Boyup Remembers Sandakan

A strong crowd attended the 2023 Boyup Brook Sandakan Memorial Service on September 12 to remember almost 2,500 Australian and British Prisoners of War (POW) who suffered and perished at the Sandakan Camp, on the death marches and at Ranau during World War II.

The 515 Army Cadet Unit formed the Catafalque Party and took guard around the memorial, as Shire President Richard Walker officially welcomed everyone and reflected on his recent visit to Malaysia for the annual service at Sandakan Memorial Park, (see details on page 23).

As is customary as part of the service formalities, there were formal addresses, poems delivered by St Mary's Primary School and Bill Gordon, the Prayer of Remembrance, wreath laying, the Last Post, Rouse, flag raising and singing of the national anthems of Australia and Malaysia.

Cheryl Mellor, Historian of the 2/4 Machine Gun Battalion, spoke of the three Dorizzi brothers from Toodyay, who were all at Sandakan. Tragically, two of them died on the same day: Gordon from Malaria and Bert on the track on the first march. One month later, Tom died at Ranau Camp 1.

The Boyup Brook District High School Sandakan scholarship winner was announced the day prior, with 2023 awardee Jessica Bennett presenting her speech to the audience. 2022 winner, Nicole Turner spoke of her surprise to find that no one at her new senior high school was aware of this World War II tragedy and the importance of continuing to tell the story, and 2021 winner Anne Deas performed a song.

Following the service, attendees gathered in the newly refurbished Lesser Hall for lunch where more stories were shared and new connections made. The first stage of 2019 scholarship winner, Brooke Nield's, 'Images of Sandakan' Endeavour project was made available. The booklet summarises the Sandakan story from Singapore to Ranau. They are now available to the community at the Boyup Brook library.

This annual service provides a valued opportunity for family members of the POWs to remember their loved ones. Just like June, aged over 90 years, whose brother William Beard died without the family knowing his place of death, his remains never identified, like so many of the POWs.

Similarly, for another gentleman, who travelled to attend the service to remember his grandfather. We must continue to tell the story so they are never forgotten.

The Sandakan Ode:

*They are not dead, not even broken;
only their dust has gone back home to earth;
for they, the essential they;
shall have rebirth whenever a word of the is spoken.*

Above: Joe McLaughlin and winner of the 2023 Sandakan scholarship, Jessica Bennett.

Above: Flowers placed at the service from one of the POW's sisters, June, remembering her big brother Bill.

My Inbox....

Kaya, wandjoo to a BUMPER edition of The Boyup Gazette for October 2023. Just like the reptiles, it seems as though Boyup Brook has come out of hibernation this month, with this paper reaching an unprecedented 48 pages!

Events in October kick off with a *Food Truck Night* and the Boyup Brook Tourism Association's *Walk on the Wildside* in week one. It won't stop there- there is also the Local Government Election and the Federal Voice referendum to educate yourselves about, more ram sales, Children's Week, Harvey's Rodeo, the Blackwood Marathon and more! See the calendar below for event dates and more details are scattered throughout this edition.

Congratulations to all of the winter sport achievers, check this news out as well as your first introduction to summer sport seasons in the back pages. Looking further ahead, November will see the Festival of Country Gardens take place and the Dinninup Show!

With all of this action taking place, hopefully everyone remembers to take a restful pause to enjoy the beautiful wildflowers emerging this Kambarang season.

*Until next month, take care
Sharon*

The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.

We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.

Celebrating 100 Years

What a beautiful day it was on Friday, September 22 to celebrate 100 years of the Mayanup Hall. Master of Ceremonies Neville Parker welcomed guests from near and far, past and present, with an introduction of how the Mayanup Hall was originally formed.

It was officially opened on the 28th September 1923 by Bishop Cecil Wilson of the Bunbury Anglican Dioceses. Over the past 100 years, Mayanup Hall has played a big role; originally hosting church services and in later life dances, meetings, weddings, parties, badminton, a craft market and to this day it is still going strong.

With monetary assistance from the Boyup Shire and various grants, upgrades and maintenance has made it possible to keep this "fine lady" looking as beautiful and young as ever.

Thanks for the day must include main instigator, historian and a myriad of other things Lorraine Robinson, MC Neville Parker, current President John Ritson, our hard working Hall Committee- Helen Wass and Lorrene Sambell-Sayer, Ron Evans for an impromptu Bush Poem, Keith Nix for helping unveil the commemorative plaque, Shire President Richard Walker, Shire CEO Leonard Long and all the wonderful people who came out and attended this momentous day.

We look forward to continuing holding many more events at this wonderful hall and may she stand proud for many more years to come.

Jo Melville (Secretary)

CONDOLENCES

LEE-STEERE, REX

18-07-1935 - 22-09-1923

Sadly Rex has passed away peacefully at the Boyup Brook Hospital after a short illness. Much loved son and brother and very special uncle to nine nieces and nephews. He will be missed. Funeral details to come.

We would like to thank local community members for the care given to Rex and us during the last few months. St John's Ambulance volunteers for their professionalism, care and support. The UBMH staff and the Citizen's Lodge for the care and help given to Rex. Dr Chiwara, Medical Centre staff and the Pharmacy for their ongoing assistance. Members of the Lion's Club, Croquet Club and the Men's Shed who made it possible for Rex to continue to attend meetings as his health declined. A big thank you to you all.

Vivienne and Wilfred Lee Steere

LETTER TO THE EDITOR

The August book review involved an English book about growing bulbs by an English author discussing English conditions and English gardens!

Many Australian people have persisted with the colonial attitude of pursuing all things English. Indeed English social and horticultural habits permeating gardening make local Gardening Clubs a waste of time for those of us who choose to be Australian and cherish the beautiful native Australian flora.

Much worse than the cultural cringe, is the fact that *eleven percent of all introduced plants have become damaging environmental and/or agricultural weeds.*

Despite Australian legislation preventing the use of 'declared' weeds, this is what the English bulb book is advocating.

It is the equivalent of taking English advice to breed and release rabbits, foxes, cats and pigs in Australia.

Sandakan Park has already become the victim of bulbous weeds that have replaced the woodland under storey. They are now killing the trees and are devastating the native birds, animals and insects. Soon the bulbs will spread to the diverse bush land on the south west side of Cailles Road and that too will be destroyed along with the native orchids and rare plant species.

Some of the prohibited bulbs, corms and tubers in WA are: Ixias, Watsonias, Soldiers, Bridal Creeper, Onion Weed, Gladiolus, Asparagus Fern, Harlequin Flowers, Cape Tulips, Arum Lilies, Sparaxis, Freesias, Black Flag, Baboon Flowers and Chinchinchees.

No amount of prettiness, perfume or low care can justify the damage that these plants cause. So please keep them out of your gardens.

-Rosie Jean

Show Schedule

Our schedule is now available around town or online. Remember you can enter at any time online (see the back pages in the schedule for the directions on how to do it). Entries can also be placed as usual by mail, email or just prior to the Show personally on Thursday, November 2 at the Visitor's Centre. Closing dates for entries vary for each section so please check. Ring Ally Kinsman if you have any queries 0439 673 054.

Trophies Drop-off Point

Trophies can now be dropped off at the Hair Room every day except Mondays. Please make sure that you have included a tag that has your name and what category the trophy is for. Trophies will be displayed in the window of the Hair Room, thank you to Ruzaan for providing this space. Any queries in regards to trophies, please contact Demi Corker on 0419 667 162.

Entertainment

We are excited to announce that K9 Connections will be coming to the Show this year and will have two displays at 11am and 3.15pm. They will showcase dog obedience and training through a complex obstacle course. This event is proudly brought to you by the Boyup Brook Coop.

Calling all Artists

The Royal Agricultural Society is looking to promote artists residing in regional WA and is presenting an Art Award (Non-Acquisitive) of \$2,000 first prize and \$500 runner-up.

To enter, your work needs to be judged at a regional show and nominated by that show. So, artists get painting/drawing and enter. There is no requirement for subject or theme, so the choice is yours. Just indicate on your art entry form which work/s you would like to be judged for this award. The local winner will have their work entered in the 2024 Perth Royal Show for final judging. For more details see the Show Schedule or go online to our website www.dinninupshow.com.

