an interest in visiting gardens or would like to join our friendly group please come along. For Facebook members please check out the page - Boyup Brook Garden Club - tick to Like or Follow. Further enquiries please call:

Helen Rice 0421 581 636 or
Colleen Railton 0413 827 900

Comfortmakers 2022 Season

There are quite a few people deserving thanks for making this quilting season a success. The workers of course, but also those individuals who donated material and even some of their own already made up quilts.

We were able to deliver 29 quilts to St Vincent de Paul welfare team in Bunbury.

Thank you also for donations, and participation in the auction. The winning bid was that of our wonderful community supportive COOP. Their chosen quilt will be donated back to some Boyup Brook care giving residents.

Current Comfortmakers will welcome new helpers in 2023, so watch this space early in the new year. We promise friendly faces, unlimited cuppas and creative satisfaction!

WHAT'S HAPPENING AT YOUR CRC

Free RATs and Masks: There are still supplies of COVID-19 RAT testing kits (*oral only*) and reusable masks available.

Forklift: A forklift course was held in June to enable local businesses to upskill employees and develop their businesses. Thanks to the support of Afagri and the Post Office for the use of their venue and equipment.

Consumer protection info: This session has been rescheduled to July 20 due to the presenter being unwell in June. See opposite page for details.

Plastic Free July: The CRC is again taking the challenge and encouraging the community to do so as well. See page 14.

LIBRARY CORNER

We are making more changes to our library space and a very big thanks to the Shire for installing more shelving.

We have received a large number of new library items from the State Library, with something for everyone. Thanks also to Liz Blechynden for donating a copy of her book Dinninup 6243.

We are excited this month to launch the Better Beginnings program for 0-5 year olds and their guardians, to promote early literacy and a love for books, see the ad on page 10 for details.

And remember, your free library membership gives you access to online books, magazines, documentaries and movies through these apps.

BECOME A CRC MEMBER

COMING UP...

PLEASE NOTE: event dates are subject to change due to COVID-19, online options may be available

Unless otherwise stated, all events will be held at the Boyup Brook Community Resource Centre - 86 Abel St
Registration for all events is essential as places are limited. Please phone 9765 1169 for details and to register.

SCHOOL HOLIDAY ACTIVITY

THURS, JULY 7

10am-12pm

- Artist Ally Kerr is back to run a craft session with children of all ages to work on murals started at the Makers Workshops. Discarded plastic items will also be turned into art to help the CRC raise awareness about plastic pollution during Plastic Free July.
- CRC Member: \$3, Non-member: \$5 per child. Under 5s require parent/guardian supervision.

AGED CARE AND NDIS INFORMATION

MON, JULY 11, 25

11am-1pm

- Every second Monday, Anthony Flemming will be at the CRC from 11am-1pm to answer your queries about Aged Care and the NDIS, and assist you to find the support you may need.
- For appointments, please call 9765 1169.

PLASTIC FREE MORNING TEA

WED, JULY 13

10:30am-11:30am

- Guests are invited to make a single-use plastic free morning tea dish to share with others over a discussion about Plastic Free July. Stay behind for a viewing of the ABC's War on Waste series.
- Bring your craziest mug along and go in a competition to win a prize.
- This is a FREE event | tea and coffee provided

KAHOOT! QUIZ

MON, JULY 18

10am-11am

- Multiple choice questions about different topics. Fun, laughs, friendly competition.
- Please bring your own smartphone, tablet or laptop if possible. There are devices available to borrow.
- \$5 per person - morning tea provided.

CONSUMER PROTECTION INFO SESSION

WED, JULY 20

1pm-2:30pm

- Do you have questions about scams, product safety, online purchasing, tenancy, purchasing a vehicle?
- What are your rights as a consumer? Come along to this session, presented by DMIRS
- CRC Members: \$2 | Non-members: \$5 | afternoon tea provided

BETTER BEGINNINGS LAUNCH

THURS, JUNE 21

10am-11am

- Families with children aged 0-5 are welcome to join us for the launch of the Better Beginnings program in Boyup Brook 'Stories, Rhymes and Fun Times'. Listen to a story, sing a song, learn a rhyme and have a really fun time. FREE GIFT for each child 0-5. If you can't make it to the CRC, join us via ZOOM.

