Stories of Sandakan

Boyup Brook's Sandakan Service on September 13, commemorated the appalling Second World War death marches through North Borneo, through powerful storytelling. With the last of the Sandakan survivors, Billy Young, passing away in May this year, researching and retelling this tragic story has perhaps become even more important.

This annual service, held at the Sandakan Memorial was the first of its kind when it commenced in 1991. Former local and Prisoner of War (POW) Ted McLaughlin was the initiator, as he wished to honour his best mate who was tortured and killed on the deadly marches, along with more than 2000 other British and Australian soldiers.

A respectful crowd gathered, not letting a good drop of rain stop them, with service MC Rhonda Parker's wish for a dry spell during the ceremony partly granted.

Rhonda guided the service which featured prayer, poetry, a presentation from both schools, wreath laying, the Last Post and Rouse and flag raising.

Distinguished guests were welcomed by Shire President Richard Walker, who also took the time to pay respects to the late Ted McLaughlin and the late Fred Doust, who was also a war veteran.

During his opening address, RSLWA State President Duncan Anderson congratulated the collaboration between the Shire, the local RSL Sub-Branch, Boyup Brook District High School and St Mary's Primary School, for their continued hard work to put this service together.

Local RSL Sub-Branch President Colin Hales, spoke of the importance of having the local schools involved in the storytelling of Australia's wartime history. *Continued page 3*

My Inbox....

Kaya, wandjoo to the October Gazette. As we head into Kambarang season, what a month we have in store for us in Boyup Brook with three large events taking place in the Visitor Centre's Walk on the Wild Side, the Blackwood Marathon and the Harvey Dickson Shindig and Rodeo.

This month we also have Mental Health Week, Get Online Week and Children's Week and to add to this, there are ram sales, winter sports wrapping up and summer sport seasons just getting underway.

On the note of sports, a huge congratulations to the League and Year 8-9 Roos grand final winners, as well as those that had wins in other sports. The back pages are jam packed this month with sporting news and achievements from a mix of competitors, well done to all!

The Show is right around the corner, don't forget your entries are due at the end of October, as are any updates for the new Community Directory.

As you can see from the Community Calendar to the right, there is a lot going on and I hope everyone finds something to enjoy this month!

*Until Next Month, Take care,
Sharon*

Stories of Sandakan *continued pg 1*

He asked the students to make this the beginning of their Sandakan learning journeys so these stories continue to be shared.

In her reflection as recipient of the 2021 Sandakan Scholarship, Anne Deas said over both year's of her participation in the program, that it had become more than just a speech to her and she encouraged all to take a moment to feel the spirit of Sandakan whilst at the memorial.

This year's scholarship, a monetary prize generously sponsored by the Lions Club of Boyup Brook, went to Nicole Turner who is pictured below with her 3D model of the camps of Sandakan. Her presentation referenced this piece, that she put together using maps and images found during her research. She hoped the model would show that although the death camps may be long gone, the stories of Sandakan can still be passed on.

Amateur Radio Campers

On the weekend of September 10-11, the Southern Electronics Group hosted a camping event at the Mayanup Sports Ground.

The event is primarily for Radio Amateurs (also known as Hams) to set up their field equipment and operate in a radio-quiet environment, away from their usually radio-noisy suburban homes and enjoy the company of like-minded people whom they may have spoken to many times, but never met. 16 campers and seven day visitors enjoyed the sunshine while sharing knowledge of their equipment and expertise.

Ham Radio has been the innovator of privately-owned radio equipment since the 1920's, although most of the equipment on site was purchased in the last two decades. Almost everyone operated using solar power and batteries, with some very innovative antennae set up. Hams visited from Perth, Mandurah, Australind, Katanning, Manjimup and of course, Boyup Brook.

Contacts were made with Casey Station in Antarctica, the Solomon Islands, Japan, USA and numerous stations in Europe and across Australia. Conversation, good food and a few bevies were shared and much praise was given to such an excellent venue. This was the inaugural event, but the overwhelming opinion is that it should happen again next year.

Thank you to the Shire of Boyup Brook and the Mayanup Progress Association for the use of the venue, and the Mayanup Campdraft Association for allowing us to use their BBQ.

Rates

Have you got your rate notice? Rate Notices for 2022-2023 were posted on the 09/09/2022 to the last known address the shire has recorded on the rates system.

If you haven't received your notice, please contact Shire administration. Please ensure you provide current postal, telephone and email contact details to allow the shire to have up to date information on the system.

Change of Details – Rates

Included with the rates was a Change of Details – Rates form. It would be appreciated if you could complete this form and return to Shire administration.

There is an obligation on property owners to ensure that the Shire has the correct address for service of notices. The Shire accepts no responsibility for mail not received due to an incorrect mailing address or a mail redirection.

By completing the form, it will ensure Shire Rates information is current and may also assist in avoiding debt collection if you have missed paying the rates.

BPAY – Important information

Each assessment has a unique Biller Code, therefore if making payment by BPAY, please ensure a separate BPAY payment is made for each assessment.

If a payment is made for several assessments, it is the ratepayer's responsibility to inform the shire of the individual assessment numbers the payments are to be allocated to. If the shire has not been informed of the allocation, interest will be incurred on those assessments with monies showing as outstanding.

Payment Options

The shire offers instalment plan options when the original rate notice for the year is raised.

Some ratepayers are choosing to set up BPAY through their preferred financial institution to pay an allocated amount each week/fortnight/month, so the credit reduces the amount to be paid when rates are raised.

Important dates

Full payment or first instalment	14/10/2022
Second instalment	14/12/2022
Third Instalment	14/02/2023
Fourth instalment	14/04/2023

Difficulty in paying rates?

The shire understands that the last few years have been difficult for many people. If you are having difficulty in paying rates, please contact the shire to discuss Special Payment Arrangement.

POLICE NEWS

BOYUP BROOK POLICE

Hi Boyup Brook,
Here at the police station, one of our numerous complaints or requests for clarification is on the use of 'Drones'. Now the weather is warming up, the queries and concerns tend to build.

Drones have become widely popular and with prices dropping there seems to be an influx of residents using them for recreational purposes. Flying is fun but does come with certain rules to keep everyone safe.

Those of you that know me and my 'great working relationship with technology' (?!!)... may be surprised that I have an interest in this topic. Hopefully I can clear up some of the most common questions we get asked.

Can I fly over the footie oval during a game?

No. You must not fly over or above people or in a populated area. This could involve events such as the Country Music Festival, Rodeo, parks or sports oval where there is a game in progress. Also remember not to fly within 30 metres of another person.

Can I use my device to keep an eye on my drone if I can't see it? No. You must always be able to physically see your drone and not rely on screens or devices to fly.

Can I fly at night time or when it is foggy so I can get a nice 'atmospheric' photo of Boyup Brook?

As nice as it maybe...No. Drones must not be flown at night time or when there is inclement / foggy weather.

My neighbour uses their drone over my house and I think they are taking photos of me. Is this allowed?

No. Respect personal privacy. Don't record or take photographs without people's consent. This may breach other laws which carry large fines and / or jail.

Remember that flying a drone for fun is exactly that. Do not operate your drone in a way that creates a hazard to another aircraft, person or property.

