

## Former Local Makes King's List

In June, former local Mark Chambers, son of Sandy and Jacqui Chambers, was one of 112 Western Australians recognised in the 2023 King's Birthday Honours List.

Mark received a Medal (OAM) of the Order of Australia in the General Division for service to public administration as a Senior Researcher for the Aboriginal History Unit, at the Department of Local Government, Sport and Cultural Industries (DLGSC).

Mark commenced his career in 1976 as a primary school teacher in remote communities, such as Warburton in the Ngaanyatjarra Lands of the Great Sandy Desert, before branching into community development and historical and anthropological research.

For the past fourteen years, Mark has worked as a genealogist and archivist supporting Aboriginal people to reconnect with family, culture and community. Many of those he has worked with are members of the Stolen Generation.

Mark's outstanding expertise in Aboriginal History is highly valued by the Aboriginal and Non-Aboriginal community, and his work has been utilised by over 3,000 Family History Applications, as well as a significant number of researchers for Native Title determinations.

In 2015, Mark's research skills were integral in researching and publishing the book, *They Served With Honour*, and in 2019, *No Less Worthy* which tells the unknown stories of Aboriginal Western Australians who served in World War I. His research contribution led to doubling the previously known number of Aboriginal Western Australians who volunteered in this war, adding significantly to the national record.

The highly acclaimed map of traditional places in the Perth CBD – Gnarla Boodja Mili Mili (Our Country on Paper); the Moore River Native Settlement Burial Register; and Remembering Mount Margaret Mission publication, which featured long lost children's crayon drawings, in recognition of the establishment of the Mission, were key projects on which Mark was also principal historical researcher.

Director General for DLGSC, Lanie Chopping was especially pleased to congratulate him stating, "Mark's sole motivation is to leave a legacy for Aboriginal Western Australians for generations to come, and he has indeed achieved this. His truth-telling projects add significantly to the State and national record and are helping to shift the narrative to a more reconciled Australia."

## Community Care Commences

After many years of working towards improving the support available to seniors in Boyup Brook, a local community-based model of support has commenced.

The Boyup Brook Community Resource Centre (CRC) has partnered with Aged Care Provider, InCasa Country, to deliver services to people who are registered for Home Care Packages, using a local workforce through the employment platform, Mable.

As the service grows, so will the need for independent support workers with, and without qualifications. If you are interested in helping our community's seniors and earning a few extra dollars with flexibility to suit your schedule, please visit [www.mable.com.au](http://www.mable.com.au), or contact Brad Grieve on 0478 398 194. From cooking to driving, cleaning to social support, ironing to maintenance and personal care, there is a role for everyone.

A survey is included as a lift-out in this Gazette to gain an indication of what services are required by seniors and the skills that are available within the community to support them.

# My Inbox....

Kaya, wandjoo to the July Gazette.

You may notice a few new things about this edition with the Shire's pages, the weekly and monthly community calendars and the CRC newsletter getting a bit of a spruce up. Hopefully the changes will be well received.

If you have an event to add or update in either calendar, please get in touch via the Gazette email address [gazette@boyupbrook.org](mailto:gazette@boyupbrook.org)

Will you be taking on the 'Plastic Free July Challenge' this month? Anne at the IGA has jumped on-board to help you purchase 'nude' produce for the month, see all of the details about this in the *Plastic-Free Incentive* article. The CRC also invites you to make a pledge for a single-use plastic item you are trying to avoid.

Perhaps you are also taking on 'Dry July' this month? If so, there is more information about raising funds whilst you do this, in the *Cancer Council Update*.

Stay safe this school holidays whether you're heading off, or staying about.

*Until next month,  
Please take care of yourself and each other  
Sharon*

*The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.*

*We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.*

## Plastic-Free Incentive

Avoiding single-use plastic whilst grocery shopping can be a hard task, but the Boyup Brook IGA are committed to helping locals reduce it this Plastic Free July (and beyond!).

In line with the State Government's 'Plan for Plastics', local IGA owner Anne Thompson, has already implemented many changes to reduce plastic over the past 12 months. This has included things like providing compostable produce bags, converting to cardboard vegetable trays and phasing out Styrofoam meat trays.

There are also bulk options available for purchase regularly that help reduce the amount of plastic brought into the home. Rice, bread making kits and cooking oil are examples of items available for purchase in bulk, as well as laundry powder and other cleaning products.

The produce aisle is where it can get tricky for the town's small supermarket, as freshness of fruit and vegetables is of the utmost importance. You might see items halved or separated into smaller bunches, wrapped in cling film in the local produce section, but did you know that you can order these items plastic free?

By emailing the Boyup Brook IGA – [bbiga@bbiga.com](mailto:bbiga@bbiga.com) you can place an order to have most fruit or vegetables provided loose and package free. Cut off times for orders will be 6pm Monday, for Tuesday pick up, and 6pm Thursday, for Friday pick up.

Whilst this is on offer at all times at the Boyup Brook store, if you do this during the month of July 2023, you will also go into a draw to win a prize.

There has never been a better time to take on the Plastic Free July Challenge and Anne is looking forward to providing "naked" fresh fruit and vegetables to her IGA customers!

For more details and inspiration for Plastic Free July, head to the website [www.plasticfreejuly.org/](http://www.plasticfreejuly.org/)

# ABOUT TOWN

## CONDELENCES

### HALSTROM, Len

Alice, Doug, Cathy and families want to thank the Boyup Brook community for the sympathy, support and kindness shown to us on the death of Len Halstrom. Len lived in Boyup Brook for 61 years. It was his first teaching appointment.

Len loved Boyup Brook and from the number of Boyup Brook people at Len's funeral it was clear that Boyup Brook loved Len.

*Alice Halstrom*

## THANK YOU

A big thank you to all who supported Australia's Biggest Morning Tea at the Tonebridge Country Club. Your generosity helped raise \$1,057 for the Cancer Council, a great effort.

On behalf of our Boyup Brook Shire and Community I would like to say a big thank you to Tristan Mead for his dedication and commitment in the role of Chief Bushfire Control Officer, having just recently moved to Deputy under our new Chief, Ben Thompson. Tristan has led a finely tuned team of Volunteer Bushfire Brigades whose performance has not only been a credit to Tristan's leadership but also of great benefit to our community and neighbouring communities.

*Richard Walker, President  
Shire of Boyup Brook*

## Welcome Leonard Long

The Shire of Boyup Brook welcomes Leonard Long as our new Chief Executive Officer (CEO). Leonard commenced with the Shire on the 12th June 2023 and brings with him a wealth of knowledge in local government, most recently as Chief Executive Officer at the Shire of Nungarin. Leonard has moved to town and will be residing here full time with his wife. He is looking forward to meeting local community groups and businesses, but most of all getting to know our community.

If you need to make an appointment to see the CEO or any other Officer at the Shire, please phone the Shire Administration Office to make an appointment on 9765 1200.

### Disaster Ready Fund Success

The Shire of Boyup Brook is excited to announce that we have been successful in our application to upgrade our sporting clubrooms to enable their use as a Community Evacuation Centre in the case of an emergency.

In Disaster Ready Fund (DRF) round one National Emergency Management Agency (NEMA) received over 300 applications nationally. All eligible applications were assessed via a robust and transparent process managed by the NEMA in accordance with the published program Guidelines. On 6th June 2023, the Commonwealth announced the twenty three (23) WA projects funded under round one. For the full list visit <https://nema.gov.au/programs/disaster-ready-fund/round-one>

### Project Update

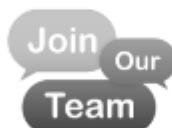

Drainage and structural renovations are well underway at the Town Hall and looking on track for completion by the end of August. The Lesser Hall flooring is currently in the process of being replaced along with work to the front of the hall. The exterior public toilets have remained open to the public, please ensure you continue to follow all signage when using the carpark or public toilets. No entry is permitted to the construction site.

The Cemetery project has also begun with initial ground stability and geotechnical testing completed. Phase 2 will see the Shire appoint drainage engineers to provide recommendations.

**New national standards for food businesses from 8 December 2023**

health.wa.gov.au/FSMT

New standards have been introduced nationally by Food Standards Australia New Zealand (FSANZ) to improve food safety and prevent foodborne illness in the community. Food businesses that handle unpackaged, potentially hazardous and ready-to-eat foods will need to comply with the new standard requirements by 8 December 2023. The new requirements will improve food safety through skills, knowledge and supervision. Some food businesses will be required to implement the below food safety management tools. These tools will enable food businesses to manage food safety risks more effectively to help prevent foodborne illnesses and outbreaks, loss of revenue and reputational damage.

1. Food safety supervisors: You will need to appoint a food safety supervisor for your business.
2. Food safety training: Your food handlers will need to show they have had food safety training.
3. Show you are managing key food safety controls: You will need to keep records of important food safety controls or be able to demonstrate safe food handling practices.

To help you to understand what you need to do to meet the new requirements visit [www.health.wa.gov.au/FSMT](http://www.health.wa.gov.au/FSMT)  
 If you have any questions, please phone the Shire and talk to the Environmental Health Officer, Wednesdays and Fridays.