Golden Feather Hunt

As a part of the 2022 Scribblers Festival, the Boyup Brook Library is participating in the Golden Feather Hunt for the very first time.

Commencing at the start of the school holidays and running until September 16, feather shaped bookmarks will be scattered through the Children's, Junior Fiction and Young Adult sections of the library with the opportunity to win a variety of prizes.

There are four categories of feathers to be found: White, Amethyst, Silver and the prestigious Golden Feather where there are only five scattered amongst the states participating libraries.

The Scribblers Festival's Golden Feather Hunt was brought to life in 2018 and was created especially for young readers. This year a record 153 libraries from Broome to Denmark are participating to help celebrate the magic of storytelling.

What to do:

1. Visit the library (to see a full list of libraries involved visit www.scribblersfestival.com.au/golden-feather).
2. Check out a Children's, JF or YA book you want to read.
3. Cross your fingers and open the book....
4. If there is a feather inside, do a quiet victory dance and read the back of it for further instructions, or bring it to your friendly librarian who will know what to do.
5. If there isn't a feather inside your book, chin up - you still have a great book to read and you can have another hunt for the feather when you borrow your next book!

Award for Young Writers

Celebrating thirty years in 2022, the Tim Winton Award for Young Writers is back to provide a platform for school aged authors to present their creative writing.

The City of Subiaco invites all school students in years one to twelve to submit an original, creative piece up to 2000 words in length.

Stories will be judged on their creativity, the originality of themes, story development and the quality (not quantity) of writing.

Awards will be announced at the end of September and category finalists will be recognised at a presentation ceremony. Winning stories will be published online and displayed for one month in a public exhibition at Subiaco Library.

Entries are open from 9:30am on Monday, July 18 until 5:30pm on Friday, August 12.

All entries need to be registered online and can either be submitted online or sent to Subiaco Library.

For more details about this competition visit www.subiaco.wa.gov.au

Poem: THE YEARS

Oh where have all the years gone
That have rolled away so fast
The years that lay before us
And now fade into the past

When we were but little ones
In the days of long ago
The years waited patiently
As they watched us grow

But when we finished growing
And joined life's busy ways
They stole the years so quickly
In a dozen different ways

Study work and travel
Marriage, kids and care
Saw the years unravel
And drift into the air

So the years have slipped away
Those years that could not last
But they leave us a legacy
Our memories of the past

By GC

Express Your Interest

Established and emerging musicians are invited to submit their interest to be part of a stellar line-up being organised for the 2023 Boyup Brook Country Music Festival.

The long-running festival is making a welcome return to the calendar after a COVID-19 triggered hiatus – and solo acts, duos and bands are invited to apply for the chance to perform during the festival at next years event, taking place between February 17 and 19.

Fans and performers alike look forward to the event which incorporates live performances at an open-air venue on the banks of the Blackwood River.

Festival Music Director Donna Forsyth encourages musicians from around Australia, including home-grown talents, to take up the opportunity to play to fans.

“Wherever you are based in Australia, this is a great chance to get in front of the appreciative crowds that make the trip to Boyup Brook in Western Australia’s South West region. In our search for performers, we would love to unearth some brand-new talent and see them shine alongside big-name stars,” Mrs Forsyth said.

Traditionally held over the third weekend of February, the Boyup Brook Country Music Festival is known for its fun and friendly program of events that bring people back to the South West town year after year.

Thousands enjoy highlights including the concerts in Music Park, as well as the lively street carnival featuring buskers, street performers, children’s activities, and markets.

Expressions of Interest are now open to musical artists. Visit the CMF website for a form: www.countrymusicwa.com.au/ Submissions close Friday, August 26.