The governing body that enforces drone rules and regulations is the Civil Aviation Safety Authority (CASA) and not the police. Breaching these basic safety rules may result in you receiving an infringement or even receiving a summons to appear in Court.

For further information or to make a complaint call CASA on 131 757 or via their website casa.gov.au.

Keep safe and happy flying!

Upper Blackwood Show Committee News

Adama Farm Bike Tours Group Visit

If you witnessed a group of forty odd bikers riding through town in mid September, they were on a farm tour to different enterprises around our area and camped at the show grounds over the three days of the tour. Although numbers were less than originally confirmed due to bad weather, those that attended were a happy bunch and enjoyed their time in our area. We received many congratulations from those using our new ablution block for the first time. Many thanks to the great team of volunteers who assisted in catering for them over the three days. Picture below.

Show Schedule

This year's Show Schedule is out now so grab yourself a copy. We have two new sections this year - Honey and Olive products, which you will find in the preserve section in the schedule. We had enquiries at the last show about these products so we look forward to seeing a great display. If you would like some tips on what the judges will be looking for, have a look in the schedule or talk to our two new stewards for guidance.

Online Entries

This year we have taken the big step of implementing an online entry option to make it easier for you to lodge your entries and get your entry place tickets without the need of going to the Visitors Centre. It will also make stewarding easier on show day as well.

For information on how to do your entry online go to our website or see the last pages of the schedule for a step by step guide. Ally Kinsman and Lyn Chambers will be available to help if you have any problems.

Don't be alarmed if you are not computer savvy, you will still be able to enter the old way. Paper entries are to arrive by Thursday, October 27, or you can deliver them to the Visitor Centre on the same day, entries close 4pm. Online entries can be received up to Friday, October 28.

Speed Shears Are Back at the Show

The committee is delighted to announce that Floyde Neil will be running the Speed Shears at this year's Show. With an anticipated 50 or more entrants this will be a great competition. Come and enjoy the sight or be a part of the action.

Old Chest Freezers Needed (not working)

The society wants to upgrade the storage of drinks in the bar area at the Show. Do you have a freezer you would like to donate please let us know and we will be happy to pick up.

Volunteers/Stewards Needed

We still need help in two areas, can you assist? We need someone to coordinate the Sheath Tossing Competition, which doesn't happen until late afternoon.

The other area is in the British and Australasian Breeds where we need someone interested to learn the role of stewarding. Marc Deas will be stepping down and is wanting someone to look over his shoulder this year with the aim of taking over next year. Stewarding is very rewarding as you learn a lot from the different judges attending, as well as making great contact through the industry.

Show Day

Everything is coming together for a fantastic day. This year's feature is 'The Rose' and we are delighted to have Bob Melville, a rose expert with many years of experience, coming to open the show and give us some great tips on growing roses and answering all your questions.

We also have SciTech doing a stage show and hands on fun throughout the day, Fashion Parades, a Dog Jumping competition (so get your dogs in training!), the official opening of the new Ablution Block, show bags and the P&C's bring full on fun challenges for kids that will keep them busy all day. Stay around and enjoy dinner while watching the speed shears.

Look forward to seeing you all there.

St Mary's Primary School

We have come to the end of Term 3. It has been a term filled with fun, learning and challenges, successes and excitement. A lot has been happening at St Mary's over the past month and we hope you enjoy reading all about it.

Cross Country

Our students performed particularly well on Thursday, September 1. The staff were absolutely blown away with their determination and athleticism. A big congratulations to all the students, you made us all proud.

Father's Day Breakfast

We loved having fathers and fatherly figures join us for breakfast on Friday, September 2. The staff cooked up some delicious bacon and egg rolls and we tested the dads with a Father's Day Quiz. We are so lucky to have such a great community who support each other, and it was nice for the school to recognise the contribution these fathers and fatherly figures make to our school.

Minkey Hockey Carnival

The students from Years 3 – 6 travelled to Greenbushes on Friday, September 9 to compete against surrounding schools in a hockey carnival. The day was a huge success and the students enjoyed testing their skills against other schools. A big thank you to Tara Reid who provided hockey lessons in the weeks leading up to the carnival.

Sandakan Service

It was an honour and privilege for our Year 5 and 6 students to attend and perform at the Sandakan Service on Tuesday, September 13. The P and F provided a very welcome morning tea and refreshments before and after the service.

It is very important for our students to be a part of these special Boyup Brook events. We learn so much about who we are and how we can continue to honour and respect those men and women who have sacrificed some much.

Wellbeing Week

Week 10 was amazing. The whole week was focused around providing opportunities for all to learn about wellbeing and wellness. We know that we all learn best when we feel safe and connected.

At St Mary's we pride ourselves on providing a holistic education that develops not only the academic needs of the children but also their emotional, physical and spiritual needs as well. Each day had a different theme and provided something special.

Over the week we had a shared staff breakfast, wore sports uniform for two of our days, wore yellow for our RUOK day, wore PJ's on Friday, shared morning teas of muffins, pancakes and smoothies throughout the week, had lunch provided by the P and F, mixed up all of the students to participate in wellness activities in classrooms, and raised money for those less fortunate in the community along the way. It was a great way to finish what has been a busy term. Pictures below.

Enrolments open for 2023

Enrolments are open for all students in Boyup Brook and the surrounds. We provide quality education and pride ourselves on being a school where every child belongs. Call the school office on 9765 1333 to enquire and book a school tour. With our new fee structure, it is even more attractive, \$300 per year for Pre Primary to Year 6, and \$100 a year in Kindergarten.

Sandakan

Over the course of Term 3, our Year 9 and 10 students have been working extremely hard to research, create and present a Sandakan topic of their choice, as part of the annual Ted McLaughlin Scholarship. Students were tasked with creating a presentation 3-5 minutes in length and could choose how to deliver it, this included speeches, artwork, visual displays, poems and models.

The Ted McLaughlin Scholarship is a task which challenges students as they are confronted not only by the research component, but also through interviews and a presentation of their work to other students, staff, parents and special guests. It's a challenge which although scary for some, proves to be an incredible, emotional experience for all.

This year, all students delivered fantastic presentations, which was made clear when Joe McLaughlin (Ted McLaughlin's son), said that he "felt a strong emotional connection to each and every story that was told on the day". All students should be enormously proud of themselves for the work they completed and the way they approached the challenge, as their HASS teacher, I know I certainly am.

I would also like to thank our judges - Mr Colin Hales, Mrs Kelly Mader, Mrs Jodi Nield and Councillor Philippe Kaltenrieder, who had the tough task of interviewing and scoring our students this year. Your help on the day was greatly appreciated. The support given to me by Cheree Shields and Sue Fairbrass to get it all up and running was super, and I thank you both for that.

Sandakan is a story that needs to be told, it needs the youth of today to learn and understand it, so that they can keep this scholarship and the town's Sandakan Service not just surviving, but thriving into the future.

Scholarships Winners:

- 1st Nicole Turner - Inside Sandakan - \$300
- 2nd Anne Deas - Sandakan: The Brotherhood - \$200
- 3rd Jessica Bennett - The Inhumane Conditions - \$100
- 4th Henry Roeger - Death Marches - The Suffering - \$50
- 5th Imogen Mead - The Keith Botterill Story - \$50

Charlie Dinnison Dart Competition

Congratulations to Charlie Dinnison who made the State Darts Under 18's ten person squad. His team also came Runner Up at the State Under 18's Championships. He will go on to represent WA in Queensland, good luck Charlie!