**Don't be 'that' person**  
 Shire Rangers are focusing on dog owners to make sure our shared public spaces can be enjoyed by lots of different users. Please pick up your dog poo - there are dog poo bag dispensers in the parks. If they are empty, please advise the Shire. Whether you're a dog owner or someone who shares these recreational spaces, let's work together to keep these areas dog-friendly.

**Customer Service Requests**

Do you need to lodge a Customer Service Request for road works? Please lodge all requests either by emailing the Shire at [shire@boyupbrook.wa.gov.au](mailto:shire@boyupbrook.wa.gov.au) or phone the Shire Administration Office on 9765 1200. This will ensure your request is lodged and tasked to the correct Officer for action.

**Winter Grading Programme**

Winter grading has commenced with roads in stage 2 and 3 taking priority. Stage 2 covers the area of Mayanup, Tweed and Benjinup(a), with stage 3 covering the area of Nollajup, Benjinup(b), Wilga, McAlinden and North Boyup Brook. Works are scheduled to be completed by mid August, weather permitting, with stage 1 and stage 4 following. All urgent works will be completed first.

**Boyup Brook Community Gym**

As the temperature drops and winter sets in, bring your workout inside. We have all types of equipment in our gym to keep you moving and motivated throughout the colder months.

Membership forms available at the Shire Administration Office.

## STORM PROOF YOUR ROOF

- Trim branches to prevent them falling on your roof or car.
- Remove unused aerials and satellite dishes.
- Check and replace cracked, damaged or loose tiles.
- Clear gutters and downpipes of leaves and blockages.
- Have tarps and ropes on hand if needed.

For more storm safety information visit: [dfes.wa.gov.au/storm](https://dfes.wa.gov.au/storm)

### Preparing for a Storm

While the dangers of a storm can't be prevented, you can prepare and reduce the amount of damage a storm can cause. Most damage is caused by flying objects, fallen trees and flooding from blocked gutters.

As storms can happen at any time and sometimes without much notice, it is best to prepare and maintain your property throughout the year.

For a storm plan template, please refer to the Storm Smart brochure <https://publications.dfes.wa.gov.au/publications/storm-smart-brochure>

### Have you got your tip pass?

The Boyup Brook Transfer Station does not have EFTPOS facilities and are currently phasing out cash. Please ensure you have your tip pass with you when going to the Transfer Station. These are available from the Shire Administration Office.

- 20 pass \$47.00
- 10 pass \$29.00
- 5 pass \$21.50

One notch

= 1 wheelie bin or equivalent

Pricing reflects the 2022 / 2023 Fees and Charges. Please check the Shire website for up to date pricing.

# POLICE NEWS

## BOYUP BROOK POLICE

The rumours are true, I am leaving Boyup Brook to return to Perth. By the time this edition is circulated I would have started in my new position at Special Crime Squad - Serious Crime and Family Violence.

The question I have been asked more than any during my time in Boyup Brook is why we have to leave.

The WA Police Force have a tenure policy of which the intent is to provide development opportunities for others. As an Officer in Charge (OIC) at any police station, the tenure is for a minimum of two years and a maximum of four. This ensures there is continual movement in these positions to allow others that experience.

The constable positions (Sarah and Drummo) on the other hand do not have a maximum tenure. This is common in regional WA (RWA) with positions that have a constant attrition that already provide regular opportunities.

When we move to another position, it is like every other job in that we would have submitted an application and undergone an interview process. It can be quite involved but having done this every couple of years for the past 24 years, you get used to it.

Knowing the shelf life of the position I'm in encourages me to start thinking of what I want to do next well before the two-year mark. This could mean anything from moving around the state or trying something completely different. This is how I came to being an OIC in RWA.

Timing is everything in this job and with this opportunity presenting, along with family in Perth, the timing to leave is right.

My time in Boyup Brook has been enjoyable. The town is a hidden treasure with enormous potential. Some of you may know my wife, Danni, who has worked at the Boyup Brook Medical Centre and primary school. She has also been very involved as a volunteer ambulance officer with St John Ambulance. We have both found our place in the community to be very friendly and accepting.

It is always hard to leave a place where we have formed friendships however, we have every intention of returning regularly so Danni can continue her SJA involvement, and I can play golf.

On the subject of golf, you may recall in the last edition of the Gazette, Constable 'Drummo' Drummond had a drive-by-dig at my wayward golfing. As crap as I am, the head to head games between Drummo and I are; Sergeant three - Constable zero. That's right, anything he says about my golf, he is worse.

Thank you to everyone for making Danni and I feel welcomed in the community for the past two years and I look forward to returning and catching up with some of you soon, this time in a purely social setting.

For the time being, I'll leave you in the capable hands of Sarah who will be Acting OIC until my replacement commences.

Thank you and best wishes.

## Dinninup Show Happenings!

Many things are happening in preparation for this year's Dinninup Show, which is only four months away! Some of these include:

- A new horse gate entrance is being constructed for the easy access of floats to this ground, thanks to Les Elliott, Darren Guazzelli and Neil Titchmarsh.
- New entertainment options to keep the kids busy and increase the enjoyment of show day are being investigated and we look forward to announcing these soon.
- Retaining walls and safety ramp to the ablution block are being planned and will be installed by Show Day.

The Committee would like to sincerely thank Rob Jones who has generously donated his time and equipment to clean building gutters on the show grounds, it was very much appreciated. We would also thank the Shire who cleaned the gutters on the Halls.

We would like to welcome Helen Elliott into the role of Membership Co-ordinator, who is a wonderful addition to our committee. Membership was due at the end of June, a big thank you to all those that have paid their membership. All the fees assist with the maintenance and running of our wonderful show.

### Upper Blackwood Agricultural Show

SHOWING THE BEST OF BOYUP BROOK

The lucky winners of the two prizes which were kindly donated by Quality Apartments Banksia Albany and Boyup Brook Agricultural Supplies will be announced in next month's Gazette.

It is with great sadness that we heard of the passing of Anthony Moulton. Anthony helped to manage the sound system for the Show for many years. He will be missed. His quiet endeavours, like lighting the fire in the hall prior to the meetings was very much appreciated. We would like to express our condolences to his family.

If you would like to volunteer time to our Show, please contact Lyn Chambers 0427 673 069 or lyn@waulbs.com

## Women in Farming Seminar

Women in Farming are hosting *A Woolly Christmas in July* seminar, followed by lunch on Friday, July 28.

Join them from 10:30am for a Wool Seminar including a shearing shed tour and guest speakers from the wool and shearing industry.

A delicious lunch and refreshments will follow, \$25 per person. Dress in your warmest woollies.

RSVP to Hayley on 0427 531 347 by July 14. Call for any queries.

*it's here...*

# Community Care for Boyup Brook

**Get support to stay living in your home for longer**

- \* Are you over 65, or ATSI over 50?
- \* Do you need an Aged Care assessment?
- \* Do you have a Home Care Package?
- \* Would you like more value for money from your package?
- \* Would you like to employ people in your community?

Contact the CRC

**Get paid to support local community members**

- As an Independent Support Worker, you will have:
- \* Flexible hours
  - \* Work as much, or as little, as you like
  - \* Set your own rates
  - \* Help people in your community

Sign up with Mable today

**FREE**

- POLICE CHECKS
- TRAINING

For further information, please call 9765 1169 or email [crc@boyupbrook.org](mailto:crc@boyupbrook.org)

## Boyup Brook District High School

The end of Term 3 has crept upon us very quickly, and so many wonderful things have been happening at Boyup Brook District High School (BBDHS). This includes the Year 9/10 Careers Camp, the Road Safety event, Cross Country, Tomorrow Man / Woman visit for Year 9/10's, VET and ATAR information session from Manjimup Senior High School, a wonderful Year 5/6 assembly, as well as a lot of very important learning taking place.

### Welcome to New Families

We would like to welcome the new families that have joined the BBDHS community including Samantha (Yr 1), Cheston (K), Felicity (PP commencing term 3) and Ben (Yr 8 commencing term 3). We are thrilled that you have joined our team and we look forward to working with you in your child's education.

### Kindergarten Transition

We are very excited to start our Kindergarten Transition program in Semester 2. Enrolments for Kindergarten 2024 are now open, and enrolled Kindergarten students will be able to access the Kindergarten Transition program.

This will commence in week two of Term 3 and will take place in the Kindergarten classroom from 9-10.30am each Tuesday with Mrs Kate Beatty and the ECE team. Students will enjoy a range of age appropriate learning activities, including literacy and numeracy development through play, craft, storytelling and songs. If your child turns 4 years old by 30 June 2024, please enrol them now so we can commence them in our Kindergarten Transition program, or feel free to phone the school to book a tour.

### VEX Robotics

On Tuesday, June 20 four Year 6 students went to Manjimup Primary to represent BBDHS at the Warren Blackwood Schools' Network STEM Competition. After a fun and exciting day, our students came third out of ten schools.