Plastics Quiz

- What happens to plastic waste when left in the environment?
 - It is a biodegradable material so eventually disintegrates
 - It never fully goes away, it just breaks into little pieces
 - There is no such thing as plastic waste, all plastic is recycled
- Why is plastic dangerous for marine life?
 - They mistake it for food and cannot digest it
 - They can get tangled in it hindering swimming ability
 - Bacteria on plastic can give coral diseases
 - A, B, and C
- How many million tons of plastic are dumped in our oceans every year?

Getting to Know Gordon Doust

with Sharon Lampard

Gordon Doust was born in June, 1957 to parents Ron and Daphne Doust. He grew up on the family farm in Winneup which was then known as Spring Hill, with his two younger sisters.

As with many farms of the time, it was multi-faceted, running sheep, orchards and dairy cows that they later switched to beef cattle when the Bridgetown butter factory closed down.

His father Ron was also a shearer and this kept him very busy, often spending long periods away from his family. Mother Daphne was a seasonal worker packing fruit and they always had work to do on their own farm. Gordon spent a lot of his childhood helping by chopping firewood, feeding the livestock and they also had ponies to look after.

Until Gordon was about 12, he also helped in the orchard by picking apples. He isn't sure if it was a chemical spray, or hay fever that caused him to start wheezing, but this meant he couldn't stay long picking the many varieties of apples they grew such as Yates, Jonathans, Granny Smiths, Red Delicious and Cleos.

Sometimes, when his parents were both working, Gordon remembers staying with his grandparents at their home 'May Cottage' in Bridgetown, which is now a heritage listed building.

His grandmother's family owned the property for many years and it also where his mother was born.

All of his schooling took place in Bridgetown where his favourite subject was outdoor education. In this class he learnt about building, enamelling, various other handyman tasks and welding in which he really excelled and was able to help teach his friends.

He left school with an achievement certificate and went straight into an apprenticeship at a mechanic workshop in Bridgetown. At 21 years old in 1978, upon completing his apprenticeship, Gordon found work at a Ford Dealership as a mechanic in Katanning. After twelve months there, he spent a period of time taking a series of short term contracts for mechanics that were short staffed. This work took him all over the state and as far as Karratha.

After a few jobs in between this, he received an offer to lease a service station workshop in Katanning. He took the work but in 1983, he was forced into a hard decision, "Every time I started to look like making money, they put the rent up or the lease went up. So I pulled the pin and came back to Bridgetown."

The move back saw him become heavily involved in the local sporting community. In 1983, he played in the Bridgetown Bulldogs football reserves side that took out the premierships. The following year he also got involved as a coach for the Under 19s side and it was also the year the league team won a premierships.

Getting to Know Gordon Doust

continued

In October 1984, Gordon went to live out on a station in Fitzroy Crossing as the mechanic and in 1986 he also became the windmill mechanical bore man and helped train others.

Although he was still in the state of Western Australia, Gordon marvelled that he was further away from his home than some of the men he worked with, who had travelled interstate from Queensland.

Of Fitzroy Crossing he said it was a completely different lifestyle than down south, he said "It was toughen up, or get out."

He moved back to Bridgetown once again in 1987, and first worked at Yornup Mill until another mechanic job came up in Bridgetown. He then moved on to working at Whittaker's Timber Milling Company in Greenbushes.

He married his first wife in 1990 and they started a family, welcoming daughter Vanessa that same year and Alicia in 1992. In between their daughters, they very sadly lost a son at birth who they named Patrick James.

He said when his marriage 'disintegrated', he moved with full custody of his daughters to Boyup Brook in 1992, when the girls were only two years and five months old.

He was no stranger to the town, having played sport in Boyup Brook over the years, but he was astounded at the warm welcome he received so swiftly.

Within a week he had received a knock at his door as someone had heard that he was a decent dart player and one more week after that, he was a member of the local bowling club.