Father's Day in the ECE

What a truly fabulous day the ECE had celebrating some very special people in our lives! With thanks to Bunnings, we all went home with a toolbox we built together and lots of wonderful memories of a great morning of games and activities.

We then wowed everyone with a fabulous assembly in the afternoon. Thank you to everyone who came along and enjoyed the day with us, we love welcoming our families in to see what we are doing and join us for some fun.

Mrs Holly Francke and Miss Katryna Barbetti

Speak up Awards

At the end of Term 3, the Year 5/6 students presented their public speaking topics to their peers, parents and other classes. They had worked hard all term to plan, research, draft, write and prepare their speech. The final results were nothing but outstanding!

Every student spoke clearly using palm cards and fully engaged their audience. The topics were very interesting, ranging from Bees to Chernobyl to Shane Warne and Phobias. Many of the speeches used humour to capture the audience effectively and they all demonstrated solid research about their topic. It was extremely difficult to judge and select finalists for the South West competition from such a high standard of presentations.

The South West competition saw eight judges come to our school and listen to six of our students. They were absolutely blown away by the level of presentations. They heard presentations from Rachel C, Lilliana R, Hannah L, Clancy W, Yasmine M and Kacey C. As one of the judges said, "this has been the most difficult decision we have had to make. These speeches are at such a top level".

In the end, Yasmine M, pictured below, was one of 13 selected from 40 students, chosen to represent the South West district at the semi-finals in Perth. Although Yasmine's speech was well-researched, creative and spoken wonderfully, Yasmine did not make it through to the Finals.

Congratulations to all the students! You presented amazing speeches that you can all be proud of. Well done!

Children's Week

The Boyup Brook CRC is celebrating Children's Week in October by hosting three free events for kids over three days.

The CRC will turn into a Zen Zone with Janene's Sound Therapy sessions on Monday and Tuesday, October 24 and 25 after school from 3:30-4:30pm.

Children in Year's 4-6 are invited to Monday's session and those in Pre-primary to Year 3 can come along to Tuesday's session.

On Wednesday, October 26 local artist Ally Kerr will take kids aged 5 plus for a 'Paint Pots and Plant Seeds' craft session where they will learn how to plant and raise seedlings and get creative in decorating flower pots. This session will run after school as well from 2:45-4:45pm.

Healthy snacks will be served at each event and registration is essential by calling 9765 1169 or by emailing crc@boyupbrook.org.

The 2022 Children's Week theme is 'All Children have the right to a standard of living that supports their wellbeing and healthy development'.

Children's Week is convened in WA by Meerilinga, it is supported by Healthway, Lotterywest and the Department of Communities and partners with Go for 2 and 5.

Playgroup Pitter Patter

Hello Playgroup Friends and Families!

We are now in Term 4! We would like to say a huge thank you to everyone who supported our Picture Plate fundraiser. The money raised will go towards our new cubby house!

As a part of the First 1000 Day program, we were lucky enough to have Dr Frank Baughman visit our playgroup recently. Dr Frank is a psychologist and he chatted to families about attachment and socialisation in the early years. Thank you so much Dr Frank!

Through this program we are also organising an infant first aid course and a car seat safety check. Please check our Facebook page for dates to be announced soon. Everyone is welcome!

We have a new member in our Playgroup family. A huge congratulations to Shannon and Ash Tombleson for their arrival of Leo. He was born on September 1 and is absolutely perfect! Shannon said Charlotte is loving being a big sister and we all can't wait to meet him soon.

We have a fun activity roster planned for the start of this term and we can't wait to see you all there!

- 3 October Women's Health Physio and painting with cars
- 10 October Crayon resist painting
- 17 October Messy/sensory play day
- 24 October Nature craft
- 31 October Grandparent's Day

JOHN RICH REAL ESTATE

What does exclusive listing mean?

Ever wondered what an exclusive listing actually is? Well it means means you grant a single agency or agent the right to sell your property – it's the most typical listing agreement that home sellers will choose when they sell their home.

What does non exclusive or open listing mean?

An open listing is a non-exclusive contract. This type of listing gives the seller or buyer the right to engage any number of agents.

Do you have a choice?
Yes!

Steps to Selling Your Property

- Step 1: Get an appraisal
- Step 2: Choose your agent.
- Step 3: Prepare Your Property
- Step 4: Advertise Your Property

We Wear Green

St Johns Ambulance Boyup Brook Sub-centre has responded to a number of emergency and transfer jobs in the month of August. We have travelled over 2000 kilometres in this time at all hours. It is an honour and a privilege to be able to help our community.

This month I'll explain: ***What to do once you have called an ambulance.***

Once you've dialled 000 and requested an ambulance, you will receive instructions from the ambulance operator on how to care for the patient.

Sometimes they will stay on the line with you. If they don't and the patient's condition deteriorates, call triple 000 again. If there is someone else with you, one of you should do the following while the other stays with the patient.

- Turn on the outside lights.
- Lock up any dogs or other animals.
- Remove any vehicles that are blocking the way such as cars in the driveway and turn on their hazard lights.
- If time and helping hands permit, move furniture and other items from hallways, corridors etc to make extrication of the patient easier, faster and more practical.
- Collect any medications and medical paperwork that the patient has.
- Prepare an overnight bag for the patient.
- Have any benefit cards handy to go with the patient.

- If the patient is unable to speak or is confused, write down their date of birth, medical history including allergies, next of kin including a phone number, when the patient last ate, drank or went to the toilet.
- If manpower and time permits, go to the roadway and wave down the ambulance, then direct the crew to the patient.

When the officers arrive, describe to them exactly what has happened. Be as honest and clear as you can. Also tell them what has been done for the patient since the incident. Stand back and let the officers do their job. If they need any help they will ask for it and give you clear instructions on what to do.

The patient will be transported to the nearest appropriate hospital. Most of the time this will be Boyup Brook Hospital. If the patient is going elsewhere the officers will let you know which hospital. If you would like to travel in the ambulance, ask the officers. They will decide based on the best medical outcome for the patient. If permission is granted, you will be sitting in the front with the driver. It is best sometimes for you to make your own way to the hospital as we cannot bring you back to where we picked you up.

If you would like information on volunteering for St John Ambulance, please give me a call.

Until next time stay safe.

Get Online Week Events

Join in on the Get Online Week fun at the Boyup Brook CRC over three different free events from October 17-23.

This year you are encouraged to improve your online skills and to *Try One Thing* with the support of digital mentors from the CRC.

Perhaps this could mean attending your first Kahoot Quiz on Monday, October 17 from 10-11am. You can use your own device, or borrow one from the CRC. This will be a morning of fun, laughs and a good test of your knowledge. Morning tea will be supplied.

Alternatively, if you have a specific digital skill you would like to try, for example online shopping, taking a selfie, listening to the radio, connecting to family and friends through video calls etc. then head to the CRC's *Have a Go Day* on Tuesday, October 18 from 1-2pm. Afternoon tea provided.

If you'd prefer some 1 on 1 support, 30 minute appointments will be available to book on Thursday, October 20 from 1-3:30pm.