Project Update

Construction work at the Lesser Hall has now been completed and is ready for community use. The new doors were opened for the Sandakan Memorial Civic Reception on 12th September 2023 which was followed by a light luncheon at the end of the Memorial Service. The new flooring, fresh paint and verandah area have made the hall a more useable and pleasant space. The Town Hall has been undergoing some structural work which is due to be completed in early October.

Lesser Hall

The new wastewater system at the Visitor Centre has been installed, passed inspection and is open for community and visitor use. The re-installation of the gardens and lawn area are due to be completed in the coming months.

Works have commenced on the reticulation system at the sporting precinct. Please take care to avoid the football oval/cricket pitch and all other areas as marked. The new system will help us achieve improved water efficiency throughout the sporting grounds and is scheduled to be finished by the end of October 2023.

Boyup Brook Medical Services Now Offering Additional Services

Boyup Brook Medical Services is proud to announce that they are now offering additional services to assist patients to continue living in the community. One of the fantastic new services is Holter monitoring, so you don't need to travel to Bunbury, saving you time, reducing fuel costs and long days away from home. We also offer wound dressings, iron infusions and allied health services to name a few. Please note some procedures may incur a fee for the consult and for consumables.

Our aim is to keep the community fit and healthy by offering education on medications and health conditions allowing you to become more interactive with your health care. This ensures you have freedom of choice and can make informed decisions, empowering you to live your best life.

Speak with your doctor to find out how we can help keep you fit, healthy and enjoying life.

for the Shire of Boyup Brook in accordance with the Bushfires Act 1954

Under section 33 of the Bush Fires Act, you are required to carry out the fire prevention work specified below on any land within the Shire that is owned or occupied by you.

The work must be carried out by 30 November, unless approved otherwise, and maintained throughout the summer months until 1 April.

If an owner or occupier fails to comply with these requirements, he or she may be issued with an infringement notice (penalty \$250) or prosecuted, and the Shire may carry out the required work at the cost of the owner or occupier.

If it is impractical for any reason to clear firebreaks, or to take measures in accordance with these requirements, you may apply to the Shire in writing before 11 November, for permission to provide firebreaks in alternative locations, or to take alternative measures to prevent the outbreak or spread of a bush fire. If permission is not granted in writing by the Shire, you must comply with these requirements.

TOWN SITE LAND

On all land located within a town site (except for land zoned Rural and Special Rural as shown in the Shire of Boyup Brook Town Planning Scheme No 2 (Scheme)), you must -

1. Where the area of land is 2023m² or less, clear the land free of all inflammable matter, except living trees and cultivated plants, shrubs and lawns, that are no greater than 5cm in height.
2. Where the area of the land is in excess of 2023m², clear a 3.0m wide bare earth firebreak immediately inside all external boundaries of the land or immediately surrounding all buildings on the land by removing all inflammable matter and vegetation within the 3.0m wide firebreak between the ground and 4m above the ground.

SPECIAL RURAL LAND

On all land zoned Special Rural under the Scheme, you must -

- (a) clear a 3.0m wide bare earth firebreak immediately inside all external boundaries of the land by removing all inflammable matter and vegetation within the 3.0m wide firebreak between the ground and 4m above the ground; and
- (b) clear a 10m wide bare earth firebreak around all buildings and fuel storage areas by removing all inflammable matter and vegetation within the 10m wide firebreak between the ground and 4m above the ground or a 20m building protection zone.

SHIRE NEWS

RURAL LAND

1. On land zoned Rural under the Scheme, you must either -

(a) clear a 3.0m wide bare earth firebreak immediately around all buildings, homesteads, hay sheds, fuel storage areas, caravans, and mobile accommodation by removing all inflammable matter and vegetation within the 3.0m wide firebreak between the ground and 4m above the ground; and

(b) clear a second 3.0m wide bare earth firebreak around all buildings, homesteads, hay sheds, fuel storage areas, caravans and mobile accommodation located not less than 20m nor more than 100m from the firebreak in paragraph (a) above by removing all inflammable matter and vegetation within the second 3.0m wide firebreak between the ground and 4 metres above the ground.

OR

2. As an alternative to the two-firebreak system described in 1, clear a 10m wide bare earth firebreak immediately around all buildings, homesteads, hay sheds, fuel storage areas, caravans and mobile accommodation by removing all inflammable matter and vegetation within the 10m firebreak between the ground and 4m above the ground.

AND

3. For Rural land (of less than 40ha) adjacent to Special Rural properties, you must -

clear a 3.0m wide bare earth firebreak immediately inside all external boundaries of the land by removing all inflammable matter and vegetation within the 3.0m wide firebreak between the ground and 4m above the ground.

PLANTATIONS

A plantation is defined as an area exceeding 3ha within a town site, or an area exceeding 20ha within a rural area, of trees planted for commercial purposes. The plantation will cease once the stumps are removed and the area is returned to agricultural production.

Up until the first harvest following the first planting of a plantation, the firebreak requirements for the plantation are those that applied for the fire season in which the plantation was approved by Council under the Scheme.

Further plantings and post-harvest or coppice regrowth or until all stumps are removed will be subject to the then current firebreak requirements.

Subject to the above, on all land on which there is a plantation, you must -

(a) clear a 15m wide bare earth firebreak immediately inside all external boundaries of the land by removing all inflammable matter and vegetation to a height of 5m.

(b) ensure all inflammable matter and vegetation greater than 5m above the ground is separated by no less than 10m.

(c) where a plantation is divided into compartments -

(i) if the compartments do not exceed 30ha, a 6m wide bare earth firebreak between compartments must be cleared by removing all inflammable matter and vegetation within the 6m firebreak and between the ground and 5m above the ground.

(ii) if compartments exceed 30ha, a 10m wide bare earth firebreak between compartments must be cleared by removing all inflammable matter and vegetation within the 10m wide firebreak and between the ground and 5m above the ground.

(d) clear a 50m wide bare earth firebreak around all buildings and fuel storage areas by removing all inflammable matter and vegetation within the 50m firebreak and between the ground and 5m above the ground.

(e) where power lines pass through the plantation, clear firebreaks in accordance with Western Power specifications (consult Western Power - phone 13 10 87).

CONSTRUCTION OF BUILDINGS

Where a building is under construction on any land between 9 October and 1 May, the land must be cleared of all inflammable matter within a 15m radius of the construction site.

RESTRICTED BURNING

commences 9th October 2023 until 20th November 2023. You must obtain a permit to burn during this time. Please contact your local Fire Control Officer to obtain a permit. Dates subject to change depending on weather conditions.

POLICE NEWS

BOYUP BROOK POLICE

There is a new Sheriff around town... Some of you may have seen or met the new OIC of Boyup Brook Police, Sergeant Martin BARAIOLO.

The good Sergeant has recently travelled across half the country to head to Boyup Brook with his lovely wife Andrea in order to take charge of the day to day running of the local station.

Sarge has been with the police for a long time, originally joining as a police cadet before an extensive posting history over the best part of 200 years. In fact, rumour has it that he is actually one of the founding members of the Western Australia Police.

Most of Sarge's previous posting history has been as a detective. He has had postings to gang crime, organised crime, arson squad, child abuse squad, Narrogin Police, Esperance Police... the list goes on!

If you see him around please say hi and introduce yourself and if you have any questions he is a font of knowledge so ask away!

I'm sure he will do an article in the future where he can do a proper introduction of himself, but I have no doubt that he will be a great fit into the Boyup Brook Community.

In other news Boyup Police recently gave a talk about farm security at the Rylington Park Field Day. The talk comes off the back of some recent Burglary's that have occurred within the Boyup Brook Sub-District.

We want to reiterate how important it is to provide basic security to your property. Leaving keys in cars and unsecured firearms is a recipe for disaster. Many stealings are opportunistic so please don't make it easy.