At home, he needed a lot of help to look after his young girls and he soon met a lady called Irene, who became his babysitter and it didn't take Gordon long to realise he needed to marry this woman.

However, what did take a long time was their engagement, which lasted over the next decade and beyond. It was so long that in 2007, he proposed a second time and a year later on his 51st birthday, they finally married at the Club in Boyup Brook.

Choosing this date was a master stroke for Irene, who would remind Gordon, "You won't forget it will you? You remember your birthday; you remember your anniversary!"

His sporting endeavours, which over the years also included playing and coaching basketball and football, playing darts and bowls (of which he had many achievements!), came to a halt when he had to have shoulder surgery in 2010. But Gordon is still a big lover of sport and is now an avid spectator instead.

In 2015, he and Irene were in a very serious car accident, but it was in 2017 that they faced their most gruelling battle when Irene was diagnosed with colon cancer. After initially being told it would be six months of chemotherapy, this doubled to a full year, with Gordon caring for his wife throughout.

Of this time, he said, "It's probably the hardest 12 months I've ever done in my life." Thankfully, the cancer has stayed away since.

Gordon now has his own health to keep in check after he was diagnosed with emphysema in 2019. This has meant ordinary manual jobs that used to take him an hour, can now take up to three as he gets short of breath and needs frequent breaks.

To help his health, Gordon has made some huge life changes, he stopped smoking after the 2015 car accident when his doctor told him it was hindering the healing of a broken bone, and a few years later he also stopped drinking alcohol to help keep his weight down.

In recent years, he has taken a keen interest in the local museum and he helps out with tasks where he can. He thinks it is so important that the history of the area be shared and encourages everyone to get down to take a look at the museum which houses many items of the past.

He is most grateful to have some amazing sporting memories to look back on, and also for the safe births of his two daughters who have now gone on to have children of their own.

Between he and Irene they have six grandchildren and he treasures being able to connect with them on FaceTime, thanks to the new iPhone he bought his wife.

Gordon said he was taught by his parents to do his best and to never give up. This is true to the way Gordon has lived throughout his life, as he said he sometimes got himself into trouble, but he always tried to learn from his mistakes and keep moving forward.

NAIDOC Week

National NAIDOC Week celebrations in 2022 will run from July 3-10 providing a chance to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

Events across the country also provide an opportunity for all Australians to learn about First Nations cultures and histories.

This year's theme is *Get Up! Stand Up! Show Up!* The NAIDOC Week Committee say this can take on many forms including seeking proper environmental, cultural and heritage protections, Constitutional change, working towards treaties, or calling out racism.

The week will kick off with the 2022 National NAIDOC Week Awards Ceremony in Melbourne on Saturday, July 2. The awards recognise outstanding contributions that Aboriginal and Torres Strait Islander people make to their communities and beyond.

For more information visit www.naidoc.org.au/

Damper in Bush Coals Recipe

Ingredients

- 3 cups plain flour
- 3 cups wholemeal plain flour
- 1 tbs baking powder
- 1/2 cup reduced-fat milk
- 1 cup water

Method

- 1) Mix all dry ingredients together, and then add water.
- 2) Knead and then shape dough to about 1 – 1½ inches thick.
- 3) Options for cooking:
 - To cook over an open fire: scrape off half of the coals and sand on the fire. Put a thick layer of plain flour on the hot sand, place damper on the flour and then put another thick layer of plain flour on the damper. Cover carefully with hot sand and coals. Leave for about 30 minutes, then remove from fire and brush off.
 - To cook on a stove: sprinkle flour in a frypan and heat over moderate heat. Place mixture in the pan and shake occasionally to prevent sticking. When mixture slides easily in pan turn over. Knock the top of the damper; it will make a dull sound when it is cooked.
 - To cook in the oven: sprinkle flour on an oven tray and heat in 180°C oven. Flatten the dough to an oval or round shape and place on the oven tray. Bake in oven for ½ an hour. Then turn and bake on the other side for another ½ an hour.