Get Online Week is supported by the Good Things Foundation and whilst all of these events are free, registration is required. Please contact the CRC on 9 7 6 5 1 1 6 9 or email crc@boyupbrook.org to secure your spot for one or all of these events.

Tonebridge News

After the success of the Boy's Night, the girls had their get together with Grub and Gossip Night, pictured below. Some came from further afield with Jane from Boyup Brook, Helen from Mayanup and Lee from Manjimup way.

The interior asbestos is being removed and still being a working renovation site, NO entrance around the site will be permitted. So there will be no functions in October.

One of the photo boards has gone to the Boyup Brook CRC, this depicts the Chowerup Drama Club so watch out to see this bit of 1960's history at the CRC.

Condolences to Ronald and Helen Tuckett on the death of Helen's brother Trevor. We wish Graham Muir a speedy recovery.

Congratulations to Lyndsay and Brendon Bogojias on the birth of their daughter Cassidy Irene. Also congratulations to Luke Harding winning the Open Shearing competition at Koorda Show.

It was great to welcome Ronald and Helen's daughter Marlene and granddaughter Kelly to September's casserole tea.

Please phone Vikki on 9769 1190 for enquiries and an email will be sent out when we can resume activities at the club rooms.

WHAT'S HAPPENING AT YOUR CRC

The CRC is currently preparing the 2023-24 Community directory. Just a reminder that the deadline for advertising and updates is October 31. Please return forms to the CRC.

Another round of Be Connected grant funding, through Good Things Foundation, has been secured by the CRC to conduct more IT groups support sessions for those 50+. See the coming events on the opposite page for more details.

There are still supplies of COVID-19 RAT testing kits (*oral only*) and reusable masks available.

The CRC's Centre Manager, Jodi Nield, recently clocked up 15 years at the CRC, starting as the Projects Officer in 2007. She has seen the CRC continue to evolve over this period and said, "You don't realise the time when you love what you do".

CHANGE TO OPENING HOURS

The CRC is trialling a later closing time of **5pm on Wednesdays and Thursdays** to enable school students and families to have greater access to the library. Please call in to see us.

CRC MEMBERSHIP

There has been a great response to our membership drive, with the CRC welcoming a number of new members. With some of the benefits including discounts to CRC services and events, plus a free Gazette advertisement for businesses and community groups, it is definitely worth signing up. Membership forms are available from the CRC, or from our website: www.boyupbrook.crc.net.au/membership (or scan the QR code).

LIBRARY CORNER

It is so exciting to see the number of people utilising the library each week. With such a great range of items to borrow, there is something to suit everyone's taste in reading, listening or viewing! And there are new items delivered every month. Check out the 'New Arrivals' display shelf and books on top of the central shelves for the latest titles.

The weekly 'Stories, Rhymes and Fun Times' Better Beginnings Program is so much fun and all families with children aged 0-5 are welcome to come along from 10am-11am (or whenever you can get there!). Each session involves music, actions, stories, rhymes, activities and free play. The interaction between the children is fantastic and it's also great for the caregivers to chat as well.

Museum News

Have you noticed our new signs? We have had people, even locals, asking where we are so we are now hoping some of our locals will visit sometime. Have you seen the contents yet?

We are still enjoying tourists who have arranged a weekend visit and returning as they find so much of interest. Our finances are building up but we have a long way to go before we can build our new shed. Our next meeting is in the Masonic Lodge building in the museum at 2.30pm on Wednesday, October 12. Please come and join us.

Garden Club

Our Garden Club visit for September was unfortunately cancelled due to the very inclement weather on Tuesday, September 13. We were looking forward to a leisurely walk in the bushland around Boyup Brook to see some of the native wildflowers. Never mind, we will look forward to that treat in the future, perhaps next year.

For our October Garden Club visit on Tuesday, October 11 we have kindly been invited to visit the garden of Glenda and Trevor Bock at 291 Kulikup Road, Changerup in the Shire of Kojonup. We intend to carpool and will leave the Boyup Brook Town Hall car park at 12:30pm. Please bring your chair and mug.

If you have an interest in visiting gardens or would like to join our friendly group please come along. For Facebook members please check out our page - Boyup Brook Garden Club - tick to Like or Follow.

Further enquiries please call Helen Rice 0421 581 636 or Colleen Railton 0413 827 900.

Fire Danger Rating System

From September 1, Western Australia will have a new Fire Danger Rating system as part of a national project to ensure Fire Danger Ratings are communicated the same way, no matter where you are in Australia.

Fire Danger Ratings describe the potential level of danger should a bushfire start. They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

What to do

- Learn the four levels of Fire Danger Ratings and the actions you should take at each level.
- Check the Fire Danger Rating each day at emergency.wa.gov.au. You should also monitor Emergency WA for bushfire warnings.
- Ensure your bushfire plan is adaptable for the different levels of fire danger. Your plan might include triggers at a High Fire Danger Rating. Even if your property is very well prepared, homes cannot withstand fires in Catastrophic conditions and it is too dangerous to stay. Visit www.mybushfireplan.wa.gov.au

FIRE DANGER RATINGS

MODERATE	PLAN AND PREPARE
HIGH	BE READY TO ACT
EXTREME	TAKE ACTION NOW
CATASTROPHIC	LEAVE BUSHFIRE RISK AREAS

For your current local fire danger rating and more information, visit emergency.wa.gov.au

When Bait Advertising Bites

It may be a familiar scenario for some shoppers – you spot an advert for a product at a very attractive sale price and place an order, but it's later cancelled by the retailer claiming the item is 'out-of-stock.'

Consumers may be left wondering whether the business is obliged to honour the discounted price, regardless of whether the item had genuinely sold-out or if a mistake had been made during the advertising process.

The answer depends on a number of factors. Bait advertising – where sale prices and special offers are promoted to attract customers – is a legitimate form of advertising, but only if the trader provides sufficient quantities of the product to meet the anticipated demand. The only exception to this rule is if it's made very clear in the advert that the discounted goods are available for "today only" or "while stocks last" for example.

Let's say a retailer advertises a week-long sale on a product and it would usually expect to sell thirty of those items in a week, but stocks just two items at the advertised price that sell-out in one or two days. This is likely to be illegal bait advertising and a breach of Australian Consumer Law (ACL) because the retailer does not have a reasonable supply of the advertised product.

In a situation like this, a consumer may be entitled to receive a remedy, such as a 'rain check' (a coupon guaranteeing an out-of-stock sale item may be purchased at a later date at the same reduced price) or an acceptable substitute product at the same discounted price. Alternatively, to avoid breaching the ACL, a retailer can publish a retraction to a similar audience or circulation number as the original advert.

Remember that it makes no difference whether a business intends to mislead customers or not. If the overall impression of any advertisement, promotion, quotation or representation leaves a misleading impression in customers' minds – regarding price, value or quality – then the behaviour is likely to breach the law.

Consumers who believe they have been misled can contact Consumer Protection on 1300 30 40 54 or consumer@dmirs.wa.gov.au

DVD Review

'June Again'

Our library has an extensive DVD and audiobook collection that is really worth a look sometime. It includes documentaries, action shows, series, children's adventures and more.

'June Again' stars Noni Hazlehurst, an iconic Australian actress, and it brings many issues confronting us in society to the forefront.