In the weeks leading up to the competition, Flynn N, Grace C, Brooke W and Kacey C spent hours building two robots to take.

They chose to make two different Claw Bot robots to use in the various challenges. On the day, there were four different challenges: Squared Away, Cup Race, Pitching In and Rise Above. Our representatives were exceptional in every way.

They worked extremely well as a team, provided positive feedback and consistent encouragement to each other and at the end of the day, they assisted the staff to pack up while everyone else went off to play. They represented our school, and displayed our core values – Respect, Resilience and Striving for Success, beautifully.

### Teen Mental Health First Aid (TMHFA)

We are conducting TMHFA training with all Year 9 and 10 students, over the last three weeks of term, which gives teenagers the skills they need to recognise and help with mental health problems and crisis in their friends, and to get the help of an adult quickly.

Young people will often turn to each other when stressed or upset, and try to help each other, taking too much on. This course teaches them to try not to take on these problems alone.

These sessions include discussing mental health problems in general, and understanding how common and disabling these are in young people. Students will also learn about professionals who can help; helping a friend who is in crisis, whether because they are suicidal, engaging in non-suicidal self-injury, using alcohol or other drugs, or experiencing bullying or abuse; and how to help if someone seems to be developing a mental health problem. It's great to be able to equip the teenagers in our community with these very important skills.

### Quality Teaching Strategy (QTS)

The QTS is the central element of the Department of Education's school improvement architecture. It sits at the heart of our commitment to improving outcomes for students, strengthening the conditions needed for teaching quality, driving data and evidence-based improvements in teaching practice.

At BBDHS, we are implementing the Quality Teaching Strategy by unpacking the Teaching for Impact document as a staff, which outlines what effective teachers believe, what they know, and what they do to have high impact on student outcomes.

Additionally, we have been assessing the culture of our school through the School Culture Survey (completed by parents, staff and leaders). The valuable information collected via these surveys assist us to identify what conditions and aspects of our school's culture are needed for optimal quality teaching and will feed into our next Business Plan (2024-2026). Both of these supports assist us to develop, implement and sustain effective classroom practice, and build a culture of teaching excellence.

I would like to thank all of the parents that took the time to complete the survey and contribute to our school planning. It was great to see so many positive results and comments, as well as constructive feedback for targeted improvement. If parents or community members would like to provide any additional feedback, please feel free to email me at [melissa.reimers@education.wa.edu.au](mailto:melissa.reimers@education.wa.edu.au), or contact me on 9765 0000.

## NOW ACCEPTING K-6 ENROLMENTS FOR 2024!

St Mary's is a wonderful community of learners with exciting learning programs and facilities and an active, supportive Parents and Friends group. Some of the benefits of our school include:

Low school fees: \$300 per year which includes booklists and stationery, \$100 for Kindy.

Modern, spacious learning facilities and playground spaces.

Excellent teacher-student ratios.

Specialist education support program for literacy and numeracy.

School support chaplaincy worker (social worker).

School provided iPad for all students.

St Mary's

Facebook Page

## St Mary's Primary School

### Students receive First Eucharist

On Sunday, June 18 three Year 4 students received the Sacrament of the Eucharist for the first time. The First Eucharist, also known as First Holy Communion, is a special event in the Catholic Church where children receive the sacrament of the Eucharist for the first time.

Congratulations to Braxton, Oliver and Luke who received it surrounded by family and friends here at St Mary's Church.

### Learn and Grow Returns

Learn and Grow, designed for children aged 1 to 4, will return this term on Friday, July 28 from 8:45-10am. Join Mrs Cook for a morning filled with delightful sensory play, engaging games, enchanting rhymes, captivating songs, and enchanting stories.

While the little ones immerse themselves in joyful activities, parents can savour a cup of tea or coffee, mingle with fellow parents, and build a supportive community. Additionally, nutritious fruit will be provided for the children, ensuring a healthy and enjoyable experience for all. We look forward to welcoming you and your little ones to this free enriching and interactive program where young minds and hearts can thrive.

### Paint and Sip Night

Our vibrant Parents and Friends group (P&F) hosted an unforgettable evening on June 16, for our parents called 'Paint and Sip'. It was an occasion filled with laughter, creativity, and a sense of community. As parents sipped on wine and tapped into their artistic sides, they had the pleasure of being guided by the talented Mrs Carolyn Harvey, our former teacher and skilled artist. Together, they unleashed their creativity onto canvases, creating beautiful works of art and cherished memories.

### Sharing Memories on Lost Boyup

LOST Boyup Brook is a Facebook page engaging current and former residents by sharing memories of days gone by and we welcome your contributions of photos, newspaper articles, or stories.

Email them to [boyupbrook@crc.net.au](mailto:boyupbrook@crc.net.au) or post to the BBCRC, 86 Abel St, Boyup Brook WA 6244.

We extend our heartfelt gratitude to everyone who organised and participated in this delightful event, as your involvement and enthusiasm made the evening truly exceptional. Thank you for your ongoing support and dedication to our school community.

### Winter Sports Lightning Carnival

The Lightning Carnival in June was a remarkable event where the spirit of St Mary's shone brightly. Our school proudly entered three teams, representing us in football, soccer, and netball, as they competed against other local schools. It was truly inspiring to witness our students embodying our school values, displaying remarkable teamwork, and playing with great pride. Their dedication and efforts were commendable, and we extend our heartfelt congratulations to each and every student who participated.

We would also like to express our gratitude to the coaches, Mr Beadle (football), Mrs Welch (netball), and Mr Kelly (soccer), for their guidance and support throughout the carnival and in the weeks leading to it.

Thanks also goes to Mr Tweedie, our dedicated sports teacher and the organiser of the event, as well as all the staff members who lent their assistance on the day. Your contributions played a vital role in making the Lightning Carnival a memorable and successful event for our school.

### Year 3/4 Assembly

The year 3/4 class assembly held on Thursday, June 22 was an absolute delight for all in attendance. The students captivated the audience with their infectious love for Roald Dahl, as they performed an hilarious skit and dance that had everyone in stitches. With great enthusiasm and talent, they re-enacted "The Twits" a story they had read together.

This remarkable performance was a testament to the dedication and guidance of their brilliant teacher Mrs Cailes, who directed the assembly with finesse and allowed the students to shine brightly. It was a truly memorable experience that left us all with smiles on our faces and a renewed appreciation for the joy of storytelling.

### Kindy 2024 Enrolments Now Open

We are thrilled to announce that enrolments for Kindy 2024 are now open at our esteemed school. We offer a special discounted rate of only \$100 for Kindergarten fees, and an incredibly affordable rate of \$300 for fees spanning from Pre-Primary to Year 6, which includes text books and stationery.

Our school prides itself on its modern, vibrant atmosphere and exceptional facilities. We prioritise the well-being and growth of our students, providing robust support programs and maintaining excellent teacher-student ratios. Our playground environments are designed to foster exploration and creativity, ensuring a stimulating experience for every child.

We invite prospective parents to visit our school for a personalised tour or contact us for more information. Discover a place where your child can flourish, learn, and thrive in a safe and caring environment.

## 10 Year Anniversary

In 2011, Chris was approached by the Boyup Brook Co-Op to manage the local tyre service. All these years on, we can all say it was the best decision, not only for the business, but for himself and his family. In 2013 the business was going well and with his wife, Peta working alongside him, they decided to buy the business on the 1<sup>st</sup> July 2013.

This month marks 10 years since Chris and Peta's purchase of Boyup Brook Tyre Service. Over these 10 years the business has prospered and grown! Chris, Peta, and their staff

have put endless hours of work into getting the business to where it is today. Over the years they have employed several staff either, full-time, part-time or casual. They have had two young staff members complete traineeships, namely Certificate III in Business Administration and Certificate II in Automotive Tyre Servicing Technology. Not only has the business been a

success, offering a large range of services, such as tyres, wheel alignments, batteries, exhaust work, oils and fuel, but has also

become a huge part of the community. Customers are always greeted with a smile and the best service, to ensure that their needs are met. The Tyre Service sponsors many sporting clubs and events in town, as well as the local schools.

Watching Peta and Chris (Mum and Dad) over the years and being a part of the business myself with my sister Sally makes us so proud. We are a true family business, and we will forever admire the wonderful work that our parents have done at Boyup Brook Tyre Service, and their involvement and support for our community.

**Congratulations** Chris and Peta on your continuous hard work for the last 10 years!  
Penny & Sally Meredith

**Message from Chris & Peta.** We would like to extend a huge thank you to the Boyup Brook Co-Operative, Boyup Brook citizens and the wider community for your ongoing support.

## CoMHAT Update

### Mountain Bike Developments

Boyup Brook CoMHAT are currently in negotiations with the Boyup Brook Shire to determine a suitable location for a local Mountain Bike park. Consideration will be given to maximise opportunities for tourism, local businesses and local engagement and usage.

CoMHAT has liaised with an expert in mountain bike track development and will be running various mountain bike sessions soon, including a maintenance and upkeep session using our brand new mountain bikes. We will also engage the community in consultation once important discussions with Shire have occurred. Keep an eye on this space for more information as it develops.