Recipe from Deadly Tucker cookbook (Aboriginal & Torres Strait Islander-FOODcents manual, 2006), North Metropolitan Health Service, Department of Health WA, reproduced with permission.

WALK ON THE WILD SIDE

It's on again – our Walk on the Wild Side – where we invite anyone with a quirky collection, big or small, to come show it off to the public.

Walk on the Wild Side, to be held on Saturday 8 and Friday 9 October, 2022 is part of our whole Blooming Wild Weekend with our Blooming Wildflower Tour heading out on Friday, October 7.

Art on Abel will again spill out of the Little Art Gallery and into Abel Park with working artists, and the 'What's Your Angle?' photo exhibition will also be on display at our CRC.

BUT.... we need your help and participation to make this all happen. If you have a weird, wonderful, cute or unusual collection to display this can be done in your home or in a public place like the CWA Hall. Just let us know and we can help you get organised.

After the success of last year's Walk on the Wild Side we already have two vintage and veteran car clubs interested in making the trip over, and to especially check out and chat with our car enthusiasts.

What to do: If you would like to be involved either with a collection, as a participating artist, or having a cottage industry to set up a stall, please call Lyn Willett on: 0427 644 064 or email: willett359@gmail.com.

NEW BROCHURES LAUNCH—YOU'RE INVITED!

You're invited and absolutely welcome to come to the BBTA launch of the new brochures which promote everything Boyup Brook. The rebranding of our brochure was made possible by a grant from AMaGA CHART.

Our launch Sundowner is on Friday, July 22 from 4pm-6pm.

Once inside there's plenty to see – check out the wonderful artwork in The Little Art Gallery, the amazing collections in the Collections room and lots of locally produce goodies.

RSVP to the Visitor Centre 9765 1444 or by email to bbvisitor@wn.com.au

AGM in August

You're absolutely welcome to come to the Boyup Brook Tourism Association AGM on Monday, August 1 at 10.00am.

We're an active committee working to promote the Boyup Brook district.

You're welcome to join our committee as we work on several interesting projects.

STAY WARM THIS WINTER

Handy tips to stave off the cold.....

- * Dress in layers and wear a hat, gloves and scarf.
- * Have your heating system serviced to make sure it's working effectively and efficiently.
- * Keep the heat in your home by blocking off drafts and closing curtains and blinds.
- * Have regular hot drinks and warming foods like hot chocolate, soups and stews.
- * Stay active to boost your circulation. When you do sit, put up your feet as it's coldest near the floor.
- * Cook using your oven or stove to warm up the kitchen. Leave the oven door open after use for extra warmth.
- * And please check in on loved ones who don't live with you to the make sure they're staying warm and cosy.

Did you know we sell a great range of winter woollies and warmers at the Visitor Centre? Pop in and check out our fabulous locally made hats, beanies, scarfs, neck warmers, gloves, hand warmers, slippers and foot snugs.

Direction for our Times

We continue our cycle of monthly messages for 2022 with the message for June 1, 2006 for our prayer groups and personal reflection.

June 1, 2006

Jesus

DIRECTION
FOROURTIMES

I speak to my beloved apostles today from the pain of my wounded heart. I suffer for each person walking the earth without knowledge of my love. Despite rejection, my love cannot be limited and overflows into the world. Those who do not welcome the love of their Saviour continue in loneliness. Those who welcome me are deluged with my love.

Dear apostles, I know you are weary. You do not see the full impact of your service to the Kingdom. Please believe that one day you will experience the fruits of your labour. You will exult in each act of service and each act of self-denial because you will see the act attached to all the graces obtained from it. At that time, you will marvel at my generosity.

You will also thank me for obscuring this from you during your time of service, because it is through this trust that you gain both merits for your eternity and conversion graces for souls. How many sinners are pulled back into my Sacred Heart through your smallest act of trust and love in the face of scorn and mockery?