It encourages respect for those in later stages of life, or with cognitive impairment, needing love and attention to feel safe and cared for in the best way possible.

I hope you can enjoy this DVD as I did, and many others in the collection.

POEM: A New Religion

We need a new religion
To save us from our plight
A simple plain religion
Just one solemn, sacred rite

For everyone that dies
And for every baby's birth
The loved ones and the parents
Plant a tree to save the earth

From the old a legacy
For the young a gift
All the creatures of the world
May rejoice and benefit

It should become a ritual
To rear each tree with care
Throughout its early growing
Across the world and everywhere

In every corner of the land
Where ever a tree might thrive
A sapling will be planted
An lovingly kept alive

By every field and road
From the inland to the seas
Will be a waving, shading army
Of many billion planted trees

Getting to Know Ralph and Betty Knapp

with Sharon Lampard

Betty Knapp, nee Littlefair, was born in Pemberton in January 1941, and grew up on a farm in Eastbrook. Betty describes herself as a dairy farmer's daughter, and as the eldest of her siblings, she was kept very busy helping out.

"Growing up on a dairy farm meant bare feet, keeping the wood box full, bringing the cows home, cleaning out pig sty's, and when my hands were big enough to cut air off the milking cups, it was milking cows," said Betty.

Her father had migrated from England and took over a farm in Karri Country in 1923. With its big trees it was a big change from the moorlands he had known as a child.

Her mother was from a mixed orchard in Donnybrook and looked after her family well in their group settlement home. It had no modern cons such as a fridge or running water, and no electricity until 1964 when Betty was 23.

Betty went to school in Pemberton and she remembers her first school bus was an ex-army truck and to fit more children in, they'd sit them on apple packing cases down the middle.

In her final year of school after her father hurt his back, before and after school Betty had to milk the cows.

In the evenings she didn't get to her homework until about 7pm each night. Somehow she still managed to fair well and get her junior certificate.

At 15 years old, after school had finished, she was then able to help on the farm full time. Her outside interests saw her join the Pemberton Junior Farmers (JF) group and through this affiliation, she met a young man from another JF group by the name of Ralph Knapp.

Ralph was born a month after Betty, in February 1941 in Perth. At the time, his family were living on a farm in Armadale, but had previously farmed in Kulja in the Wheatbelt. Unfortunately, before Ralph was born, they had to walk off this property due to drought and depression.

Ralph was the youngest born and came quite sometime after his two older sisters, making him very much the baby of the family. When he was a month old, his father joined the army and was away for the next four years. Upon his return, he set about moving his family down south "where it rains," so Ralph was four when he first moved to Uradale in 1945.

Schooling by correspondence until he was 10, Ralph only did a year at the school in Boyup Brook before he went away to board at Hale in the city.

This was a big change for him and he looked forward to his return back to the farm at age 15. His day to day life would then include a lot of land clearing, as the previous landowners had ring barked many trees prior to their arrival, they also farmed flax, clover and oats.

Getting to Know Ralph and Betty Knapp

continued

Ralph joined up with the Dinninup JF, meeting many new people and attending dances amongst other activities. The dance lessons he received at Hale served him well as Betty, remembers he was very good.

When Kellerberrin JF came to Dinninup, they took them over to Pemberton to see some "real trees" and Betty was given the task to show them around. To thank her, Ralph wrote her a letter and on the bottom of it he wrote, "P.S. Would you like to come to a dance in Boyup, 28th May 1966?" Betty obliged!

The two courted for the next year and married in July 1967, managing to dodge all of the bad weather that came either side of their winter wedding day, to enjoy a fine and beautiful day in Pemberton. Betty's father had even let her have the morning off from milking the cows!

After they married, Betty and Ralph moved into a one-bedroom house built for them at Uradale.

Following in his father's footsteps, at age 23, Ralph joined up with the Upper Blackwood Agricultural Show (UBAS) committee. After he married Betty, her reputation had preceded her as there was much excitement about her being an asset to town and what she might bring to the Show.

The community service this couple has done over the years is quite astounding, and there are a few too many community groups, volunteer roles, committee positions and accolades to mention in this article.

However, some of the highlights for Ralph have included his work on the UBAS, serving as president of the South West Group of Affiliated Agricultural Societies for five years where he helped with district displays at the Perth Royal Show, involvement in the Chowrup Repertory and instigator of the local Men's Shed. He's also been a keen sportsman playing tennis and badminton for many years.

Betty has served loyally as a third generation CWA member where she has enjoyed a variety of roles, she has served on various other committees, enjoyed many years with the UBAS and during her JF days she went on an exchange trip to New Zealand, served as vice president and was also state executive.

Betty is certain that they have Junior Farmers to thank for teaching them how to step into different roles within the various committees and clubs they have been a part of.

Together, the Knapp's have enjoyed seeing many different parts of the state, including completing the Canning Stock Route and Gibb River Road. Betty said they feel very privileged to have seen so much and described some parts of the state as a "desert full of life." They have also travelled abroad to places like England, Canada, Alaska, Singapore, Sri Lanka, Vietnam, Kuala Lumpur and Bali.

More recently, the Knapp's visited the former town site of Kulja, where Ralph's family had farmed. What was once a bustling farming town, big enough to host an annual agricultural show, is now very hard to find. In fact, the only hint they were on the main road came from their car's satellite navigation.

Ralph and Betty have a lot in common - they are the same age, born only a month apart; they share the same rare blood type; they had very similar upbringings on family farms; they joined their local Junior Farmers; they both love dancing and they both enjoy being of service to the community earning Life Membership's in some groups.

For their service and commitment to this community, they have both also received Boyup Brook Citizen of the Year. Ralph was awarded in 2017 and Betty not long after in 2020.

Unfortunately, they had to give away dancing due to COVID-19. Their hobbies now include looking for wildflowers and fungi for Betty whilst Ralph loves a good game of Solitaire on the computer after dinner and he also likes to shell his home grown macadamia nuts.

They think their greatest achievement is a happy marriage and raising their two children, Barbara and Courtney. They now have five grandsons as well. They are also proud of the work they put into their Uradale property, "Clearing land, more dams, strengthening tree cover along Scotts Brook, improved sheep / wool and now being able to continue living on the farm while Courtney runs and manages it."

Betty and Ralph are still very active with helping out on the farm today, and they have never thought about living anywhere other than Uradale.

THE LITTLE ART GALLERY

Boyup Brook Tourism Association Inc. extend a very warm welcome to **Esther Creek**, who has taken on the role of The Little Art Gallery Manager. Esther is passionate about local art and hopes to bring new life and joy to The Little Art Gallery. She has been living in Boyup Brook for the past eight and a half years since marrying local sheep and crop farmer, Ben Creek.

Esther works on the family farm and keeps busy raising their four year old son, Theo, but has always been interested in arts and is looking forward to helping promote our talented local artists to the wider community, surrounding areas and visiting tourists.

With the **Art on Abel** weekend on October 8 and 9, there will be lots of fresh art arriving on our walls. The Little Art Gallery includes pieces from a variety of artists and creatives, from realistic bushland scenes to bright and quirky paintings, needle-felted Australian animals and more.

If you are a local artist and have thought about selling your art at The Little Art Gallery, please get in touch with Esther at esthercreek@gmail.com or 0448 158 008.