### National Road Safety Week

As a part of National Road Safety Awareness Week, CoMHAT recently partnered with the Boyup Brook Shire and Boyup Brook District High School to hold a 'How Safe is My Ride Event' using our brand new mountain bikes. Pictured below.

Students learnt how to safely put on a helmet, practised emergency braking and participated in a road safety course challenge. It was a fantastic community event and one we were proud to support.

### New Community Wellbeing Plan

CoMHAT are currently in the process of developing our new Community Wellbeing Plan for 2024-2026. The Community Action Team, made of community stakeholders, recently met and identified priority issues to be included in the new plan. CoMHAT have also recently developed a community survey to determine key issues and priorities for improvement with regard to mental health, alcohol and other drugs, and belonging and connection.

You can have your say and access this community survey via the CoMHAT Facebook and Instagram page, via email by messaging [secretary@comhat.com.au](mailto:secretary@comhat.com.au) and paper copies are available at the Boyup Brook Shire, CRC, Treehouse, Post Office and IGA. Prizes are up for grabs for completed surveys.

### Youth Zone Session

Youth Zone currently have two sessions per week from 3:30-5pm at the new dongar located at the recreation grounds.

Monday: Ages 5-6

Tuesday: Year 7+

## Art n Craft Group

On Friday, June 9 a lively group of Craft Hut club members were joined by community members to celebrate *Knit in Public Day* at the Boyup Brook CRC.

After starting in the library, we spread out into and around the foyer. We shared stories, untangled yarns, saw a garment being deconstructed, knitted and crocheted the day away. It was agreed we had a very happy day.

A huge thank you to the CRC for helping this day happen. We had a lovely warm space to be in and access to tea, coffee, biscuits and books. Jess, the Trainee Library Officer, set up a display of knitting and crochet books from the library that were well looked over. We just hope our chatter wasn't too noisy!

**Above:** Knitters spread into the Boyup Brook CRC Foyer to celebrate *Knit in Public Day* in June.

With great efforts from Ziggy, the pottery shed is now cleaned up and sorted. Ziggy, an experienced potter, has offered to run a weekly Pottery Day, beginning on Monday, July 10. The day will run every Monday from 10am onwards.

The Craft Hut facilities will be open throughout the day, with tea, coffee and amenities available for participants. There will be a daily cost of \$3 per person. Materials and firing costs will be met individually as required.

Please contact Ziggy on 0413 554 167 for further details of the pottery sessions and to register your interest. It will be fantastic to see more use of the great community facility we have in the Arts and Craft Club.

Our Art and Craft Hut is currently used Tuesday after the morning SEA (Seniors Exercise) session from about midday to 4pm as a general sewing day. We bring our sewing machines to do our own projects that need working on.

Thursday is our general craft day, with lots of socialising and very lovely morning teas. Every other Wednesday a Patchwork group meets for the day. Contact Jenni Mackie for any other queries on 0428 631 060.

### Gazette Subscriptions

Do you know someone who would like to receive the Gazette in the post each month, but is not covered by the Boyup Brook postal service? For only \$28, a copy of the Gazette can be posted to an address each month. Contact the CRC on 9765 1169.

## Bunbury to Manjimup & In-between

**Nannup Tues - Sat am   Pemberton Mon - Sat am   Northcliffe Mon - Fri am   Greenbushes Talison Mine Site Tues - Sat am**

Please call **9771 1928** for all bookings & info

## Tonebridge News

The Big Morning Tea to raise funds for the WA Cancer Council was a fantastic effort from our small community with \$1,057 raised in total.

A huge thank you to Vikki and Nicole and all who helped with promotion, cleaning, set up, food donations on the day, serving and all who participated and came along to make it a success.

Thanks to Lee-Anne Dove for the donation of lovely fresh vegetables for our raffle. Darren King took out the first prize, with second prize going to Beris Shepherdson.

We received many compliments about the delicious food, the lovely lay out in the club and tranquillity of our location. It was great to see Les, Bob and Darren in amongst the guests.

Regarding the last plaque, it was further east along the Cranbrook Road and turned north, was on the property that once belonged to the Turnball family. They had English friends that camped there in our Australian bush and really loved the area. Clare died in 1977 and husband Bob Dawson in 1979 and their ashes "Rest with nature still."

A couple of winter casserole teas have been held; the pool table has recently been set up and levelled for use again. Blake likes a challenge.

Our next event is Ladies Night on Friday, July 7 from 6pm.

## Narrogin Probus Visit

Recently, seventeen members of the Probus Club of Narrogin arrived for a three-day visit to Bridgetown, Greenbushes, Balingup and Boyup Brook.

Joining with our local Members, the group enjoyed a Talison Lithium Mine tour, visits to the Greenbushes Discovery Centre, Bridgetown Visitor Centre including the Jigsaw Gallery and the Old Police Gaol. Local hospitality included visits to The Cidery, The Mushroom Cafe (Balingup) and dinner at the Bridgetown Hotel.

Team Leader of Narrogin Probus Travel Club, Coral Mahony said, "Our group was accommodated at three locations - Ford House, Bridgetown Valley Lodge and Elysian Bridgetown - and all were most satisfactory. Bridgetown Probians joined us for the Talison Lithium Mine tour and visiting the Greenbushes Discovery Centre. Thank you to Matt Rowett - Talison Lithium's, Manager of Mining who gave us a marvellous insight into the massive operation."

"We enjoyed shopping in Bridgetown, sightseeing in the Valley including Maranup Ford, Donnelly River village and the Jarrah Reserve. Our final day included tours of the Bridgetown Old Police Gaol and the Jigsaw Gallery. Our final evening dinner was at the Bridgetown Hotel and we were joined by four Bridgetown Probians who joined in the fun and games! We all got on so well and hope we will receive a visit from the Bridgetown Club next year."

Probus is Fun and Friendship in Retirement. New members are very welcome - contact Stephen Blackman 0400 403 778.

## WHAT'S HAPPENING AT YOUR CRC

Welcome to your new look CRC newsletter!

June has come and gone in a flash with plenty of action at the CRC including room bookings and meetings, new families joining us on the library mat for 'Stories, Rhymes & Fun Times', a lovely morning of knitting in the foyer, many IT support sessions, updates to the library and a Forklift Course and Ballet Night to round out the month, as well as the Community Care project starting!

Looking forward, the CRC invites you to make a pledge this **Plastic Free July**, for an item of single-use plastic you are avoiding for the month (and beyond!). Drop in to the centre and place it on our pledge board, or tag us into your social media posts. The IGA are also providing an opportunity for customers to purchase plastic-free fresh produce.

**Voice to Parliament** - the CRC has information and resources available for you to make an informed decision come the vote. There will also be a free online update on July 25 presented by Reconciliation WA.

## RENEW, OR SIGN UP FOR MEMBERSHIP

The CRC is proud to have been providing services to our community for the past 28 years. To assist us to continue what we do, we invite you to sign up as a member for 2023-24.

There are many benefits of being a CRC member, which are outlined in the membership package, available on our website, or by calling in to chat to our staff. You will also be part of a community owned and managed organisation, driven to meet the needs of our community.

There are five categories of membership on offer:

- Individual, Concession, Family, Community Group and Business.

For details, visit [www.boyupbrook.crc.net.au/membership](http://www.boyupbrook.crc.net.au/membership)

## LIBRARY CORNER

### \* IMPORTANT NOTICE \* **Inter-Library Loans (ILLS) and Freight Services**

From July 1 2023, the State Library is no longer able to support a freight contract for the widescale delivery of inter-library loans across WA.

#### What does this mean for you?

- Availability of some printed materials will take longer than usual. Have you considered receiving the item electronically through eResources?
- It may take longer to deliver your request ("hold") to you.
- The number of requests ("holds") you can ask for will reduce.
- The number of libraries in the Consortium where you can place a "hold" will reduce until a freight solution is found.
- Inter-library loans (ILLS) i.e. items borrowed from libraries outside the One Library Consortium will remain available but will be offered in electronic formats in the first instance. We understand this may not suit everyone and ask customers to please contact us at the library for more information and assistance.
- Ask us if we would consider purchasing the item for our library collection.

We are committed to keeping you informed every step of the way.  
Thank you for your understanding.

The Boyup Brook CRC is appreciative of its

### THURSDAYS

#### Stories, Rhymes & Fun Times

Families with children 0-5 10-11am @ CRC

Join us to read a story, sing a song, learn a rhyme and have a really fun time!

You can join us via ZOOM (please register by 9:30am of the morning for the link)

★ **WIN WITH STARTECT!** ★

Purchase 2 x Startect 15L in one transaction during July and August for an entry into the draw to **WIN an Engel MR40 38L Fridge!** **PLUS** receive a Startect drench gun and Cargo Net while stocks last!

Offer available until 31st August 2023

**PLANT TISSUE SAMPLING**

We now offer diagnostic and routine monitoring plant tissue analysis for your crops or pastures. Please come and speak to Brett for information on collecting samples.