If you see anything suspicious don't hesitate to report it. It also helps to maintain good communication with your neighbours. When scouting out targets of opportunity, offenders may visit more than one location. Keep each other informed and help each other out.

As I'm sure you have all noticed there has been a large number of crashes in the last six months. I just want to quickly remind you that even though we are coming into spring it is still important to drive to the conditions and if you are feeling tired, please pull over and rest.

Also huge shout out to our local fire fighters, volunteer ambos and hospital staff who have been dealing with all of these recent crashes, they do a fantastic job and constantly impress us with their professionalism and competence.

Boyup Brook Pharmacy

Change of Business Hours

Monday-Thursday 9am-5.30pm, Friday 9am-5.00pm
Saturday, Sunday & Public Holidays - CLOSED

We would like to say a big Thank You to Trevor Rowe who has been a wonderful Locum Pharmacist for us since 2018, covering every second Monday & many other days. Trevor's last day will be the 28th of August. At this point in time we have not found another Pharmacist available to work regular shifts. While we continue to search, from September 1st 2023, we will be closing Saturday morning, and extending our Monday-Thursday closing time to 5.30pm.

We apologise for any inconvenience this may cause, and sincerely thank all of our community for your continued support, loyalty & understanding.

P.S. If you know of a Pharmacist looking for work, please let us know

St Mary's Catholic School

Greetings everyone from St Mary's Catholic School, we're thrilled to share some of the wonderful learning experiences of our students and teachers over the past month and share what is to come in the final term of the year.

Public Speaking

We recently held our school finals for public speaking, and we were delighted to witness an outstanding standard from all the participants. Following on from that, two students from years four to six represented St Mary's at the TREE Talks interschool finals and they performed exceptionally well. Congratulations to all our talented speakers, especially Kirsten Simpson (2nd place Year 5) and Lisham Turner (2nd place Year 6) for their achievements at the interschool.

School finalist winners:

K/PP	1 st : Viv Wheatley	2 nd : Kiralee Henderson
	3 rd : Georgia Power	
1/2	1 st : Isla Kelly	2 nd : Ellie Mead
	3 rd : Chloe Lloyd	
3/4	1 st : Penny Nield	2 nd : Luke Kelly
	3 rd : Braxton O'Hanlon	
5/6	1 st : Lisham Turner	2 nd : Kirsten Simpson
	3 rd : Fifi Mashangu	

Father's Day Breakfast

It was a pleasure to have fathers join us for a special event just before Father's Day. We had an excellent turnout for breakfast, accompanied by an exciting Kahoot quiz. The event was a great success and it was wonderful to see our school community come together to celebrate this special occasion.

Science Alive Incursion

We recently had the privilege of hosting Mick Doyle from Science Alive for an incredible incursion. Mick presented engaging, hands-on science lessons that truly brought the magic of science to life for our students. It was an unforgettable experience, and we're grateful for the opportunity to ignite our students' curiosity in the world of science.

Cross Country

Congratulations to all the students who participated in our recent Cross Country run. This challenging event tests both physical endurance and determination, and every participant pushed through and performed admirably. Well done to all our dedicated runners!

Year 3/4

<u>Girls:</u>	1 st : Kristy Barnes	2 nd : Wynnie Sprigg

Sandakan Memorial Service

On Tuesday, September 12 our students from year five and six represented St Mary's wonderfully at the Sandakan Memorial Service. They recited the poem 'What's it Like' with great poise and helped our P&F by assisting with food service during the event. We extend our heartfelt thanks to the P&F volunteers for their invaluable support.

School Disco

We held a 'Glow in the Dark' disco on Friday, September 15 and the students loved it! They rocked to tunes and took part in a competition, and the glow in the dark effects were a huge hit. Thanks to our staff for organising and our P&F for supporting.

Well-Being Week

Our last week of term three was Well-Being Week. It's a special time for our students to take a breather, relax, and focus on their mental and physical well-being. Throughout the week, students were encouraged to embrace comfort by wearing their sports uniforms each day, creating a relaxed and enjoyable atmosphere.

It also presented an opportunity for our students to explore new interests, hobbies, and activities, all while learning valuable skills for managing their well-being on a daily basis. We believe that this week will not only provide a wonderful break from the regular routine but also equip our students with tools to carry forward into their daily lives. It was a fantastic way to close out the term on a positive and health-focused note.

Enrolments for 2024: A Pathway to Excellence

Looking ahead, we are excited to announce that enrollment for the academic year 2024 is now open. At St Mary's Catholic School, we offer an environment that nurtures holistic growth, academic excellence, and spiritual values.

If you're seeking a place where your child can flourish, we warmly welcome you to explore what our vibrant community has to offer.

Boyup Brook Co-operative Community Fund

In 2020 the Board of the Boyup Brook Co-operative established the Boyup Brook Co-operative Community Fund with the aim of assisting local community and not for profit groups achieve certain goals that they were otherwise unable to do without funding assistance.

Who can apply?

Community Grants are available to not-for-profit groups in Boyup Brook who:

- Primarily serve the residents of Boyup Brook.
- Can demonstrate a high level of community support.
- Can demonstrate financial stability and sound project management. (For requests over \$5,000, a copy of the most recent, audited financial statement or bank statements from the last 12 months must be provided with the application).

Applications are invited from not-for-profit community-managed sporting groups, welfare, education, arts/cultural, youth, seniors, children, and related groups.

What can I apply for?

Community Grants can be used for a range of purposes including:

- Minor capital works
- Pilot programs
- Activities
- Equipment

The project or activity must:

- Be of benefit to the local community generally.
- Meet an identified need.
- Not require commitment to ongoing funding from the Co-Op.
- Not duplicate an activity already available in the local area.

How are applications approved?

All applications will be tabled and discussed at the board meeting following the close of date for applications. Those that can demonstrate a financial or in-kind contribution will be considered favourably, as will those who source funding from other sources. As the funding pool is limited, applications that demonstrate the best value for money will be prioritised, and priority will also be given to applicants who have not previously been funded.

What we look for?

- How your project relates to your organisation's purpose
- How the idea of the project came about, its community importance and expected benefits
- Strong project research and planning

When can I apply?

Community grant applications will be open from May 1 – May 15 and October 1 – October 15. Applicants will be notified 3 weeks after applications close if their application is successful.

Acquittal Process

Successful recipients are required to submit a completed Acquittal Report within 60 days of project completion (further details can be found in the application form).

Application forms are available from the Boyup Brook Co-operative or by emailing:

emma.fortune@boyupbrookco-op.com.au

Boyup Brook District High School

Father's Day in the Primary School

Students were super excited to bring their dads, grandads, and father figures to school for a BBQ breakfast cooked by our amazing staff. After a yummy bacon and egg roll, students enjoyed the sunshine with their special guests with a game of cricket, basketball, soccer or football. The photo booth was a huge hit, and the Father's Day Hokey Pokey was our biggest yet!

To finish the morning off, the students enjoyed activities with their special guest in the classrooms, which included making construction, crafts, playing games and making tasty meat rub.

A huge thank you goes out to Boyup Brook IGA for the generous donation of buns, the Harries and Gentle families for the donation of eggs.

Sandakan

As part of commemorating Sandakan at Boyup Brook District High School, students from Years 9 and 10 delivered presentations for the Ted McLaughlin Sandakan Scholarship to students, staff, guests and judges.

This scholarship involved in-class presentations for the teacher to determine student grades and provide a score of students work for the scholarship judges; and an interview to assess their knowledge of Sandakan in general and more specifically, their chosen topics.

The students worked extremely hard over the course of the term to put their presentations together, and we congratulate our award winners:

First Place (scholarship to Sandakan)	Jessica Bennett
Second Place (\$200)	Jiselle Hayward
Third Place (\$100)	Finnley Ruffino
Fourth Place (\$80)	Elna Deas

We feel that the scholarship is an important part of the Boyup Brook District High School calendar and the events surrounding Sandakan are of special historical significance to Boyup Brook.

It is also a fantastic opportunity for students to practice their public speaking and interview skills which will be helpful in the future. Sharing the Sandakan story gives our school community insights into the hardships of Sandakan and highlight the need to keep the stories alive and remembered.