WALK ON THE WILD SIDE

The second weekend of October will see Boyup Brook bustling with activity as locals and visitors explore wildflowers, quirky collections, classic cars and local art and craft. The Blooming Wildflower Tour on Friday will kick off the event with a bus ride, educational wildflower tour and picnic lunch. Bookings are essential and close on Wednesday, October 5 so please call the Visitor Centre ASAP if you would like to book your spot.

Saturday will see dozens of local collections open for viewing, including classic cars, local artworks, teapots, quilts, photography, dolls, grandfather clocks and more. There are also many places to grab a cuppa or a bite to eat, including the Quacking Frog Teapot Shed and a BBQ lunch at Old Dog Dirt and Diesel, where a 1994 Yamaha Virago 1100cc motorbike will be auctioned off. Great prizes are up for grabs in our raffle. Buy tickets from our volunteers who will be selling them around town and at the Visitor Centre. Prizes generously donated by our local businesses, producers, crafts people and artists.

On the corner of Abel and Bridge Streets you will be able to see local artists at work in the park, watch their process and meet and chat with them.

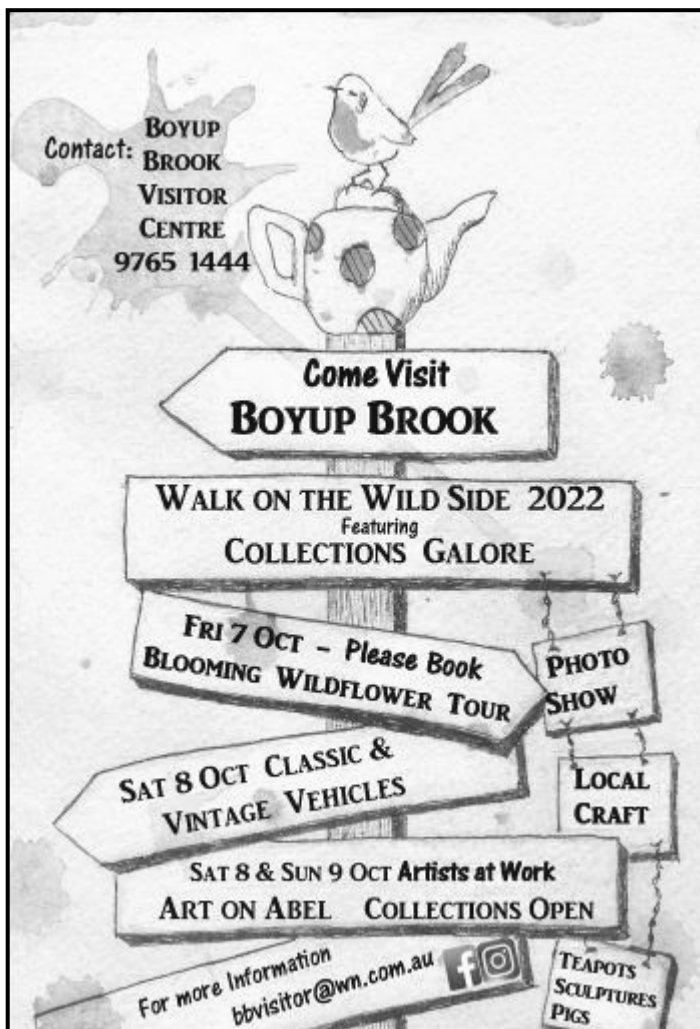

2023 MEMBERSHIP

The Boyup Brook Tourism Association is excited to continue their effort in promoting local tourism over the next twelve months, however once again are calling on your support in doing so. At the recent BBTA Annual General Meeting it was decided to keep our Associate Membership at \$15, and Business Membership at \$65.

Throughout the past year the BBTA has worked hard to advocate for funding of tourist friendly amenities and promoting Boyup Brook events and festivals. We continue to showcase the incredible experiences to be had in Boyup Brook, including hosting the annual 'Walk on the Wild Side'. The Visitor Centre remains an important avenue for the sale of local products, and over the past year are proud to have added more diversity in the range of local products on our shelves.

The heart of the BBTA is our volunteers who give up their time each month to man the centre, and as a result we are usually open seven days a week. We greatly appreciate the dedication and passion shown by those who do continue to volunteer at the Centre, and thank you most sincerely.

Once again, thank you for supporting the BBTA to achieve its goals in 2021/22. We hope you'll continue to play a vital role in Boyup Brook tourism with the BBTA in 2022/23. Membership forms available at the Visitor Centre and on the home page of our website. New members welcome!

St Saviour's News

The folk at St Saviours have been busy preparing Christmas Boxes for the Good Samaritans. Church members fill these colourful shoe boxes with goodies for disadvantaged children and although it sounds awfully early for a Christmas activity, it does take time and organisation to have the gift boxes delivered in time for Christmas celebrations. Thanks to all who contributed.

While on the subject of providing necessary goods, the Mission to Seafarers were also sent a number of boxes for those members who are in port at Bunbury. Sometimes our seafarers come from countries which don't have similar working conditions as Australia and the crew can be on board ships for months at a time without any family contact. COVID made the problems worse as crew members could not even disembark at Australian ports. Phone cards, scarves, socks and food items are very popular items for the boxes.

There has been a lot of general maintenance for both buildings and gardens this past month. Our wonderful rain does make the weeds grow lushly and the gutters have a habit of filling with leaves! But... the water, power, air conditioner and hot water system are now all functioning well in the annexe. All finished in time for sharing teas in comfort on those cooler, damp mornings.

Our sad news is that Rev. Carol Reid has given notice of her resignation. She and Don, our wonderful organist, will complete their term at the end of the year. It has been a delight and privilege to have Carol providing our services each fortnight; no doubt there will be a big send-off – details coming next month.

In the meantime, enjoy God's creation, the glorious Spring flowers so unique to Australia. Blessings all.

Hope Community Fellowship

Walk in the Way of Love

On the morning of Saturday, October 22 the Hope Community Fellowship, Boyup Brook will be one of many Host Hubs for Perth Women's Convention Local 2022.

You are invited to register to attend this Christian Women's event. The cost is only \$15 per person for a morning of teaching, worship, sharing and fellowship based on Ephesians. The teaching sessions have been pre-recorded by the PWC team to increase flexibility of delivery at each hub and to avoid any potential technical difficulties. To register and pay securely online visit the Perth Women's Convention 2022 website: <https://pwc.cowa.org/>

Previous PWC attendees may have already received a personal email from the PWC Committee, but might like to know of the local host hubs available. Other Host Hubs in the South West include Albany, Bunbury, Busselton, Collie, Harvey and Margaret River. There are many Host Hubs in Perth and in other regional centres of WA. If you choose to participate elsewhere, use the same link and search the list of available venues. In His Service.

Be Still and Know..... God

God is still on the throne

'The Lord sits on His throne in Heaven.' Psalm 11:4 NCV

The psalmist asked, 'When the foundations for good collapse, what can good people do?' (Psalm 11:3). Then he goes on to answer his own question: 'The Lord sits on His throne in Heaven.' When sickness comes, when your marriage fails, when your children suffer, when death strikes, what are you to do? Remember that God is still on the throne, and He is watching over you.