**TIME FOR TRACE ELEMENTS?**

- Zinc ✓
- Copper ✓
- Manganese ✓

**EZYFLW NANO**

Come in and speak to us about all your nutrient requirements.

**Lamb Marking**

Lambing season is here!

We have everything you need...

- ✦ Vaccines
- ✦ Marking Rings
- ✦ Ear Tags
- ✦ Vaccinators & Applicators
- ✦ Disinfectant
- ✦ Elastrators
- ✦ Tri-Solfen Pain Relief
- ✦ Lamb Detailers
- ✦ Mulesing Shears
- ✦ Harvestaire Cradles & Spare Parts

**\*\* PLEASE NOTE \*\***

The current rebate on 2023 Sky Blue EID tags for sheep has been extended until 31st December 2023.

Please speak to Fleur or Bobby if you would like further details on what is available.

**Winter Warmers**

Stay warm this winter with a WA made Jarrahdale fireplace!

Available to order in a range of designs and sizes, come and see Kurt to order today!

**“PROUDLY MEMBER OWNED”**

## CWA Update

How good has the rainfall been this month? It's so good to see the pastures green up, paddocks full of lambs, and crops starting to take off. Let's hope the season finishes well for everyone!

As we are all busy women, and with this time often hectic during the end of financial year, we made the call to have a social and informal meeting this month. We shared a lovely spread of party food and birthday cake to celebrate the milestone thirtieth birthday of our dedicated and much-loved President Bianca. We also utilised the time to recap our first half of the year, and to get planning for the second half of 2023.

In July, we will be holding what we hope to be an annual 'CWA Winter Wood Raffle', where tickets could win you a fully loaded 8x5 trailer of dry wood, kindly donated by Dave Jenkins. Tickets are \$10 each and will be available to purchase from outside the Boyup IGA, the Boyup Brook Club, and the Boyup Footy oval on Saturday, July 1.

CWA members will have the trailer on display at the footy that day, and the winner will be drawn at half time. You have to be in it to win it, so make sure you find us on the day and grab yourself a ticket or two! It should be a fabulous day at the footy, with the women's 'Frock and Fur Day' event being held. There will be a special heated marquee, VIP area for the ladies, food and drinks, games, prizes and music. Tickets are on sale for \$80 and can be purchased online.

Our next CWA meeting is during the school holidays on Wednesday, July 12 at 2:30pm at the Boyup Brook Early Learning Centre. We invite all women to join us on the day to participate in one of our regular meetings, with the outside playground available for the kids to use if they are home with you for the holidays. If you have older kids, don't forget the library is next door at the CRC which is a safe and cosy place for kids to chill out while we meet. We hope to see you there for afternoon tea and a chat!

Also in July, our members will be supporting the Women in Farming 'A Woolly Christmas in July' event on July 28, and we are looking forward to luncheoning with this fabulous group of local women. If you are interested in joining us, please contact Women in Farming for more information.

*Amy Dyer, Boyup Brook CWA Secretary*

## In Touch Farming

### Is Your Pasture Growing to its Potential?

Lancer (200g/kg Gibberellic Acid)

Gibberellic acid is a naturally occurring plant hormone that is used to lift plant growth during the cooler winter months, when growth slows to what is less than desirable.

By increasing the levels of gibberellins the plant contains, Lancer stimulates growth through the expansion of cells, which in turn increases dry matter yield for up to 3-4 weeks after application, if adequate moisture and nutrition are available. Dry matter increases of between 400-600kg can be achieved.

Advantages of applying Lancer:

- o Reduces supplement feeding
- o Better grazing rotation
- o Increased winter production
- o Compatible with Insecticide
- o Compatible with: 24D Amine 625; 24D Ester 680; MCPA/DFP; LI700; Wetter 1000; Flexi N

It works on most pasture, however Lancer works best on rye grass and Phalaris type pastures. Be selective with the pastures you apply Lancer to as you don't want to be promoting undesirable type pastures.

Things to keep in mind when contemplating spraying Lancer:

- o Works best when daytime temperatures are below 15°C.
- o Lancer needs to be absorbed by leaf, so heavy rain after application is undesirable (allow to dry on leaf).
- o Ensure there is adequate leaf area before application.
- o DO NOT apply to new pasture (pasture needs to be at least 1 year old).
- o Do not apply to rank overgrown pasture.
- o Graze pasture first, apply Lancer, then graze again in 3-4 weeks.
- o A prior nutrition plan essential.

Please come and have a chat with David, Alec, Greg or Ned at the shop so we can give you the best recommendation for your situation and plan the rates of application and best nutrition steps for a favourable outcome.

## Prevent a House Fire

West Australians are urged to not leave e-Rideables and other household items containing lithium-ion batteries charging overnight or when they are not at home due to their potential to overheat and cause devastating home fires.

Batteries can overheat when left on charge or when they are faulty. Once the battery explodes, it can end up metres from where it was charging, and a small fire can spread quickly engulfing an entire home in just minutes.

Fire investigators are seeing a rise in the number of fires caused by lithium-ion batteries where the home has either been significantly damaged or completely destroyed.

Here are a few things you can do to protect you and your home from a house fire:

- Check electrical items and cords for signs of wear and tear before using them. Don't use damaged or dented equipment.
- Never leave batteries charging when no one is home, or in unsupervised areas such as garages.
- Make sure when charging batteries they are placed on a hard surface, and are not left charging on bedding, couches, carpets or clothing.
- Don't leave batteries charging once they have reached 100% as they can overheat.

- Take care when purchasing batteries or devices online or second-hand. Replacement batteries and electrical cords should only be purchased from reputable companies.

Batteries are classed as hazardous waste and should never be placed in your kerbside bins. You can find your nearest battery recycling bin by contacting your local government or visiting [recycleright.wa.gov.au](http://recycleright.wa.gov.au).

For more information visit the DFES website [dfes.wa.gov.au](http://dfes.wa.gov.au) and search 'Preventing a fire in the home'.

Lower South West Region

## Garden Club

Due to inclement weather, our Garden Club visit planned for Hillview Garden Centre in Bridgetown had to be cancelled. Instead, a group of us met at Colleen Railton's home to enjoy coffee and delicious cake all cosy in front of the wood heater.

There will not be a Garden Club meet in July. We will meet again on the second Tuesday in August, details will be announced in the August Gazette.

Further enquiries call Colleen Railton 0413 827 900 or Helen Rice 0421 581 636 Follow on Facebook - Boyup Brook Garden Club.

# Cancer Council Update

## Dry July

Go alcohol free in Dry July and sign up to support Cancer Council . Ask family friends and workmates to sponsor you, with funds raised assisting those affected by cancer. It is free to join and there is no minimum fundraising fee. To find out more visit [www.dryjuly.com/cancercouncil](http://www.dryjuly.com/cancercouncil)

## Healthy Swaps When Eating Out

With the mid-year school holidays upon us and group outings being planned, why not try some tips by exploring our LiveLighter tips assisting us to make healthier choices and enjoy eating out?

Whether take-away, dine in, or delivery; restaurant meals are can often be high in sugar, saturated fat and salt. Food outlets often serve up more than meal sized portions and include high kilojoule drinks that are bad for our health. Tips to assist us all in making healthier choices and enjoying eating out can be found on the LiveLighter website: [livelighter.com.au/eating-well/healthy-eating/healthy-swaps-when-eating-out](http://livelighter.com.au/eating-well/healthy-eating/healthy-swaps-when-eating-out)

## Find Cancer Early

If you notice anything that is unusual, it is important to seek advice from a trusted health professional, such as your doctor, clinic nurse or Aboriginal health worker. Being aware of the early symptoms and taking action can save lives and prevent cancer from spreading to other parts of the body.

Often when people decide to make an appointment, lots of questions and concerns pass through their mind. Remember - health professionals are there to help you. Don't be embarrassed to let them know about any unusual changes. There is NO reason to put things off. You know your body better than anyone else. It may not be cancer – often turning out to be something less serious. The earlier cancer is found the greater the chance of successful treatment.

For more information including responses to commonly asked questions, visit [www.findcancerearly.com.au/find-it-early/tell-doctor-aboriginal-health-worker](http://www.findcancerearly.com.au/find-it-early/tell-doctor-aboriginal-health-worker)

## Eulogy: Len Halstrom

Former Boyup Brook school teacher Len Halstrom, passed away in June 2023. The following words were taken from the eulogy written by his son Doug Halstrom and read at his funeral.

Len arrived in Bentley in 1938. His parents, Jack and Maisie, and his sisters Dawn and Maxine were the first to encounter this force of nature. Len got straight to work and made himself useful.

He began exploring Bentley, Cannington and Victoria Park with his friends. His busy life included football, boxing, mandolin lessons, dancing lessons and tram rides into town and back.

Some of these activities were quite short-lived. One day coming home from dancing lessons on the tram, Len thought he would leap gracefully and land at a stylish run, as done by the older boys. Len hit the deck and skidded to a stop on his hands, knees and face. When he got home his father saw the state of him and asserted, "Maisie! No more dancing lessons!"