Dear apostles, you must consider whether or not you, yourself, were called back to me through the selfless acts of another. It is in this way that we are a family. Each apostle is indebted to others for their progress up the mountain of holiness, because the service of each person supports and sustains others. How blessed is the plan of God.

My gratitude to you will endure forever. Continue on in service to the Kingdom and you will see yourself counted as my friend and loyal follower. Imagine my gratitude. The enemy taunts God, stating that God's children have turned their faces away from Heaven. The enemy boasts that God's children are listening to the voice of darkness.

During all of this, the apostles of Jesus Christ remain steadfast. Your faces are turned to Heaven and you listen to my voice. Pay no attention to the empty words of the enemy, my beloved ones. Let my voice console you and direct you and you will not be deceived. Work for souls, so that they will accept my love. All is well. I am with you in each moment.

Be Still and Know.... God

Build on your strengths

Who makes you different from anyone else?' 1 Corinthians 4:7

Your success isn't found in your similarity to others, but in your difference. Instead of comparing yourself with somebody else and competing with them, try to discover your point of God-given difference, for that's where you will excel. Singer Pearl Bailey said, 'There are two kinds of talent, man-made and God-given talent. With man-made talent you have to work very hard. With God-given talent, you just touch it up once in a while.'

Paul writes, 'God has... given each of us different gifts.' (Romans 12:6 CEV) Would you rather fight to develop skills where you have a small natural gift, or run with the talent God has given you to find out where it takes you? Dreams don't come true because you do something well every once in a while. They're fulfilled because you perform with excellence day after day. And that happens only if you work within an area of strength.

You can't be like the high school home-run hitter who received an invitation to spring training from a major league baseball team. After the first week, he emailed home to say, 'Leading all batters. These pitchers aren't so tough.' The second week he boasted, 'Hitting .500. Looks like I'll be starting in the infield.' The third week he wrote, 'They're starting to throw curveballs today. Will be home tomorrow.'

You can't achieve success without consistency, and you can't achieve consistency working outside your God-given strengths. It will take all the talent you have to achieve your God-given dream. Following that talent will give you the best chance to be consistently good at what you do. So the word for today is—build on your strengths

Junior Roos' News

Halfway through the 2022 footy season and the Mighty Roos are progressing well. The last month has seen some big days of traveling and good football. Fortunately, the second half of the season is much more travel friendly with only away games in Kojonup and Bridgetown.

At this point I must remind all spectators and supporters to respect the umpires and officials no matter how much you disagree with their decisions. The abuse of umpires will not be tolerated, and repeat offenders will be sanctioned by the club. Not only does it set a bad example to the young men and women who make up our teams, but it also affects the game they are playing with the umpires reversing free kicks and giving 50m penalties. Please make all comments positive and respectful. The coaches box on game day is off limits to all except players and coaching staff. Please keep away from the area immediately around the box and let our hard-working volunteers do their work.

The 8/9s team is undefeated and top of the ladder. Their style of play is very impressive and, if they stick at it, will no doubt feature prominently in the finals.

Special recognition goes to Jacob Dupe, who made the Intensive Training Camp for the State School Boys Under 15s. This means that Jacob was chosen in the top 50 Football players for his age in the state. A fantastic achievement and well deserved by this young man.

Michael Wallace's 6/7s team are improving week on week and posted an impressive win in round six against Imperials. It's great to see some team members who have played very little football before, having a meaningful impact on games and best of all, coming off the ground with a great big smile on their faces.

The 4/5s keep rolling along with their excellent teamwork and inclusive play. It is a credit to all involved that the spirit around the team on game day is constantly supportive and welcoming to all. Every week different players are stepping up and showing improvement which is great to see.

Scott Tweedie and his Auskickers are travelling well. As a former Auskick coach I can understand the challenges of training and game day. Thanks to Luke Harding for assisting Scott with the kids, trust me, it's harder than it looks.