No detail escapes His notice or care. He works according to a plan, and it's not usually a plan we can understand when we're going through hard times. Only in looking back do we realise that His goodness and mercy have followed us all the days of our lives (see Psalm 23:6).

Joseph landed in prison. Moses spent forty years in the desert. Daniel ended up in exile. These were dismal moments. Who could possibly have seen any good in them? Who could have known that Joseph the prisoner was only a single promotion away from becoming Joseph the prime minister? Who would have thought God was providing Moses forty years of wilderness training in the same desert through which he would lead the people? Who would have imagined that Daniel the captive would soon become the king's counsellor?

God carries out His plans like that. He did it for Joseph, Moses, and Daniel—and He will do the same for you—so trust Him. He will give you the grace you need to get through this situation. When you ask, 'God, where are you?' He answers, 'Wherever you go, I will watch over you... I won't leave you—I will do all I have promised.'

Direction for our Times

We continue our cycle of monthly messages for 2022 with the message for September 1, 2006 for our prayer groups and personal reflection.

Jesus
 A deep peace settles upon those who serve me, their Lord. This interior peace, Heaven's presence, connects each apostle to me, their Saviour. I work in each soul without interruption if I am welcome. Around the apostle, circumstances change. Others come and go in their life and perhaps there is suffering or persecution. My presence remains a constant, though, comforting, consoling, and directing.

The connection between Heaven and each apostolic servant is the avenue through which I return to the world. How Heaven delights in each commitment. During this time many look to me, their Saviour and know that I am calling out to them. Each apostle hears my call. You have heard my call. Consider how I am asking you to serve today.

Dearest apostle, I must insist that you spend time in silence contemplating my will. I must insist upon this because I require your service in whatever way I have willed for you during this time. If you give me your full attention for a period of time each day, I can instruct you and prompt you. Also, I can give you a very important heavenly attribute and that is peace. I need you to possess my peace. You must possess this for your own comfort, of course, but you must also possess peace so that it flows through you into the world.

The world does not have peace. My peace has been rejected. You, my beloved apostles, reject the world's discord and accept my peace. That is why you are so important to me. You feel my presence, do you not? Truly, I am with you. Dear apostle, I want to be with everyone in this way. Will you help me? I know that you will. Spend time with me in silence each day and I will provide you with everything you need and everything the world requires.

Roos Secure League Premiership

Boyup Brook Roos won their third League Premiership after an absolute stunning performance against Deanmill in the Grand Final at Kojonup. After winning in 1981 and 2012, 2022 is officially the year of the Roos!

The game ebbed and flowed all day, with Boyup making use of the breeze in the first quarter to be leading 5.4 to 3.3. They started the second quarter well to be three goals up halfway through, but Deanmill then had a purple patch kicking five unanswered goals. This saw Boyup head into the main break 15 points down.

A big third quarter was needed by the boys and they delivered, quickly erasing the half time deficit. A late goal to Deanmill drew the teams at 11.7 apiece, heading into the last quarter of the season.

It was goal for goal early in the last quarter, and at this stage it was a matter of which team was going to step up and grab the game with both hands. With Liam Park going into the ruck, Matt Michael continuing his precision ball work and Luke Reilly and Alex Tweedie starring up forward for the Roos, Boyup ensured they weren't going to let this opportunity slip, completely outrunning Deanmill in the last 10 minutes. They took the win and the premiership, Boyup 18.9 (117) to Deanmill 13.9 (87).

All players contributed on the day, but Matt Michael was clearly adjudged best on ground for the way he used the ball all day. Liam Park was outstanding down back, but it was a master stroke to put him in the ruck in the last quarter as he gave his mids the ball.

Captain Ben Thompson had a great game playing forward and back. Lance North was menacing down back (much to the delight of the crowd). The mids in McKenzi Nix, David Cowan, Alex Cabassi and Luke Reilly were all prominent, and as they did all year, the three talls in the forward line delivered on the biggest stage, with David Johnston, Angus Campbell and Alex Tweedie all kicking four goals each.

In the end it was a complete team performance from the Boyup Brook Roos as they erased the devastation of losing the grand final last season. A big congratulations to the whole club, as only two seasons ago the league team didn't even win a game. It has taken a lot of hard work from the committee, coaching staff, sponsors, supporters and of course the players to get the club this premiership that everyone will remember forever.

A big shout out to everyone that drove over to Kojonup to support the boys, it was very much appreciated. It really did show what a great and supportive community we live in.

The final event of the year will be the annual windup and presentation dinner, which will be at the town hall on Saturday, October 8. The ticketed event starts at 6:30pm with guests asked to dress in Black Tie / formal wear. Let's fill the hall as we celebrate the awesome 2022 season!

State Darts Squad for Charlie

Charlie Dinnison has made it through trials in August and September to be selected in the Under 18 State Darts Squad who will represent WA in Queensland in January.

In late August he competed in the State Darts Under 18's trials in Perth against boys from around the state including Port Hedland, Morawa, Kalgoorlie and Perth.

Charlie initially made it to the squad of ten boys to trial further in mid September. He competed well and made it in the top four to play in Logan, Queensland early next year.

Well done Charlie!

Grand Final

Sharks (1) defeated Hornets (0) Goal – Grace Lee-Steere

The Junior Hockey grand final proved to be incredibly competitive with all players putting in 100%. We would like to congratulate the Sharks, pictured below, for defeating the Hornets 1-0.

Well done to all of the children who played in the 2022 Boyup Brook Junior Hockey Competition.

A big thank you to Sonia, Mike and Janis for all of their efforts in coaching this season, along with all of those who were involved in making this season a great one!

To all of the Year 10 students, the families who are leaving the district, or children who are heading away to school next year, we wish you all the best and look forward to getting updates on your hockey in the coming seasons.

Mike Love has offered to run off-season training, please contact Gemma Lee-Steere if interested.

Junior Roos Premiers

The Mighty Boyup Roos completed a perfect season with a 59 point win over Southerners to claim the 2022 Premiership. On a clear, sunny Saturday, September 10 the game got under way with a tight first quarter. Southerners came out hard and kicked the first couple of goals before Boyup steadied and managed to get a couple of their own to go in to quarter time fairly even.

The Roos lead by Jack Luescetti, Jacob Dupe, Henry Roeger and Oscar Twigg out of the middle, took control of the centre stoppages to push out to a handy lead at half time.

Charlie Georling and Samuel Roeger continued to be solid down back as they have all year, restricting Southerners to just six goals for the game. While up forward Mikaira continued his strong finals form with help from Boston Walker and Duncan Turner.

Coach Rick Twigg made some changes in the second half, moving Riley Bleechmore into the middle where he had a good impact effecting several clearances. Samuel Roeger was also moved to the forward line and took a couple of strong marks.

By the start of the fourth quarter Boyup had one hand on the flag with a handy lead continuing to grow. Despite the valiant efforts of the Southerners, the Mighty Roos were not to be denied, winning the game 15.6 (96) to 6.1 (37).

Best on Ground for the grand final went to Jack Luescetti. Jacop Dupe was named runner up Fairest and Best for the LSWJFL and Oscar Twigg received the Lifetime Achievement for his commitment to the club and the game throughout his junior football career.

Congratulations to all the players with Coach Rick expressing his pride in every player for the way they went about it this year.

Thanks also to all the volunteers who helped on the day and throughout the season.