When Len and his mates were about 13, they approached a horse grazing in a local paddock. Len's mate convinced him to have a ride. Just as Len clambered up, one of his so-called mates slapped the horse on the rump. The response was immediate. Len always maintained he developed a life-long horse allergy from that exposure.

Len then ran headlong into something new at Kent Street High School in 1954 – Alice.

Len loved everything about Alice and they made plans. Long story short, they managed to present themselves, newly-wed, smartly dressed and ready to start teaching at Boyup Brook District High School in 1959.

Early hardships included Len transporting a wardrobe he built from the high school across town to their first rented house - on his back. With his head inside the wardrobe he was guided through Boyup's winding streets by Alice's gentle direction. Difficulties such as these were soon forgotten with the arrival, not long after, of a brand-new, bouncing ... second-hand, green FJ ute.

Len loved everything about Boyup. Alice's mother, a Boyup local, said Len was a country boy, born in the city, who couldn't wait to get back to the country. He got to work teaching, gardening, growing sheep, making friends and building their own house to Alice's exacting specifications.

My sister Cathy and I turned up in the early 60s. We got front-row seats to observe and marvel at Len's ceaseless energy. He always knew what had to be done next before the current task was complete, but he was never too busy to stop and help anyone with anything.

# Eulogy: Len Halstrom

*continued*

I clearly remember, more than once, waiting in the car while Dad organised help for some stranded motorist – usually around Donnybrook for some unknown reason.

Around 1965, Len was asked by the Education Department to help set up a Manual Arts school in the Northern Territory at Bamyili Community in Central Arnhem Land. Len accepted gladly on the condition that he and Alice could then stay in Boyup permanently. His proposal was accepted. After two years in Bamyili we returned to Boyup to stay.

If you wanted to learn about Len, you only had to watch him work. If you ever had the good fortune to find yourself in his Manual Arts room it became obvious. Len loved teaching. Every last thing in that room was precisely as and where it should have been.

I still think of Len whenever I smell a sharpening stone or linseed and kerosene - the smells of maintenance and careful preparation. Len taught generations of Boyup children. Many, I directly observed, got a distinct spring in their stride as they hurried across the quadrangle to their next class – Double Woodwork, recess to lunch!

Len made life-long friends in Boyup. Until quite recently he could often be seen with one or more good mates going about their business. Alf, Kevin, John, Eric and Tom, Terry, Trevor, Murray, Bob, Bob, Bronc, Mike, Peter and Wayne. They all gave Len what he needed most – connection.

Len’s ex-students were also a rich source of community for him. They showed devotion to him that was awe-inspiring. Tim tirelessly and lovingly visited Len during his last years and that will never be forgotten.

Len had a strong sense of community service. He was always available to lend a hand. In summer the ute carried a fire unit ready to go. He highly valued and contributed to the Boyup Volunteer Ambulance Service. Cathy remembers when Len was on-call for ambulance duty he wouldn’t leave home and everyone had to stay off the phone. During these confinements, the garden would be mowed, pruned and raked to within an inch of its life.

Around 1990 Len stopped teaching - but he didn’t stop. He spent his time energetically tending to the needs of others. He always had something to attend to but was always instantly available to lend a hand even 300 miles from Boyup. I was always secure in the knowledge, even as an adult, that Dad would know how to solve any problem. I never heard even once, any form of complaint or annoyance from Dad about any problem – just the solution.

Len loved his family dearly. Cathy and I always had his total love, support and encouragement in everything we did. He instantly embraced new-comers Ken and Sheryl. Len’s grandchildren Sam, Jennifer, Alison, Jack and Ben all got special attention from Granddad. They each carry their own precious memories of Granddad and his farm.

In later years, Len could often be found on a patch of land behind the airstrip on the Mayanup Road poetically referred to as ‘The Block’. You would think Len might enjoy the scenery and think about life’s mysteries. And, so he did - with the assistance of a post-hole shovel, chainsaw, saw-mill, tractor and timber sheds - often returning home well after dark, covered from head to toe in jarrah dust, bush smoke or both.

Len’s favourite bit of the world was Boyup Brook and his favourite bit of Boyup Brook was ‘The Block’. Hence the well-worn exchange, “Where’s Len? Out ‘The Block.’”

Len began to fade from us three years ago. He died peacefully, surrounded by loved ones.

If you saw Len from a distance you might think he was a little man – but you’d be wrong. He left this world a far richer place.

## Pentagon Arithmagon

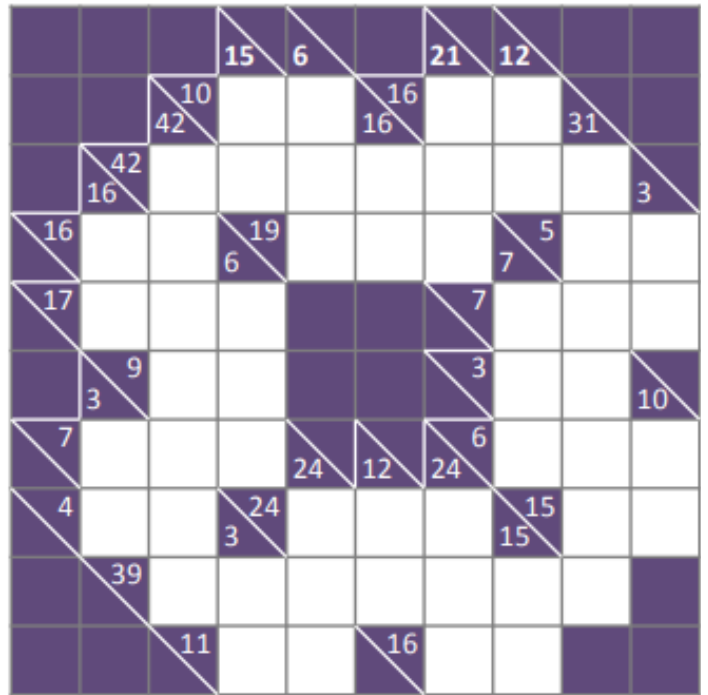

The aim of an arithmagon is to work out which numbers go in the empty circles. The numbers in the square boxes are made by adding together the numbers in the circles either side. For example, if the number in the square box was 10 you could try 6 and 4, but the numbers must also add up on the other edges, making this more difficult than it first appears.

<https://freeprintablepuzzles.co.uk/arithmagons/pentagon/>

## Kakuro - Hard

Just like in Sudoku, fill in the grid with the digits from 1 to 9. Each group of digits must add up to the number that is just to the left or above it. No group can repeat the same digit twice.

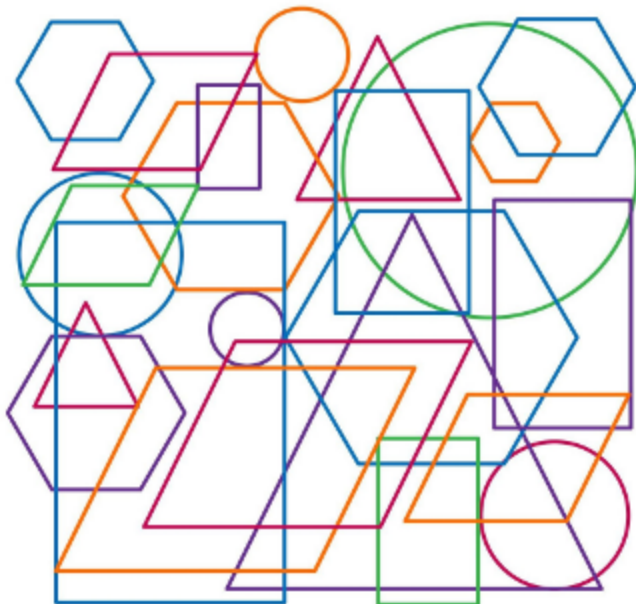

<https://www.puzzles-to-print.com/number-puzzles/PDFs/hard-kakuro.pdf>

## How Many Shapes?

How many of the shapes shown above can you find in the image below?