With School holidays approaching, there are limited games in July. These are as follows:

Rd 9: 2 July Bye

Rd 10: 23 July Bridgetown Away (Superkids Superhero day)

Rd 11: 30 July Deanmill in Boyup

Senior Roos' News

Both the Boyup Brook League and Reserves sides are currently sitting in third position at the halfway mark of the season. With plenty of numbers to choose from, both sides have had some good wins and a couple of close losses.

Boyup hosted Bridgetown on May 21. The league game was a much-anticipated replay of the 2021 Grand Final. Boyup did not start well and were down by four goals early in the match, however, just like the Grand Final last year the Roos fought back and only trailed by two points at the last break. Unfortunately, the boys ran out of steam, and Bridgetown went on to win 11.14 (80) to 8.13 (61). Seaton Thompson, Liam Park, McKenzi Nix and Angus Campbell played well.

In the reserves, both sides were severely depleted. The game ebbed and flowed all day, and it wasn't until the last minute of the game that Rhys Grant (against his former club) kicked the winning goal. Boyup winning 7.6 (48) to Bridgetown 7.4 (46). Shaun Porter, Mitchell Pensini, Rhys Grant, Tom Keightley, Lachlan Chilwell and Scott Mauger were the best players for the Roos.

Next match, the boys travelled down to Deanmill which is always a tough match. The league team started strongly to be up by three goals, but Deanmill pegged them back and it was all even at 3-quarter time. The last quarter ebbed and flowed, and unfortunately Boyup went down by a solitary point, 10.8 (68) to 10.9 (69).

Dave Johnston (3) and Alex Tweedie (3) were good targets down forward for the Roos, whilst Mathew Michael, Seaton Thompson, Alex Cabassi, Liam Park and Ryan Pessotto played well.

The reserves match saw Boyup play their best game of the year to take out a strong Deanmill side, 11.5 (71) to 4.6 (30). Tom Keightley, Chris Heath, Lachlan Chilwell, Scott Mauger, Shaughan Mead and Duncan Jones played well.

Next up was an away game against Imperials at Nannup. After a few narrow losses against the top two sides, the league team were intent on getting a win. Boyup started strongly to lead by 37 points at half time, however, to Imperials credit they fought out the rest of the game, as Boyup came away with a 20-point win, 14.9 (93) to 11.7 (73).

Again David Johnston (4), Alex Tweedie (3) and Angus Campbell (3) were the focal points up forward. Liam Park, Seaton Thompson and Luke Reilly were in the best players for Boyup.

The reserves team never got past first gear, and went down to a strong Imperials team, 5.1 (31) to 10.10 (70). Josh Coole, Chris Hewton, Alex Reid, Scott Mauger, Jack Wilson and Josh Stretch were the best players for Boyup.

Keep this date saved - Saturday, August 6. Come down to the footy as Boyup take on Imperials in their last home game of the season. It is all day footy with juniors starting at 8:30am culminating in the league game at 2:30pm.

During the day, and into the evening we will be having a 10-year 2012 League premiership reunion. There will be photos on display, speeches from past players and coaches, the DVD of the match will be playing too. Also that evening, we will be having our \$5000 raffle night.

With many prizes on offer that night, it will be a great day and night for all to enjoy. Have a look out as tickets will be on sale soon.

Games in July:

Sunday 10th July	@ Pemberton
Saturday 16th July	home vs Tigers
Saturday 23rd July	@ Bridgetown
Sunday 31st July	home vs Deanmill

Out on the Fairways

Hello everyone, my name is John and I am delighted to issue an Open Invitation to all Boyupians and friends to come and visit the Boyup Brook Golf Club. We invite juniors, beginners and anyone who would like to take up the game of golf. We offer convivial conversation, the enjoyment of various bebies and good food.

Come join the ladies on Thursdays, for a stroll on the fairways, oh, and hit a few balls. Saturdays are usually combined men and women, having a whack at golf balls, with lively banter and a bit of sledging. Come and join us and have a lot of fun.