Country Week

All students in the high school travelled to Perth in September, to represent Boyup Brook in this year's Country Week competition. Students formed teams for Basketball, Netball, Hockey, Volleyball, and Futsal.

Thanks to our amazing P&C and generous donations from local businesses, this trip has provided a valuable and affordable opportunity for our students.

We would like to thank Boyup Brook Co-op, Westcoast Wool & Livestock, Boyup Brook Agriculture Supplies, Hannaford, Kojonup Bus Service, John Rich Real Estate, AM Fertilisers, Hannaford Seed Cleaning Services, CDL Engineering, CDL Engineering, TW & FL Mead, CSBP, Old Dog Dirt and Diesel, Phoenix Petroleum, Boyup Brook Tyre Service, Boyup Brook AFGRI, Summit Fertilisers, Boyup Brook Post Office, Talison Lithium, and of course our amazing parents that participated in or purchased items during fundraising events such as the Pop Up Canteen, Footy/Hockey raffle, Candle Fundraiser, Cash for Containers and the LSW Grand Final Football gates.

Welcome to New Families

We would like to welcome the new families that have joined the Boyup Brook District High School Community: Augustine (Pre-Primary), and Cathryn (Yr 5). We are thrilled to extend a warm and heartfelt welcome to you!

Look us up on Facebook to see the many more wonderful things that are happening at Boyup Brook District High School.

Festival of Country Gardens

The 2024 Festival of Country Gardens is taking place from November 2-5 and this year there are 16 gardens to enjoy from all over the Blackwood Valley and Southern Forests Region.

One of the properties to visit is Nigel and Gill Steele's Boyup Brook property *Fern Valley Farm*, located at 147 Fern Valley Road.

They invite you to view their remodeled gardens which feature the 'Paths to Nowhere', a fire pit zone, a chicken palace and garden art including 'Elliot' a 4.6m dragon. There will also be metal art by Robert Turner on show and for sale.

Entry to their garden is \$8 and they are offering a light lunch as well as morning and afternoon tea, cash only.

The Festival of Country Gardens has been running for more than 20 years, bringing garden lovers together and providing inspiration, motivation and learning for visitors.

Gardens are open from 9:30am-4pm daily and it is \$8 per person, per garden, or four-day passes can be purchased online at www.trybooking.com/ckdjl at \$95 per person.

For more details about the event, visit the website: www.festivalofcountrygardens.com.au.

Garden Club

Our garden visit in September was to a beautiful property named *Nelson Grange Estate* located 12km south west of Bridgetown. We were welcomed to the property by Peter Dunn who is the current caretaker. The drizzling rain had set in so we gathered under the generous sized gazebo and Peter explained the history of the property.

The Grange was owned by the Allnutt family from the mid 1800s, they cultivated apple orchards and vineyards and were instrumental in the development of the state's fruit industry. The current owners continue to maintain and beautify *The Grange*.

We enjoyed walking around the property which has a large reservoir at the top end which spills down through creeks to smaller pools bringing lushness to this verdant landscape. For a moment we could imagine we were walking through an English property surrounded by white poplars, willows and various European trees, a beautiful wisteria tunnel and a grand waterlily pond.

Although the weather was wet, sixteen of us thoroughly enjoyed the beauty of *Nelson's Grange* and thanks to Peter Dunn for inviting us to experience it.

We have a bonus of two garden visits in October, the first garden visit will be to a property called *Moyola* - 41 Turner Rd, Bridgetown. We will meet at 1pm on Tuesday, October 10 at the Boyup Brook Town Hall carpark if you wish to carpool and to arrive at the property around 1.30pm.

The second garden visit is on Tuesday, October 24 at 1.30pm to Margaret and Richard Nield's farm - 98 Nield Rd, Benjinup, again if you wish to carpool meet at the town hall carpark no later than 1.10pm Please bring your chairs and mugs.

Further enquiries call Colleen Railton 0413 827 900 or Helen Rice 0421 581 636. Follow us on Facebook: Boyup Brook Garden Club.

Visiting Sandakan

I would like to acknowledge our friends in Sandakan where a memorial service is held on August 15 each year.

In 1991, Ted McLaughlin, ex POW and local resident of Boyup Brook, erected a memorial here to three of his friends and to all those who perished in Sandakan - and on the death marches - and at Ranau. This initiative of Ted's raised awareness and was a driver for local remembrance of Sandakan across Australia.

In 1993, the Sandakan Memorial Foundation was established in Eastern Australia and this was instrumental in the development of several Sandakan memorials throughout Queensland, NSW and Victoria. Fifty years of silence was coming to an end.

On August 15 this year, my wife Robyn and I were honoured to represent Boyup Brook for the 2023 service at Sandakan Memorial Park, Sandakan in the State of Sabah, Malaysia.

Thanks to the tireless efforts of Ted McLaughlin and the Borneo Exhibition group led by Ryan Rowland, a strong connection was made between Boyup Brook and Sandakan with a MOU being signed by our respective Local Governments on the 22nd of October 2007.

The strength of this connection is very apparent today where at the 2023 memorial service in Sandakan, Boyup Brook was welcomed and we were the only Local Government in Australia to be recognised as guests of honour in the Official Party.

We were welcomed by the local people and treated to Sandakan hospitality, local history and recollections from Datuk Alex and Datin Winnie Khoo along with Catherin Chua and her legendary knowledge and support.

The local people of Sandakan also suffered terribly at the hands of the invaders with many being brutally murdered. It was also thanks to their bravery and support that six Australians survived, 2,428 Australian and British POWs did not. These men fought for freedom and democracy with their bodies, their spirits and their lives.

The Kinabalu War Memorial at Kundasang has all their names, state of origin, age, place and date of death inscribed on tablets lining the wall.

The Headstone of the Memorial has inscribed a poem by Nelson Short, one of the survivors- one of the six Australian survivors. It reads:

I'm dreaming of Australia
 The land we left behind
 Dreaming of the loved ones
 We could always bear in mind
 Although its only fancy
 Our hearts within us yearn
 But we'll make up for lost moments
 When to Aussie we return

There'd be sailing on the harbour
 The showboat our first choice
 Or maybe we'd be dancing
 Listening to our sweetheart's voice
 Although its only fancy
 Our hearts within us yearn
 Gee we'll make up for lost moments
 When to Aussie we return

WHAT'S HAPPENING AT YOUR CRC

We didn't have as many events on during September, but this didn't mean the CRC was quiet! We had many community members seeking IT support over the month, which saw the last of our Be Connected Grant funding used up in one-on-one sessions.

Kids have been engaged during weekly Better Beginnings sessions (and enjoying the new couch!) and the month ended with an exciting, booked out Escape Room school holiday activity. We have two Children's Week activities for kids in October, for details see the advert of pg. 18 and the CRC Facebook page.

We have been receiving many queries about the Community Care program which is great to see. Photography Competition entries have also trickled in and the images are looking fantastic. Be sure not to miss out on the Exhibition, details on the opposite page with all of our October events.

Don't forget it is never too late to become a CRC Member, there are many benefits available with all of the details available on our website, or you can always drop in and ask a friendly staff member about joining our membership family.

1 Tonne Recycled!

The Recycling Hub continues to attract many users and a recent report showed that more than 1 tonne of hard-to-recycle items, have now been diverted from our landfill!

The Recycling Hub currently collects 16 items. Head to the CRC website for the full list or drop in to visit soon.

LIBRARY CORNER

It has been the month of deliveries for the library and it is definitely worth coming down to check out the new seating arrangements. Additions include a comfy armchair, a vibrant green couch and bright blue ottomans! We also have our new display boxes, with handy alphabetised shelves for our children's books.

It's been great to see some of our younger readers searching through the shelves as part of the Golden Feather Hunt, some feathers may have been found but there are still plenty left, which means plenty of opportunities to win a prize!

Our library offers a wide selection of materials to borrow, whether we stock the items on our own shelves or we borrow an item from another library. But did you know, you can access more than what you can see with your Boyup library membership?