As president, I would like to congratulate Southerners who have been tough competition all year and wish them all the best for next season. Go the Mighty Fighting Roo's and see you all next year.

Out On the Fairways

Ladies

September's fixtures were largely dominated by the Club's Championships. Our Boyup Brook Ladies Champion for 2022 is Jann Mead who played top golf to beat her opposition in Match Play, Rhonda Parker.

Our Plate winner was new club member and keen golfer, Lisa Cavanagh. It was unfortunate that Maureen Piper had to concede after an injury occurred while looking for a ball in the bush. After nine holes the two were evenly placed.

Our thanks to sponsors The Room Hair Co. The event was won by Rhonda Parker with 34 points and Lyn Willett runner up with 33 points.

Rhonda and Lyn were also pleased to be the sand green winners at Meadow Springs in Mandurah during Women's Country Week golf when they played the Canadian Foursomes together.

Recently seven ladies travelled to Waroona to play in the South West Districts Ladies Golf Association's Singles Championship. Success was had by Jenny Aird who won the best nett over the two days in Bronze, Sharon Nield who was runner up in the Pewter section and Lyn Willett who won the best nett for Sunday's play.

Saturday Combined Men's and Ladies

On Saturday, August 27 we were proudly sponsored by Colin and Lisa of C & L Mechanical. The club wish to thank them for the continued support and the assistance when called upon with machinery problems.

The weather was almost great except for the late cool breeze and the course presented in phenomenal condition. There were 22 men that saw Chris Lee Steere return to golf after a six year sabbatical and we had seven ladies. Great to have members from Sanctuary GC come early and play, to get their eye in for Sunday's Anniversary Cup.

Winner: Jann Mead +3, Runner up: The Skipper (Greg O'Neil) +2, Third: Penny Tweedie Square

Sunday, August 28 saw a beautiful Melbourne weather day and what a cracking course to be played for the IPG Advisors Anniversary Cup. Whilst numbers were down on previous years it may not be all about the quantity of players but the quality of the field. We had 32 starters represented by 11 clubs, all played in great spirit.

The Nett winner was determined by a play-off with only one hole required. The club and our members appreciate the support and sponsorship given to us by our major sponsor in IPG Advisors but also to a couple of minor ones as well, these days do not happen without great sponsors. Congratulations to all our winners and a big thank you to all our members who helped to make the day a success.

Winner: Evan Sewell, Runner Up: Floyde Neil, Third: Greg O'Neil, Fourth: Ian Tweedie, Fifth: Grant Downing.
Best Gross: Blair Dalziell, Gross R-Up: Simon Boccia, NAGA: Bill Chapman.

On Saturday, September 10 the Club Championships were played, congratulations to all.

A Grade Women's	Jann Mead	Def	Rhonda Parker
B Grade Women's	Lisa Cavanagh	Def	Maureen Piper
A Grade Men's	Grant Downing	Def	Ian Tweedie
B Grade Men's	Brad Fairbrass	Def	Rance Dorrington

Later that day, 13 men and eight ladies played a combined Stableford in outstanding weather. This ran in conjunction with our club Champs.

Winners: L Dynan / J Pottinger 74 Points. Jim had 41pts and lost a further four strokes off his handicap. Runners Up: P House / The Skipper 63pts. Third: L Willett / B Mead 60pts.

We are fortunate to have great support and we are grateful to Mark at Mumballup Organics for his continued and hotly sought-after support with bags of Mumby Magic.

Time to Hit the Courts

The Boyup Brook Tennis Club is ready to return to the courts for another fun-filled season and we welcome everyone to come along and have a go. It doesn't matter if you have never played tennis before, or have been out of the game for years, our social and family-friendly environment welcomes all ages and skill levels. We also offer half-price fees for any new adult members for your first season.

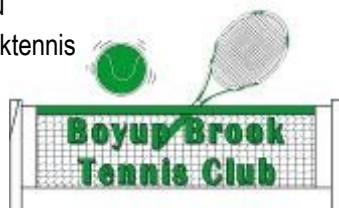

The junior season will hit off on Thursday, October 13 from 3:30pm with Professional Coach, Andrew Woodward, coming across from Bunbury each week. From Thursday, October 20, there will also be senior coaching and social play from 5:30pm. Please contact Lizzie Twigg on 0428 316 516 for details.

Following feedback from a survey conducted over the winter, weekend social tennis will be played on Saturdays, and some Sundays throughout the season. Opening Day will be an event for the whole family on Sunday, November 6 from 1pm. Full fixtures will be available soon.

Stay tuned to the Gazette, website and Facebook page for coming events and tennis news:

Cricket Club

The Boyup Brook Cricket Club is set to start its season this October. The club is again being led by Charlie and Bobby Miller, but we are lucky to have Todd Carroll step up as Vice President and Coach, and Braydon Ridley will take on the role of Club Captain. Tristan Mead is also the Warren Blackwood Cricket Association Vice President.

Training will commence for Juniors on October 14, at 3:30pm at the cricket nets, and will be every Friday. It's not too late to register, so if you're between PP and Year 9 come on down and play cricket.

Seniors have already started training, and train every Tuesday and Thursday at 5pm. We hope to see all budding cricketers, young and old!

Running Club EOI

Is your child interested in joining a Running Club? Seeking expressions of interest for ages 5+. The sessions will be run by Carolyn Mader, an accredited Athletics Australia Community Coach. They will be free with the season commencing from March - June 2023.

The day will be on Tuesdays afterschool from 3:30-4:15pm. It is required that parents / carers stay and they can join in or help out if possible. To keep working towards a goal, the season will finish with a cross country race.

If interested, please contact Carolyn: carolyn7500@aol.com

Boyup Brook Netballers

Another winter season of netball saw many junior and senior Boyup Brook competitors driving over to take part in the Bridgetown Netball Association league.

The Boyup Brook Under 12, Junior B participants, pictured top right were spread throughout the five teams in the competition. Paige, Hannah and Kacey's team, the Trimuets were the grand final winners.

In the Under 16, Junior A teams, the Boyup Brook players, pictured middle right, were split into two teams - the Firebirds and the Galahs. These players versed each other in what was a very exciting grand final. Rosie and Charlie's team the Firebirds finished up the competition winners, with Rosie also receiving the Coaches Award. Naomi also earned herself Runner Up Fairest and Best for the season.

This year, the senior division was split into two groups with the Rangers placed in Division One and the Blazes in Division Two.

The Rangers had some new faces this year and fought courageously in what was a tight competition, unfortunately not making it passed the first round of finals. There was still reason to celebrate when team captain Jo Harding won the Division One Runner Up Fairest and Best trophy on her birthday!

Teammate Naomi Clark had a great season, playing very well for her first year in the seniors division. She also received Under 16 Runner Up Fairest and Best in the South West Netball Football League (SWNFL), playing for the Blackwood Ravens.

Naomi actually played in a whopping four teams this season and tasted grand final glory with her Under 18 Raven's team in the SWNFL.

The Blazes had a very dominant season despite having to recruit new players along the way. They only fell short to one team in the rounds and versed them in the final dance. They were very competitive but sadly could not overcome their rivals.

To cap off a great season for them though, Marni Staniforth-Smith took out Division Two Runner Up Fairest and Best.