An enormous thank you to all our sponsors, who when asked, step up each and every year. Without sponsors, clubs are less able to provide prizes to members, and I would encourage everyone to utilise the sponsors services.

A mention to the also-rans, who week after week turn up, try their hardest, but fall just short. One day the golf gods will shine on you and reward your endeavours.

Hoping to meet and welcome you all to the Boyup Brook Golf Club. From Boyup, it's 10km on Kojonup road, turn left at Six Mile road, then just under 1km, turn right at the big sign, and you will find a warm welcome.

Thanks J C.

Ladies Results

The ladies played for the Chidgzey/Mitchell trophy on May 26. Originally this trophy was called the Chidgzey/Whistler Trophy commencing with the inception of the Boyup Brook Golf Club. Both Mrs Fanny Whistler and Mrs Lucille Chidgzey were Foundation Members and best friends and both originally started their golf as members of Brancaster Golf Club. Di Lodge has continued the sponsorship of this trophy after her mother passed away 1984. The winner of this prestigious trophy was Lyn Willett with +3 closely followed by Denise Twigg with +2.

It was a very popular win when Maureen Piper won the Vice Captain's Trophy with 74 nett on June 2. Again, a close competition with Jann Mead the runner up with 75 nett. Our thanks to our Vice Captain, Denise Twigg.

Eight lady golfers travelled to Busselton to compete in the South West Districts Ladies Golf Association Ladies Foursomes Championships. Although weather condition predictions sounded horrendous on both Saturday and Sunday the ladies returned to the clubhouse at the end of the day completely dry! Boyup Brook were proud to feature well in the winners' circle – Sharon Nield and Naomi Dorrington won the Pewter section with Jenny Aird and Penny Tweedie runners up. Lyn Willett and Rhonda Parker were announced nett 36 holes, fourth place winners across all divisions.

On June 17, Jenny Aird and Penny Tweedie played in Capel's Vets Day and came in with third with 42pts for the day, along with many other groups. The winners came in with 46 pts.

Saturday Combined Men and Ladies Golf Day

Saturday, May 28

Atherton Transport Trophy (Combined 4BBB Russian Stableford). There were 13 men and five ladies play a 4BBB combined Russian Stableford and also two ladies who are learning the game out on course and having a go, which gave us 20 players for the day.

Winners: Jann Mead 31pts and (Podge) Brendon Bedson 40pts, total 67pts

Runners Up: Lyn Jennings 33pts and Ian Tweedie 33pts, total 65pts

Novelties: #3 NP The Club; #6 NP Ian Tweedie; #12 NP Podge - Brendon Bedson; #15 NP The Pres - Rhonda Parker

Saturday, June 4

16 men and five ladies took to the course. There were several good scores from those in the field along with the odd good shot.

Winner: Brendon Bedson 40pts

Runner up: Ian Tweedie (aka Bridesmaid) 37pts

Novelties: Ladies Long Drive – Jann Mead; Men's Long Drive - Ben Mead; #4 Best 2nd - The Skipper; #8 Longest Putt – Rance Dorrington; #15 Nearest Pin - Grant Downing

Saturday, June 11

After listening to the forecasters, the Men's Captain (Greg O'Neil) decided to keep our fixtures at this time as per the norm and not play stroke, and lucky for some of those who played that this was the case. With most of the ladies away playing in Busselton it was a very quiet day on course with only 11 Men having a crack. We managed to play in some really good weather and the sun was out on and off with only one real shower slowing play.

Winner: Brad Fairbrass 33pts

Runner Up: A 3-way tie for second was on a count back with Luke Dynan 32 pts taking the runner up position.

Novelties: #3 Nearest Pin – Grant Downing; #6 Nearest Pin – Ian Tweedie; #9 Longest Putt - Brad Fairbrass; #12 Nearest Pin - Nick Bunnett; #15 Nearest Pin – Grant Downing