Introducing Libby. Libby is a free library app that lets you easily browse thousands of e-books and audiobooks. It has fantastic accessibility features including customisable fonts, text sizes and display options. Audiobooks also have adjustable narration speeds and ten different languages on offer. Download the Libby app to your smart device today. If you run into any trouble, drop in for help to set it up.

Tonebridge Country Club

Tonebridge Country Club continues to have some well supported social occasions. September's casserole tea had over twenty people attend, despite some being away. It saw another great selection of casseroles and sweets shared.

The Girl's Night theme was childhood memories and featured a doll in a lovely crocheted outfit, a gold chain bracelet and a toy horse. One person who missed the night was going to bring her smoothed-curved Jersey cows horn!
Next month's theme will be something to do with spring having sprung.

The boy's 3B's night was recommencing too. We were having to say goodbye to Norma and Juliet plus Norm produced two of his creations with recycled beer cans, one pictured. Thank you Norm.

Some dates to remember for October:

- 1st Busy bee to tidy around the grounds, with BBQ lunch
- 6th Girl's Night
- 14th Last casserole tea before the summer programme starts
- 21st Annual General Meeting

Jamming on the Porch

On Saturday, August 26 local musician, bush poet and RSL member Pete Nettleton invited friends to his Williams Street, 'Blue Bungalow' to *Play Music on the Porch*. Twenty people came together at Pete's property, some from as far afield as Fremantle, to join local musicians for a mass jam session. Music was played on the porch non-stop for about four hours and Pete said a great time was had by all.

Play Music on the Porch Day is a global event, which started in 2014 with a simple idea, "What if for one day everything stopped? And we all just listened to the music."

E-Waste News

Spring is in the air, and before it gets too hot it is time to empty out all your cupboards, back rooms, sheds and garages of all your broken or unwanted electrical items and bring them to the sea container at the transfer station so that they can be dismantled or diverted to places that recycle them.

We take electrical items, household batteries, car batteries, mobile phones, ink cartridges, etc. We don't want your fridges, freezers, or air conditioners. During September, 55 items were left at our site- thank you. We also took 1,255kg of mixed metals to Bunbury for recycling.

We are still waiting for more people to come and help us divert electrical waste from going into landfill, this will help extend the life of our land fill site.

We are now open on Wednesday and Thursday from 9am-12pm, and on the first Sunday of the month 9am-12pm. Monthly meetings are on the first Thursday of the month at the Treehouse at 10am, if you want to talk about recycling come and join us.

NEXT GENERATION EMERGENCY SERVICES FLEET DELIVERED

The Cook Labor Government has delivered 11 new operational vehicles and a state-of-the-art flood-rescue boat valued at nearly \$3 million to emergency services in the South West.

I was in Nannup to hand over the upgraded emergency services fleet, which included eight Light-Tankers to volunteer firefighters from Dunsborough, Northcliffe, Cundinup, Nannup, Augusta, Walpole, and Pemberton.

Witchcliffe Volunteer Bush Fire Brigade also welcomed a new 3.4 Urban Tanker to its fleet, while State Emergency Service units from Nannup and Walpole each received a General Rescue Utility.

We're committed to providing our emergency services volunteers with the best equipment possible. This fleet has been purpose-built to suit the needs of our regional teams and will help local brigades and units enter the high-threat period with renewed confidence.

But, as we know, it's not just firefighters who need to be ready - I encourage everyone in the area to update their bushfire plans, be prepared and stay safe this bushfire season.

START PREPARING YOUR PROPERTY FOR BUSHFIRE NOW

The bushfire season is nearly upon us and it's important your family has a plan and your property is prepared.

Make sure you understand the risks and know what you'll do to keep safe - and one of the most valuable things you can do is make a bushfire plan.

As homeowners, it's our responsibility to manage the vegetation around our properties, create and maintain Asset Protection Zones and prepare our pets and livestock.

It's also vital you know the Fire Danger Ratings, understand the various Bushfire Alerts and Warnings, have an Emergency Kit ready to go.

CWA Update

Some of you may have noticed our regular update missing from last month's Gazette- we unfortunately had to cancel our August meeting due to having very little to update you on. But we are back into the swing of things this month and are happy to report that our next meeting is coming up soon on October 11, 12pm at the CWA Hall, 27 Forrest Street.

Please bring your lunch, tea and coffee provided. We will be finished around 2pm leaving plenty of time for mum's to do the school run pick-up of school aged kids, as always your younger children, grandies and babies are very welcome to join us.

September has seen us welcome in the spring, the lush green pastures, golden canola crops, and deep green barley are making for a beautiful landscape. We felt it fitting to hold our Social High Tea Members Event to coincide with the season, and made our booking for the Quacking Frog Teapot Shed.

Little did we know that nature had other plans for us that ill-fated day, and we found ourselves braving torrential rain, thunder and lightning (one could say it was very very frightening!) on what we had thought was going to be a lovely spring morning. Needless to say the hot teas and coffees provided, warmed us up. The amazing catering had us all filled with joy, and the wonderful company kept us smiling and laughing on the day.

We are so grateful for the delightful catering and hospitality of Ruth and Ray Gorman at the Quacking Frog; thank you both for the delicious high tea it really is great value for money. We invite you to all pop in for a morning tea, or to order one of Ruth's mouth-watering curries to take away. They are located at 18 Williams Street in Boyup Brook, so drop by and check out their collection of 5,000+ teapots while you enjoy a cuppa!

We also encourage you all to take part in this month's *Walk on the Wildside*, there's so many fun activities to do and things to see as part of this unique little festival that really highlights the wild and wonderful side of our Shire.

Finally, don't forget to start getting your submissions ready for the Dinninup Show! The CWA will be sponsoring a prize again this year in the Home Industries section for most points classes 604-618, good luck to everyone entering!

In Touch Farming

Planting Dates 2023 27th April v 16th May

Planting dates are becoming very important especially in canola and cereal when we are trying to maximise yield potential of our crops. As you can see, the canola demonstration planting on April 27 will be a significant yield reward in the varieties show cased – NuSeed RR Eagle Canola, Pioneer PY520TC Canola and Pacific Seeds Defender CT Canola (PS-22CT107).

An interesting point to factor into this more vigorous growth and higher yield potential, as well as a better fertiliser use/efficiency from a 27th April versus 16th May planting, is the daytime and nighttime temperatures from plant date for 30 days after planting. With both planting dates having identical chemical and fertiliser applied at the same crop growth stages.

27th April Planting Canola and Cereal

30-day Temperatures and Rainfall 27th April - 27th May
Average nighttime low Temp: 11.18C with the Low of 2.9C and high of 17.58C.
Average daytime high Temp: 23.93C with High of 31.96C and low of 15.46C.
Total rainfall for the 30-day period was 12.7mm
Total rainfall for the 30 days prior to planting was 38.7mm

16th May Planting Canola and Cereal

30-day Temperatures and Rainfall 16th May - 16th June
Average nighttime low Temp: 10.51C with the low of 2.45 (2 frosts) and high of 16.82C.
Average daytime Temps: 18.86C with high of 31.96C and low of 8.47C.
Total rainfall for the 30-day period was 42.8mm
Total rainfall for the 30-days prior to planting was 27mm.

Daytime temperatures make a difference on speed of establishment and growth rates, as well as with daylight hours being less as we progress towards winter inhibiting growth. We will have a yield comparison on the canola and the cereals once harvested. With the canola looking likely to be the biggest yield difference versus time of planting.

Any question please call to discuss.

Market Place EOI

The Boyup Brook Community Resource Centre is seeking expressions of interest from interested stallholders for a Market Place set to be held at the Boyup Brook Town Hall on Saturday, November 18.

This Market Place will aim to provide the opportunity to promote and sell items locally with a chance for interested craftspeople to also share skills with the community.

The different types of stalls can include:

- o *Makers Lane* for crafters demonstrating their skills and selling handmade items.
- o *Market Place* for those selling handmade items, homemade produce or small second-hand goods.
- o *Demonstration Zone* for makers demonstrating only and community groups or non-profits wanting to raise awareness and share information.