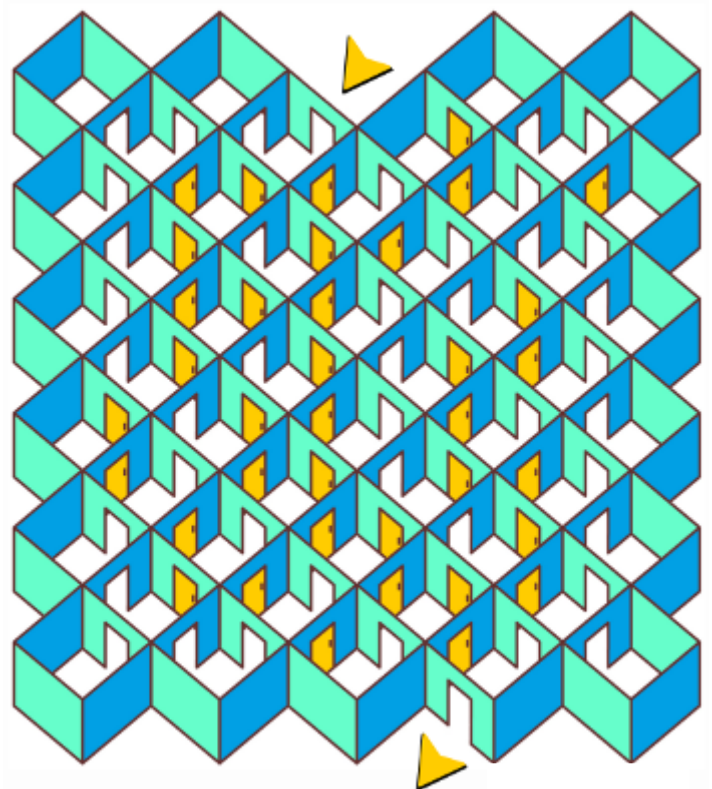

Answers: Rectangles: 5, Rhombus: 5, Hexagon: 5, Triangle: 6, Circle: 3

<https://seasonedtimes.com/wp-content/uploads/2022/07/PPHowMany722.pdf>

## Magic Key

## Book Review

Australian Geographic - Our Country  
Written by: Quentin Chester

This beautiful coffee table book is an amazing pictorial journey through our beautiful country Australia.

If you are wanting to plan a trip and not miss spectacular places along the way, then this is a good book to study, enjoy and include in your planning.

Alternatively if you are unable to travel, why miss out on the beauty our country has to share. The pictures are breathtaking; some seem three dimensional like you are actually there.

Short descriptions are given, however, visual delight is its focus.

The book is broken into five chapters:

- A Land of Contrasts
- Solid Rock, Sacred Ground
- Water, Giver of Life
- Kind of Plants
- Land of Sweeping Plains

'Our Country' and many other books like it are in the reference section of our wonderful library, situated at the Community Resource Centre.

A good book will certainly help the winter blues, please come and enjoy.

By Sandy Orrman

## Poem: Hollered Out

Tother day outside the Co-op  
I met Stan, me trusty mate  
We hadn't seen each other  
For a month or two of late

G'd day he says how are y'  
I'm all right, I says, I think  
But I jist never know  
If me boat's about to sink

I might be lookin pretty good  
Fer a man of my great age  
But I never can be sure  
If I'm gunna turn the page

I suppose I may look solid  
If yer see me from outside  
But what's them little germs  
Doin to me down inside

I was out across the paddock  
Only jist the other day  
I went to sit down on a log  
Jist to have a little stay

A big strong lookin log it was  
Sound and solid where it lay  
But when I sat me bum down  
It jist crumbled all away

It was eaten out with ants  
Jist nuthin solid left at all  
So may be now at my age  
I'm jist like a holler ball

But Stan says cheer up mate  
I reckon I could bet on y'  
Y' can last a few more years  
So long as no one sits on y'

*(The affair with the log was real)*

By G.C.

# Adam Jenkins TREE SERVICES

Mobile: 0447 792 200 • [adamjenkintreeservices.com.au](http://adamjenkintreeservices.com.au)

Highly Qualified • Fully Insured

**Adam is a qualified arborist and is experienced in**

- Felling
- Climbing
- Removal of trees in confined spaces
- Decorative pruning
- Lowering and rigging around houses and infrastructure
- Stump Grinding

We can now offer you more options for dealing with the debris of the job including Mulching/ Chipping. Heaping it all into a burn pile, Carving it away. Cutting your logs for firewood, Having your logs milled for timber with our portable sawmill (Lucas Mill) or if you prefer we can leave the debris in movable sections for you to deal with at your own leisure.

**Bandit Wood Chipper on tracks**  
Having a Chipper on tracks allows us to get to areas that a wheeled chipper can't, so no matter where your job is or how tricky the terrain, we can get in and get it done.

**18 Meter Track Spider Lifts**  
These machines can go anywhere from an open paddock to a narrow side path. They are not just for cutting or pruning trees, they can be used for cleaning gutters and reaching inaccessible sites.

**Tipper Truck & Skid Steer**  
For removal of debris, tidying up blocks, heaping debris into burn piles and clearing and managing regrowth.

**Cat 308E Excavator**  
Our new Excavator is very versatile and allows us to get the job done with more efficiency than ever before. We can dig out your stumps with it or use it to simply speed up the rest of the job. The rubber tracks allow us to go anywhere with minimal damage to surfaces.

**Red Roo Stump Grinder**  
This stump grinder will chew through any stump with ease and leave you with a tidy and level surface.

Visitor Centre Opening Hours: Monday - Friday 10am to 2pm,

Saturday 10am to 2pm, and Sunday 9am to 12 noon

Boyup Brook Tourism Association Inc proudly sponsored by Shire of Boyup Brook

## Treat Yourself at the Boyup Brook Visitor Centre

Come and visit our beautiful Visitor Centre, located in the heart of town. Make sure you take a moment to admire the old stone building, and if you're a local, reminisce on all the memories you've made over the years in this historic local building. Our range of products for sale is always changing, so why not pop in and spoil yourself with one of our unique products, handcrafted wares and local produce. The Little Art Gallery also has a delightfully eclectic collection of original artworks by local artists.

## Visitor Centre Shop

Are you feeling the chill this winter? We have a variety of local handmade knits to keep you warm and cosy this season. Come browse our range of soft beanies, stylish scarves and hand warmers.

## Little Art Gallery

Calling all art lovers! Our Visitor Centre is proud to showcase our "Little Art Gallery", featuring a range of stunning pieces from talented local artists. From breathtaking acrylic paintings to intricate Lino cut prints and 3D art pieces, our collection has something for everyone. There are unique and beautiful pieces some of which are inspired from the local flora and fauna that capture the essence of our region. Come and explore our gallery and discover the beauty of Boyup Brook through the eyes of our talented artists.

## Explore the Quirkiest of Collections

Even if you're an old time local who has seen it all, why not take the opportunity on a rainy day to see a few of our awesome collections again. Head to the Visitor Centre to see the beautiful Carnaby Jewel Beetle and Butterfly Collection.

Keith Carnaby was a leading light in the study of jewel beetles, and this portion of his collection will take your breath away! The Visitor Centre also showcases the impressive Kradals Doll Collection and The Ivan Carnaby Bird Egg Collection.

Tea lovers should visit the quirky Quacking Frog Teapot Shed, boasting a collection of more than 5,000 teapots, and serving delicious morning and afternoon tea.

Finally, you haven't seen it all until you visit Mick's Pigs. Over 2,500 ornamental pigs is something you won't see anywhere outside of Boyup Brook, and definitely worth putting on your itinerary.

## Annual AGM

Our annual AGM will be held on Tuesday the 1st August 2023 located at the visitor centre. It will be followed by a morning tea and a special meeting to elect members for our sub committees.

To register your interest in attending please contact the Visitor Centre on 9765 1444, or email [bbvisitor@wn.com.au](mailto:bbvisitor@wn.com.au)

## Opening Hours

Just a friendly reminder that during the winter season, our Visitor Centre is open Monday to Saturday from 10am-2pm and Sunday 9am-12pm.

Please note we are mainly run by volunteers so occasionally may not be open during these advertised hours.

## St Saviour's Snippets

Hello Everyone, winter has really set in – cold and wet but the pastures are green again!

We often think we are doing poorly but... spare a prayer for all the countries in drought, for the families in India and Ethiopia who have lost family members simply through lack of food.

We are almost the reverse – too much food! – with obesity and diabetes becoming more rife. And even in Boyup Brook there are families struggling to put food on the table, to clothe their children and provide housing. I implore you to open your hearts and be generous in lots of ways to relieve the burdens these people suffer.

Which brings to mind, that the Prayer Tree in the church grounds is being re-dressed with prayers especially dedicated to the sufferings of people throughout the world: homelessness, starvation, violence, repression, and nature's inconsistencies. You are invited to visit the Tree to read the prayers and even add your own.

Everyone at Saviour's would like to pay tribute to Len Halstrom for his exemplary citizenship and his role as a teacher for so many of Boyup Brook's children. We have missed his cheery conversations and humour, following Len and Al's move to Bunbury. We extend our condolences and love to Al and family.

In a similar vein, we are saddened to learn of the passing of Anthony Moulton, a pioneering family member of the Mayanup area. All credit to Anthony; after being widowed early, he devoted his time to his four daughters and went about his farming activities without wishing to be a bother to anyone.

His dedication to the Upper Blackwood Agricultural Society, especially providing the PA system for so many years, is to be commended.

## Direction for Our Times

We continue our cycle of monthly messages for 2023 with the message for June 1, 2007 for our prayer groups and personal reflection.

Jesus

Heavenly consideration is the compass which ensures a true course for each apostle. In every situation, consider Heaven's goals for you and for those around you. The apostle who gives thoughtful consideration to Heaven's goals will be known for speaking less, rather than more. This apostle will make decisions in my company, always aware of my goals.