This event has been based off the successful 2021 Makers in May event, which was a day of crafts stalls, demonstrations and workshops.

If you are an interested stallholder, food or coffee vendor, please get in touch with the CRC by calling 9765 1169 or email crc@boyupbrook.org to put your name down.

Registration forms and more details coming soon.

Motorhome Convoy

Fourteen motorhomes convoyed through Boyup Brook on Tuesday, September 5 as a part of a short stay at the local caravan park.

The group of 19 travelers were brought together by one of the Explorer Motorhome owners Debbie Bayford who had previously travelled through Boyup Brook and thought it looked like a good place to stay.

Some of the visitors came all the way from Queensland and Canberra, as a part of a longer journey. They thoroughly enjoyed the town with Debbie saying, "Fabulous place to visit and stay. Everyone in the town is so friendly and helpful. The caretaker at the CMCA Caravan Park went 'above and beyond' to make our stay comfortable and enjoyable."

Probus Club

The next meeting for the Probus Club of Bridgetown is on Wednesday, October 11. Registration 9:30am at the special venue - Maranup Ford Caravan Park, 600 Maranup Ford Road.

It will be a special meeting featuring fun, games and great raffle prizes, to celebrate Probus Month and to promote the health benefits of staying socially connected. We recommend wearing sturdy footwear and a fun hat! Please note we request guests to contribute \$12 for morning tea and invest in lots of raffle tickets!

Guests are very welcome and must be registered to ensure catering numbers correct and insurance cover in place. Please contact email bbvprobus@gmail.com. For more Club information visit www.probusouthpacific.org/microsites/bridgetown

House of Hope Plea

Linda Watson, from the House of Hope charity which assists by way of accommodation, counselling and all health/food requirements, for young women who wish to get out of prostitution, has sent an urgent request to the people of Boyup.

Linda has visited Boyup on several occasions when we have organised stalls to fundraise for the charity – the only one of its type in Perth, with no support from the Government. She has always been very appreciative of the financial support given to her from the district and hopes we can assist again.

Her call for help comes about because a lady requires a deal of dental work but simply can't afford it. Neither can the treatment be started before the funds are raised.

The dentist involved has a Foundation to assist in financing the procedures but understandably, each client must pay a proportion. This is what Linda is seeking. She has established a separate bank account for donations to be paid directly into. Linda can be contacted on 0439 401 009 for banking details or, you may wish to contact either Claire Kaltenrieder or Anne Ritson for more information.

Sharing Memories on Lost Boyup

LOST Boyup Brook is a Facebook page engaging current and former residents by sharing memories of days gone by and we welcome your contributions of photos, newspaper articles, or stories. Email them to boyupbrook@crc.net.au or post to the BBCRC, 86 Abel St, Boyup Brook WA 6244.

On-farm Renewables and Biochar

A forum coming up in Manjimup on Friday, October 6 will bring together expertise in biochar production and agricultural application. Professor Stephen Joseph, co-founder of the International Biochar Institute and co-author of *Biochar for Environmental Management*, is the keynote speaker.

The day's presentation includes Prof Chun-Zhu Li from Renergi, the pyrolysis unit operating in Collie, processing green waste and plantation residue. Dr Steve Meerwald will describe Kochii's eucalyptus distilling operation and their plans for utilising the biomass waste. There is a focus on actual farmer experience, with supplementary research input.

The forum has two streams – biochar and the on-farm use of renewable energy. Dr David Galloway will outline the long-running decarbonisation efforts of the Augusta-Margaret River Clean Community Energy group - their work with wind and biodigestion and current operations.

The forum will be preceded by a biochar production workshop taking place on a west Manjimup farm on Thursday, October 5. This afternoon workshop will use low-cost kilns to demonstrate four different techniques to produce a biochar that becomes a slow-release fertiliser.

Poem: The Bet

McGinty and McTavish
Have a lifetime bet
The bet has run for eighty years
And is not decided yet

The bet they have is simple
It lets a pint of whisky lie
On one important question
Who will be the last to die

Now both men are a hundred
And the odds are very close
And the village and the valley
All have money on the choice

So those who back McGinty
Keep him fit and well
While those who back McTavish
Keep him solid as a bell

And so the pint of whisky
Is aging as we wait
To the finest single malt
That any judge could rate

Post script

McTavish and McGinty
Were lying down to die
They both agreed the whisky
Was too fine to pass it by

So McTavish and McGinty
Drank the whisky as they died
And McTavish and McGinty
Were buried side by side

Now for these two Scotsmen
You must not shed a tear
They died with their lips to a single malt
Matured for eighty years

Snake Bites

Since the weather is warming up and we're starting to get out and about, it's about time we refreshed our knowledge of snake bite first aid. While they usually try to avoid people, snakes can still have hissy fits and think we're a threat, so these skills could potentially be life-saving.

What to do

- Phone 000 for an ambulance.
- Ensure the casualty does not move. Lay the casualty down, rest and reassure.
- If the bite is on a limb, apply a broad pressure bandage over the bite site as soon as possible.
- then apply a further elasticised or firm bandage - start at fingers or toes and move up the limb as far as can be reached. Apply tightly but without stopping blood flow.
- Splint the limb including the joints on either side of the bite.
- Write down the time that the casualty was bitten and when the bandage was applied.
- If the casualty become unconscious and not breathing normally, commence CPR and defibrillation.

Do not

- Do not wash the venom off the skin (it may aid in identification)
- Do not cut the bitten area and try to suck the venom out of the wound.
- Do not use a tourniquet.
- Do not try and catch the snake.

Check out our free first aid guides on the First Responder app or take this as a sign to do a first aid course. Visit stjohnwa.com.au/sale

First aid kits and snake bandages are available from St John Ambulance Boyup Brook, all permanent residents receive a 30% discount on the RRP.

Cancer Council

October is Breast Cancer Awareness Month so, it's an important time to shine a light on the impact that breast cancer has on many Australians. It's also important for people to get to know common breast cancer symptoms.

Women from regional WA are known to delay going to a medical clinic when they were experiencing symptoms, with many experiencing self-doubt about the existence of the symptom. In 2019, 1,899 women in WA were diagnosed with breast cancer, and 259 women lost their lives to it.

If you are unsure about a possible symptom, you should make an appointment to discuss the change with your doctor, clinic nurse or Aboriginal health worker as soon as possible. This is particularly important if it's been more than four weeks since you first noticed the change. We must *Find Cancer Early*. Everyone's breasts are different. It is important that you get to know what your breasts look and feel like, so you know what is normal for you. There is no right or wrong way to check.

Common symptoms of breast cancer:

- A lump or hard area in your breast or underarm, especially if it is only on one side
- A change in the size, shape or feel of your breast
- Change in the look of your breast, including redness, rash, or your skin looks like the skin of an orange, or is wrinkling in small folds
- Changes to the nipple, like it's pulled inwards, leaking, itchy or has a sore that won't heal
- Breast pain or discomfort, especially if it is only on one side
- An area of the breast that feels different to the rest

Breast cancer screening:

Breast cancer can also occur with no symptoms, so for Australian women 50-74 years NOT experiencing the symptoms above, it's important to take part in breast screening every two years with *BreastScreen WA*. Screening mammograms are designed for people who are NOT experiencing symptoms. Waiting to participate in screening when you have a symptom could delay your diagnosis and risk a worse outcome. So, if you have a symptom, see your doctor.

Bushfire Preparation

Bushfire season is fast approaching, now is the time for our communities to prepare themselves and their homes. Firefighters will be too busy fighting fires on the frontline to defend your home and property, so it is your responsibility to be prepared. Download, print and complete the Property Preparation Checklist to give your home and property the best possible chance of surviving a bushfire.

Plan For Bushfires

You should *develop an understanding of* –

- Fire Danger Ratings (FDR) describe the potential danger level you could face and provide important information so you can take action to protect yourself and others from the dangerous impacts of bushfires. For more information on the FDR and Bushfire Warnings visit www.publications.dfes.wa.gov.au/
- Australian Warning System (AWS) – During a bushfire, the emergency services will issue a warning if the fire is impacting, or likely to impact the community. There are 3 levels (Emergency, Watch and Act, Advice). These warnings change to reflect the increasing risk to your life or property and the decreasing amount of time you have until the fire arrives. You can keep up to date with any warnings in your area by visiting Emergency WA.
- Make a Bushfire Plan – Bushfires happen every year. To survive a bushfire, you must be prepared to make your own decisions. The single biggest killer is indecision.

Prepare your home for bushfires - *Four simple steps*

Create your bushfire plan; prepare your property; pack an emergency kit; and make sure you understand the Bushfire Warning and Rating Systems.

Simple and ongoing monthly property upkeep includes: Cut the grass around your property to 10cm or less; Prune shrubs so they are not dense; Clean gutters; Check gas release valves face away from property.

More lasting actions to prepare your property include:

Create a minimum two metre gap between your house and tree branches; Install metal fly wire mesh on all windows and vents and install a protective screen on evaporative air conditioners; Block any gaps under the floor, in roof spaces, under eaves, external vents, skylights, chimneys and wall claddings; Install a fire or heat radiant shield such as a solid fence

St Saviour's Snippets

It really does feel like spring is here as we welcome rain and some beautiful sunny days! Time to sing 'Morning Has Broken', 'Sweet the Rain's New Fall', 'Mine is the Sunlight', etc. And the robins and wrens are in full colour plumage, just gorgeous.

There have been further meetings regarding our parish status which I am pleased to report will enable us to function with a smaller Council and still do all the things we want to do as a church.

Archdeacon Geoff Chadwick again visited St Saviour's and conducted a Communion service on September 10. He also brought good news which I am itching to tell you but I must be patient! However, it does involve the regular attendance of a clergy person each month. There is a great sense of anticipation amongst us all – it could happen very soon!

A lot of preparation has been going on behind the scenes for the Cursillo Weekend in Narrogin – more on that next month. It is such an exciting and fulfilling programme.

The annual Christmas Shoe Box appeal closed at the end of September; sincere thanks to everyone who supplied lovely goodies for the Boxes which are sent to those in need. Blessings all.

Direction for Our Times

We continue our cycle of monthly messages for 2023 with the message for September 1, 2007 for our prayer groups and personal reflection.

Jesus

Dear apostles, I send you a spirit of gentleness. Because you are called to treat others as I treated others, you are called to be gentle with all those around you. This call to gentleness in no way diminishes the call to live in the truth. If you preach the truth as I did, gently, you will draw others to us and to unity of thought and action.

In this time, when it is so important that people be brought back into the family of God, we must be ever so careful to be gentle with others in each interaction. I am Jesus. I am filled with love for each person you encounter, regardless of their condition. View each person through my love and treat them with my gentleness.

My dearest apostle, in order to allow yourself to heal from any wounds you yourself suffer, you must allow me to minister to you. I am tender-hearted with your failings. Remember this and do not turn away from me when you feel you have failed. If you do not allow me to minister to you during periods of unrest, you will be vulnerable to the distortions which can be sown by the enemy.

Apostles walking with me inspire hope in the world. This is the plan. But my friends must remember that apostles walking with me also inspire fear in the enemy. The enemy's fear causes him to lash out at the friends of the Returning King. Be at peace in this as it has always been this way and there is no reason for anything but confidence in my plan for each day of every life.

At the same time, be prepared to do battle for your holiness as I did battle. If you remain with me, the battles will make you stronger and holier. That is my goal. Accept the gentle ministrations of your Saviour in silence and you will then be an able carrier of this gentleness to others.

Beloved friends, so loyal to your God, you will stand out if you are gentle and it is this that I need from you. I need you to stand out as calm and gentle representatives of the different way. The world will remember you for your gentleness if you allow me to teach you. You are not called to change the world. I am called to change the world. You are called to represent me accurately so that I have the opportunity with each person you encounter.

Through your love, your kindness and your gentleness, you will create heavenly opportunities for me in the people around you. I will never miss an opportunity, I promise you. I make the best possible use of your efforts. I thank you, dear friend. Your fidelity to the Father will not be forgotten.

Be Still and Know..... God

Patience

'Whoever is patient has great understanding.' Proverbs 14:29 NIV

Patience begins by changing the way you view something. When you're impatient, you have a narrow perspective. All you see is yourself: your needs, goals, schedule, desires, and the way people are messing up your life. Basically, the root of impatience is selfishness. Try to see things from the other person's point of view.

If you want to succeed in marriage, learn to see life from your partner's point of view. If you want to succeed as a parent, learn to see things from your child's point of view. If you want to succeed in business, learn to see things from your customer's point of view. If you want to be a successful employer, learn to see life from your employee's point of view. Try to discover why the other person feels as they do.

If you never had to deal with irritations and interruptions, you would never develop patience. You must accept the truth that God is directing your steps, and that trust doesn't require explanations. The Bible says, 'The LORD directs our steps, so why try to understand everything along the way?' (Proverbs 20:24 NLT).

Patience is a mark of maturity. When babies don't instantly get what they want, they get upset. Maturity includes the ability to wait, and to live with delayed gratification. 'Whoever is patient has great understanding, but one who is quick-tempered displays folly' (Proverbs 14:29 NIV).

A person of understanding and wisdom who learns to see life from another's (and God's) point of view, displays patience. So, pray and ask God to give you a new perspective on things.

On the Greens

Another season comes to an end and the Boyup Brook Golf Club is looking forward to celebrating 70 years of **GOLF** in Boyup Brook next year. A time to reflect and remember all the hard work that has gone into presenting one of the best Sand Green courses in the South West over the past 70 years.

Championship have been done and dusted with winners declared after well fought matches.

Congratulations to:

CLUB CHAMPION - Ian Tweedie from Michael Wallace

B GRADE - Danny Drummond from Luke Dynan

LADIES CHAMPION – Jann Mead from Jenny Aird

B GRADE – Denise Twigg from Sharon Nield

A three-day carnival provided plenty of fun and fellowship in the clubhouse beginning with the Ladies Open Day – themed as *Dancing with the Golfers* (not Stars) won by Jill Sheehan of Donnybrook.

An Invitation 4BBB followed by the Anniversary Cup – celebrated since 1955 with a perpetual trophy donated by Mr Harold Whistler was won by Jon Cowan of Manjimup.

Congratulations to members who have competed in various Golf WA events and Open Days throughout the district – waving the Boyup Brook flag!

Windup Details

The Wind-up day is on Saturday, October 21 and it will commence with Breakfast followed by AGM and presentations.

Thanks to all the sponsors throughout the year who have provided trophies for the events.

We pride ourselves on being a welcoming and friendly club for everyone. An easy meal is available on Saturday nights and the clubhouse bar is warm and inviting.

State Golf Champions

Congratulations to Boyup Brook golfers Naomi Dorrington and Sharon Nield who won the GolfWA Women's 4BBB playoff in September at the Wanneroo Golf Club.

Representing Boyup Brook Golf Club, they competed against the top 50 pairs from club qualifying competitions across the state for the playoff. Players from both regional and metropolitan clubs were represented.

This competition is played in a fourball betterball format with the best score on each hole contributing to the team's Stableford points haul.

Naomi and Sharon's huge 51-point haul, saw them win clear by five points. As well as state bragging rights, they have also won flights, accommodation and admission to the Australian Open, which this year takes place in Sydney from November 30-December 3.

Boyup Brook Golf Club shared the good news on their Facebook page stating, "Wonderful news. Congratulations to you both. Boyup Brook Golf Club are very proud."

Netball Wrap Up

Juniors

Many young Boyup Brook players competed in the Bridgetown Netball Association's Junior A and B competitions in 2023, spread across multiple teams. Well done to those who made the finals, narrowly missing out on a win.

Lillianne Caldwell received a team award in her Junior A side and Hayley Hester had a standout year taking out Fairest and Best Junior A player in Bridgetown as well as Most Valuable Player (MVP) in her Under 16s Donnybrook Blackwood Ravens team that competed in the South West Netball Football League (SWNFL). Hayley was also selected to represent the South West in the Under 14s side at the Origin State Cup this October!