I would ask each apostle to practice this today. Move into your day gently, aware that I may wish to adjust your course several times. You expect one thing, perhaps. But I, Jesus, may need something else from you. You are committed to a certain plan, perhaps. But I, Jesus, may have chosen a different plan altogether. Only with thoughtful consideration will you be alert to my will in each situation.

Apostles, you have been prepared to serve in the manner that I require you to serve. You have been taught many things about holiness. If you are humble, you are aware that there are many things still to be learned about holiness. If you are humble, you may protest, saying, "Jesus, I am not ready. I must become holier still." I understand your weaknesses and struggle. I do not fear the limits of your humanity. I have factored your weaknesses into the plan I have for you. You should never be afraid that you lack the holiness to complete the mission I have willed for you. I will make you holy if you proceed according to my directions. You shall have all you need.

Please begin to use all that you have been taught. Begin to see others as I see others, in need of love and tolerance. You have been taught not to make judgments. Do not make judgments. You have been taught to spend time in silence. Spend time in silence. You have been taught to trust me. Trust in me now, today. You have been taught not to be afraid of the future. Do not fear the future.

Dear apostles, you have been taught to pray. Pray. Now, today, every day. Pray. Ask me for mercy for this world. Ask me for conversion graces for this world. Ask me for the Spirit of truth in such an abundance that all eyes will be opened to God's truth.

My beloved faithful apostles, I want you to use everything you have been given to serve me so that others may be saved. I am with you. I will direct you in each moment. You must be at peace so that others can learn about peace. You must be calm so that others can learn about calm. Do not underestimate the power of setting an example of heavenly consideration. It is this consideration in each apostle that will ultimately allow me to reclaim a multitude of souls for the Father.

## Be Still and Know..... God

Rebuilding relationships

Husbands, love your wives, as Christ loved the church.' Ephesians 5:25

Today about 50 per cent of all new marriages end in divorce. Sometimes the reasons are circumstantial, such as a redundancy or a home repossession. Other times it's relational, such as a betrayal of trust or an addiction to drugs and alcohol. If you're committed to rebuilding your marriage, you must learn how to reconnect and work to restore what you once had. To accomplish this, you must both be willing to enter into the process and commit for the long haul.

You must listen to each other. This requires time, patience, and focused attention. Too many couples give each other a monologue without leaving room for genuine dialogue. Couples counselling is effective as it forces both of you to slow down, interpret your spouse's language, understand their feelings, and discover their needs. When a marriage breaks down, couples are often so busy trying to get their own point across and win the fight that they don't listen for solutions and places of negotiation. Divorce would be less common if we would listen with open hearts rather than closed minds. Jesus pointed out that the law of Moses permitted divorce 'because of the hardness of your hearts' (Matthew 19:8 KJV).

This means their hearts would not melt to the level of understanding and place of negotiation for the relationship to work. Some couples find it simpler to write each other letters revealing their feelings as they relearn how to communicate at a deeper level. By putting your feelings down on paper before expressing them, you get to ask yourself, 'Is this how I really feel? Is this how I want to express my feelings? Am I saying too much? Or too little?' Unloading on your mate may be a catharsis for you, but what if it buries them? These are some of the questions you must ask in order to rebuild your marriage. And if you both pray and keep your hearts open, God will help you to do it.

## Roos News

### Seniors

The month of June was one of varied success for the senior grades. Round 7 was down in Pemberton with the Reserves recording their first win of the season against an undermanned side, that for some members of this club would have brought back memories of when we were doing it tough! The final score was 22.11 to 4.2.

The League side managed to claw away from some familiar faces amongst the opposition in the second half of the match to finish up 12.6 to 8.6 - a good day out for the club.

Round 8 was at home against Tigers and it was a day to celebrate our sponsors, with food and refreshments provided during the League game for those people and businesses in the community that give so generously. They were treated to seeing the Reserves gain another win 7.7 to 4.7. The League game was tight, a poor second quarter performance led to the Tigers just sneaking across the line 13.8 to 16.8.

In Round 9 we found ourselves back at Bridgetown for a second time this year, hoping for a redemption of our first round loss. Unfortunately this was not the case with Reserves going down 16.15 to 4.2. Again, the League side was up against a very strong Bridgetown opposition and struggled to make headway losing 25.12 to 4.3.

Special mention should be made to Bayley Marinoni and Chayce Whitton who have been selected for the Great Southern Colts carnival, a fantastic effort as it has been a while since Boyup has had any players in it.

Off the field, the Committee has been fortunate enough to receive funding through the Co-op Community Grant for a complete set of new tables, chairs and bar stools that will be a great way to start a refurbishment of our club rooms.

Again, thanks to everyone in the community for your support and we look forward to seeing you down at the club to support the mighty Roos!

Lachlan Chilwell,  
President

### Juniors

At the halfway mark of the season, things are travelling well for the Mighty Junior Roos. Last month saw some challenging and exciting football from all teams and some challenging weather to be negotiated also.

Last month also saw players nominated for the Lower South West Junior Football Association Development Squad.

Congratulations to those who received a nomination and best of luck for the carnival in Busselton which will be play in the middle weekend of the July School Holidays.

- Year 7: Max Thompson Owen Lee Steere  
Devon Larkworthy Darke

## On the Greens

A busy month ahead for the Boyup Brook Golf Club with plenty of fun, fellowship and of course - GOLF.

Sponsored every week with generous trophies, the club is fortunate enough to award the winners with something to take home for their efforts on the course!

Ladies winners this month included Rebecca Thompson – **Melba Henderson Memorial**, Jenny Aird – **Mitchell/Chidgzey Trophy** and Vicki House and Sue Fairbrass – Jubilee Fours.

On Saturday, numbers have been down while the boys completed their cropping programs but we still had members turn up through rain and shine.

Winners of a Combined 4BBB were Sharon Neild and Simon Purse, sponsored by **Atherton Transport**. Rebecca Thompson took home the trophy from **D&L Bleachmore Haulage**, with the Presidents team winning the bragging rights for the annual challenge between President and Captain – with Skipper Greg O’Neil winning the day outright, sponsored by **AFGRI**. The Captains trophy was won by Grant Downing and a successful day compliments of the **Boyup Brook Tyre Service**, won by Ian Tweedie and Jann Mead for the Ladies.

New Tee Markers are in the pipeline – with each hole available for sponsorship – a great way to advertise your business. Contact President Rhonda Parker 0428 653 079 if you are interested in providing this on going sponsorship.

Huge thank you to the **Boyup Brook Co-op** who have donated funds from their Community Funding bucket enabling the Golf Club to update their technology and create a website. Watch this space for new information leading us into the 21<sup>st</sup> Century!

The course is looking magnificent after the gentle rains during the past weeks, so grab your clubs and get on out for a game and some friendly fun afterwards.

We pride ourselves on being a welcoming and friendly club for everyone. An easy meal is available on Saturday nights and the clubhouse bar is warm and inviting.

## Horse and Pony Club Camp

The Mayanup Horse and Pony Club will be holding a camp in the July School holidays from the 11th-14th, at the beautiful Mayanup Recreation Grounds.

Non members are welcome to attend and day membership is also available through Pony Club Western Australia. All ages and disciplines are catered for, there will be guest presenters including Feed your Steed, Walker Wellness (bodywork), Equihoof Biomechanix (Farrier) and saddle fit.

Individual days can be attended or the whole camp, there is a small cost to book your position and help cover costs. The school holidays camp has been supported through the Boyup Brook Co-op Community Grants, we are very grateful for their support, bringing a high level of equestrian coaching and education to our community.

BYO food, camping is available. For further information visit the Facebook page Friends of Mayanup Horse and Pony Club or contact the Secretary via emailing vnix@iinet.net.au or calling 0409 684 083.

## New Uniforms for Netball

Two Boyup Brook netball teams debuted brand new uniforms in June, as part of the Bridgetown Netball Association's winter season competition.

Lead by Jo Harding in the off-season, sponsorship was sought to subsidise the cost of two new strips to replace the old uniforms that were in desperate need of a refresh. Generously, local businesses Boyup Brook Co-op and Boyup Brook Tyre Service jumped on board to support the two teams.

The new look has seen green and black dresses designed, with the Rangers playing in the dominant green colour and the Blazes donning the mainly black strip.

New bibs were also required to fit onto the dresses; new netballs and a team sports bags could also be purchased, thanks to the sponsorship.

"We would like to sincerely thank the Boyup Brook Co-op Board and Peta and Chris Meredith at the Boyup Brook Tyre service for their generous sponsorship of our new netball dresses.

"Both teams are thrilled to be wearing such fabulous dresses! Also thanks to Jeff at Kojonup Shoes and Sport for helping us design them. We are very pleased with how they look," said Jo.

These uniforms will also be used when senior team members from Boyup Brook compete in other competitions that arise throughout the year, such as the Katanning Over 30s Carnival and the Borden Fast 5 Competition.

**Above:** The Rangers and Blazes were all smiles whilst debuting their new sponsored netball dresses.