Also in the Donnybrook Blackwood Ravens, Charlie Clark received the Under 16s Most Consistent Award and big sister Naomi Clark received the Coaches Award in the Under 18s.

Above: Charlie Clark (left) and Hayley Hester with their Under 16s Ravens Coach at their wind-up.

Naomi competed in multiple teams this year and also took out joint Fairest and Best of the season in the senior A division Bridgetown competition.

Boyup Brook also had two juniors receive their C grade umpiring badges, well done to Charlize Welch and Yasmine Mitchell!

Seniors

Boyup Brook had three senior teams compete in Bridgetown this year with the Pridettes and Rangers in A grade and Blazes in B grade. The Blazes had an enormous year, and won their grand final by ten goals! Marni Staniforth-Smith was awarded Fairest and Best in the grand final and for the association.

Mina Black of the Pridettes also received Runner Up Fairest and Best for the association in A grade.

Three senior teammates were also part of the inaugural Donnybrook Blackwood Ravens Masters side this year, competing in the SWNFL. Jo Harding, Cat Grochowski and Sharon Lampard's team went from third place on the ladder to winning the grand final in September.

They came up against the undefeated side of Carey Park, who hadn't dropped a game across multiple seasons. They won 39-32 after a strong surge home in the final quarter. Cat was named Player of the Match and was also named the Club's joint Fairest and Best of the season alongside Sharon.

Above: Senior B grade grand final winners, the Boyup Blazes had a dominant season in their new strip sponsored by the Boyup Brook Co-op and Boyup Brook Tyre Service.

Senior Roos News

September is all about footy finals in Australia and this year the Boyup Brook Football Club was fortunate enough to host the Lower South West Football League (LSWFL) grand final on Saturday, September 8.

The day saw three Bridgetown teams in all grades, going down to Tigers in the Colts, getting up over Imperials in the Reserves and narrowly missing out in League to Kojonup in what many have described the most thrilling grand final in many years.

A huge effort was put in by all members of the committee and the wider community to organise a fantastic afternoon that has received commendations from far and wide. We should all feel very proud as a town; the day was an excellent advertisement for us. Many thanks to all those involved with the set up and running of the day.

While Boyup was not playing in the finals series this year, it was encouraging to see some individual efforts being rewarded at the LSWFL Awards Night. David Cowan took out the League Fairest and Best and the Most Valuable Player, as voted by his peers. Dave has been integral to the League side over the past couple of years continues a strong family tradition within the club.

Other local achievements were Todd Carroll who was named 2023 Umpire of the Year and an old player turned umpire Scott Tweedie receiving the Up and Coming Umpire Award, congratulations to you both.

With the season now behind us we look forward to the wind-up on Saturday, October 14 from 5:30pm at the clubrooms.

Tickets are still available at \$70, and the theme is *Spring Vogue*. There will be a three course meal and a drink on arrival. For more details visit the Boyup Brook Roos Football Club Facebook events page. The AGM is also coming up on Thursday, October 26 at 7pm in the clubrooms.

On a personal note I would like to thank everyone in the town for your support this year, from our valued sponsors, playing group, the people who sat on the committee and wider friends and supporters of the club, your enthusiasm makes the job of being President very pleasant and fulfilling.

President
Lachlan Chilwell

Junior Roos News

8/9s Go Back-to-Back

Saturday, September 2 saw the Mighty Roos 8/9s side head to Deanmill to face archrivals Southerners in the 2023 LSWJFL Grand Final. Nerves and emotions were running high as the team broke through the banner and headed out on the field for the final time this year. The first quarter was a tight affair with neither side able to gain ascendancy. The second quarter saw the game start to open up as the nerves subsided and the skills improved seeing the mighty Roos go into half time with a one goal lead.

With the season on the line, Coach Rick Twigg urged his charges on during the break, knowing that if they showed the teamwork and courage that he knew they possessed, they could get the job done. The team didn't disappoint with the back line holding strong keeping Sths scoreless in the second half.

While at the other end, Boyup's dominance was on full display with eight goals being scored, and the result being put beyond doubt early in the final quarter. The final score line of 10.14 (74) to 1.5 (11) left the team in raptures at the final siren. Jack Leusciatti was named best on ground for the second year running.

Congratulations to all players, coaches and support staff for the excellent season. The 2023 LSWJFL 8/9s Premiership Flag now hangs proudly in the Clubrooms next to the 2022 flag as a reminder to all of the fantastic team that represented our proud club this year.

2023 Season Windup

The whole club got together on September 7 to celebrate another successful season.

Thanks to all involved on the day for organising the food and refreshments for the throngs of hungry young mouths that were in attendance. The award winners are as follows.

4/5s

Fairest & Best: Colby Beadle R-Up: Blake Turner
Coaches Award: Digby Chambers

6/7s

Fairest & Best: Owen Lee Steere R-Up: Max Thompson
Coaches Award: Brody Thompson

8/9s

Fairest & Best: Jack Leusciatti R-Up: Ruben Stansbury
Coaches Award: Coen Armstrong

Inglis Club Person Award: Jessica Bennett

Congratulations to all award recipients and thanks to CSBP for the donation of four Burley footballs that were given to the Coaches Award and Club person winners.

BBFC AGM

The Club AGM is on Thursday, October 26 at 7pm at the clubrooms. All positions will become vacant, and all interested parties are strongly encouraged to attend. I will not be standing again as Junior President. The position of Junior Secretary will also be vacated by Therese Lloyd. These roles are vital for the smooth and effective running of the Junior Club. Once again, all interested parties are urged to attend and has an input into the future of the Club.

Ready to Hit the Court

Who's ready for tennis season?

Registrations are now open for the upcoming 2023-24 Boyup Brook tennis season, with membership forms available from the website: www.boyupbrooktennis.com.au.

The Boyup Brook Tennis Club is a family friendly, welcoming environment which caters for all ages, abilities and skills levels. It doesn't matter if you are a regular player, haven't played for years, or would like to have a go for the first time, we welcome you to come along for fun, fitness, match play and a great social outing. We also offer half price membership for new adult and family members.

The junior season runs on a Thursday afternoon for 8 weeks in Term 4 and again in Term 1 2024, with registration day on October 12. Players are split into various groups dependent on age and ability:

- Intro to Tennis (K-PP)- 3:30-4:30pm - using red balls for an introduction to basic tennis skills
- Intermediate- 3:30-4:30pm - using red balls for the development of skills and an introduction to match play
- Advanced- 4:30-5:30pm - three groups - using orange, green and hard balls. Full court play and further development of skills

Following each junior session, OPEN COURT tennis will be held at 5:30pm for anyone to come and have a hit, practice your skills or play a match in a relaxed environment - the music will be playing! \$5 for visitors, or free for members.

KEY DATES:

- BUSY BEE: Sunday, October 8 @ 11am - Come and lend a hand to tidy up the clubhouse and facility and prepare the courts. All welcome, please bring gardening and brooms if possible. Lunch will be provided.
- JUNIOR REGISTRATION DAY: Thursday, October 12 @ 3:30pm
- JUNIOR SEASON COMMENCES: Thursday, October 19 @ 3:30pm & 4:30pm, followed by OPEN COURT @ 5:30pm
- WEEKEND SEASON OPEN DAY: Saturday, October 28 @ 1pm - Family Day - bring the whole family and enjoy some on and off-court fun.

Junior Hockey Results

The Junior Hockey Grand Final was definitely one of the matches of the season, with a hard fought game, ending with coach Janice Beadle's team the Sharks, taking the last bite.

They overcame the Hornets 3-1, with goals scored by Hornets player Sienna Mead (1) and Sharks players Scarlett Gear (2) and Indi Reid (1). Well done to the Hornets coach Tara Reid on a fantastic season, along with coach Mike Love and his Crocs team.

Thank you again to all of those who umpired this season it was greatly appreciated, a super huge thank you to Gemma Lee-Steere who coordinated the 2023 season, keeping it running smoothly. And to all of those who were involved in another great season of Boyup Brook Junior Hockey 2023. Thank you!
